The first book from Upright Citizens Brigade comedian Laura Willcox, *I AM BRIDE* is a hysterical spoof of all the lavish, ridiculous, and stressful things a bride deals with when planning her BIG DAY. **As seen on The New Yorker SHOUTS and Refinery29!** In this bridal gag gift, Laura Willcox writes in the voice of an overbearing, outrageous wedding planner, covering all aspects of a wedding—from the moment of engagement (hopefully with the ring you've been not so subtly emailing him about for months), all the way through the final minutes of the big day. Accompanied by Jason O'Malley's humorous illustrations, Willcox offers tongue-in-cheek advice for every wedding-planning moment, whether it's dreaming up the perfect wedding-weekend hashtag, planning a gift registry to make everyone jealous of your fabulous lifestyle, or figuring out how to distance yourself from the poor, unfortunate souls who didn't make the cut for your guest list. Laura Willcox's refreshing take on all things bride will turn tradition on its head, and have you rolling your eyes and reading passages out loud to your engaged (and married) friends. This funny book is a perfect gift for the friend who can't stop pinning to her dream wedding board, bridezilla-to-be, or any bride who would benefit from a much-needed break from the stress and madness of wedding planning.

Manly Manners: Lifestyle & Modern Etiquette for the Young Man of the 21st Century is the first volume of a three-volume treatise on modern mens manners by fashion designer, lawyer, former senator Wayne James. Elegant, sophisticated, and immensely informative yet edgy, sexy, witty, and even irreverent at times the trilogy is poised to become the definitive lifestyle guide for the modern man. Is there a difference in the way one holds a glass of red wine versus a glass of white? How should a young man conduct himself in a gay sauna? What are the rules for Shopping While Ethnic? Ever heard of a tabarro? How does a gentleman correctly wear one? What should a young man do (and not do) if detained by law enforcement officers? And what's the best way to survive prison unraped? How should a gentleman comport himself when invited to coffee in Ethiopia or a funeral in Japan? Is there gloryhole etiquette? Who enters a revolving door first: The man or the woman? What about when entering and exiting restaurants? How should transgender people conduct themselves in gender-specific public restrooms? Ladies are taught how to sit, stand, and walk correctly. But what's the comportment for their male counterparts? Is there a way to politely suggest an enema to a sex-partner before engaging in anal sex? And what are the new and emerging rules for planning a same-sex wedding? How should a corn-fed, red-blooded, young man apologize to his tellak for getting a raging erection while being massaged on the gbektasi? Roll over and play dead? When conducting business in China or in the Arab World, what are the faux pas that can kill a multi-million-dollar deal? Is there a difference between a blazer and a sport coat? And what's the history of penny loafers or mens underwear? Such topics, and many moresome as mundane as how to correctly use a bidet, others as arcane as how to conduct oneself during an Audience with the pope are addressed in the more than 800 pages of *Manly Manners: Lifestyle & Modern Etiquette for the Young Man of the 21st Century*. Manners is a mans job; and *Manly Manners* is the new manual.
