During the 1930s in the United States, the Works Progress Administration developed the Federal Writers' Project to support writers and artists while making a national effort to document the country's shared history and culture. The American Guide series consists of individual guides to each of the states. Little-known authors—many of whom would later become celebrated literary figures—were commissioned to write these important books. John Steinbeck, Saul Bellow, Zora Neale Hurston, and Ralph Ellison

are among the more than 6,000 writers, editors, historians, and researchers who documented this celebration of local histories. Photographs, drawings, driving tours, detailed descriptions of towns, and rich cultural details exhibit each state's unique flavor. Published in 1941, the WPA Guide to Michigan documents the rich history and economies of the Great Lake State. From the Upper Peninsula to the Lower, and the Straits of Mackinac between, the guide features many photographs of the distinctive geography as well as essays about marine lore, architecture, and—in the essay on Detroit—the nation's burgeoning auto industry.

The only guide to Southeast Asia that covers the entire length and breadth of a region frequently visited by round-the-world sailors, many of whom leave Australia to head west. This 2008 edition concentrates on the most frequented routes and includes the most popular stops. There are hundreds of possible anchorages, the most popular of which are usefully summarised in tables. Introductory sections cover planning and the last part of the book deals with more general topics including advice on provisioning and the problems that are often faced by cruisers. Stephen Morgan and Elaine Davies first arrived in the region over 30 years ago. They work in Hong Kong- Stephen Davies as Director of the Hong Kong Maritime Museum and Elaine Morgan as a writer and editor. While this pilot is aimed at yachtsmen and indeed was surveyed from the Davies/Morgan yacht, it is just as relevant to the commercial or military mariner. The part of the world described in this work is one of the most interesting on our planet.

This Textbook is a study guide that represents a concise compilation of laws and regulations on frequently tested subjects in the U.S. Customs Broker License Examination. Textbook breaks down archaic and hard to read laws into reader friendly format, with bold and italicized and underlined keywords and topics. Textbook does not cover every topic, but rather focuses on the most relevant ones. Prospective examinees are instructed to regularly review each subject in order to easily recall the appropriate regulation during the exam. To help exam takers succeed in passing the exam, Textbook comes with Web Supplements. Web Supplements bring to prospective examinees video lectures (which are based on the Textbook's material), charts, exhibits, tables and flashcards designed to improve understanding of the tested topics. Concise text, charts, exhibits, tables, and flashcards alone are not enough to pass the examination. Goal of the Textbook is to equip you with necessary tools to successfully pass the U.S. Customs Broker License Examination. To that end, the Textbook integrates questions from previous exams by topics covered in individual chapters. We worked very hard to provide you with tools necessary to be successful. You, however, remain the ultimate guarantor of passing the U.S. Customs Broker Exam through hard work and dedicated studies.
