One thing is guaranteed: a hot wife will cheat on her husband with a big, black cock. Stories included are: Seduced by My Hot Black Boss: My Cuckold Husband Watches; Make Me a Cuckold: Watching My Wife With Two Black Men; Making My Husband a Cuckold: Taken By My Gorgeous Black Boss; My Husband Becomes a Cuckold: Taken By My Sexy Black Pool Man.

These wives are unsatisfied, vulnerable, and as much as they love their husbands, they love getting their desires fulfilled a lot more. These husbands love their wives and are trying their hardest to please them, but are too wimpy to do anything about it, even as they are made to watch their petite white wives with BIG black studs. These cuckold stories were selected for showing just how far cuckolding can go... Used in public? Unprotected with a convict? On top of her arrogant boss and begging him not to pull out? The following erotic stories are in this extreme cuckold bundle: Making My Husband Watch At a house party Cindy and Scott have a few too many drinks, and find themselves doing things they never thought they would. Scott has always had a fantasy of Cindy cuckolding him, but it's been a long time since he's even acknowledged those feelings since he doesn't think she would go along with it. However when they start playing the drinking game Never Have I Ever and the question gets asked "Have you ever been with a black man?" Cindy shocks Scott with her blunt answer, saying she's always longed to have sex with a black man. Jamal loudly asks her if she wants too, and Scott is just drunk enough to suggest that Cindy give it a shot. Scott never thinks she'll do it but to his shock she gets down on her knees right then and there to allow herself to be used and stretched out by Jamal in every way possible in front of the entire party. Cucked By The Convict A chance meeting with her ex-boyfriend, Sam, sets in motion a chain of events for a loving wife that she can't halt. The fact that he's just got of prison doesn't stop the passion they once shared coming to life again. She knows that giving in to it will hurt the man she loves, but can't deny Sam what he wants when he comes to her home and she lets him take her in front of her husband. Bent Over A Barstool By My Boss A drunken husband means tough times for Sarah and the resulting hardship makes her turn to the local saloon owner in search of bar work, but he offers her a different kind of income...It's wrong, but she doesn't care. Her new boss is arrogant, aggressive, and objectifying – and even as she dislikes him, she's so turned on she can barely hide it around him. It's obvious he only hired her to get into her pants, a fact she would never mention to her husband. When her boss places her hand on her hips, she throws reason out the window, and decides to fill his every little desire in a way she never would do for her boring husband – if he wants some slut, she'll give him a slut, and she'll do it shamelessly.

There's nothing wrong with having a fetish; they're just sexual desires that society frowns upon, and that shouldn't stop you if you're happy. This book is written with that in mind, but mainly aimed at those who aren't happy, or those who are curious enough to investigate their psychology and understand themselves. Over the years, researchers in psychology have found success in many methods of changing or removing problematic sexual desires, and these are reviewed in this fully referenced, evidence-based self-help book. The distinctive feature of the cuckold fetish is that it involves being cheated on, right in front of you. The pain of infidelity and the humiliating feeling of inadequacy are what constitute this fetish. 'For some reason', this fetish turns the feeling of inadequacy into sexual pleasure. The possible explanations for this are reviewed in chapter 1, before chapter 2 explores this concept of inadequacy more deeply. The cuckold fetish turns painful deep-rooted fears of inadequacy and a subconscious sense of inadequacy into sexual pleasure. This is linked to the optional interracial element, as well as fetishes for humiliation, chastity, emasculation/feminization, and more. Most importantly of all, it's about the woman enjoying it, loving every second, losing control, and moaning more than ever, because that's what triggers the sense of inadequacy. By understanding these fears and feelings, we understand ourselves, and learn the unconscious drivers for most of our actions in life. Chapter 3 explores the way these deep-rooted fears and feelings can affect your life; causing all sorts of behaviors, like: addictions (alcoholism, drugs, gambling, or porn). Obsessive self-improvement (work, money, dieting/bodybuilding, or knowledge). Escapism (excessive video games, TV, Films, intellectualization). Grandiose fantasies, as well as occasional subhuman perceptions; an unstable sense of self. Underachieving, procrastinating, overachieving, perfectionism. Chapter 4 is all about how this subconscious inadequacy formed in the first place: it's initially formed in early childhood. Many factors affect it, such as not having privacy, attention, control, or security, unemotional fathers, absent fathers, workaholic fathers, alcoholic parents, physical punishment, needy parents, or narcissistic parents. Other factors throughout life can affect it too, such as culture and relationships, and being cheated on in the past. You've probably either attracted 'crazy' girlfriends that you're avoidant to, or distant/cold girlfriends that you're too needy to. Chapter 5 is about taking action. Numerous practical steps are presented to change your fetish, in both the short and the long term, from all angles in psychology including behavioral, psychodynamic, social, physiological, and humanistic. As with the rest of this book, significant statements are referenced and backed up with appropriate sources, which are listed at the end of the book. Debut self-help author and experienced fetish researcher Connor McGonigal guides you through the multi-step process to understand and overcome the causative psychology of the cuckold fantasy, refined by years of coaching men 1-on-1, and his self-help video course of the same name. This book is about using your fetish to understand yourself - the most fundamental aspects of your psychology - and being able to grow as a person, whether you want to change your fetish with it or not. Fetishes can naturally come and go over the course of our lifetimes, because we change and grow as people. Sometimes, the fears and self-image that we had at one point in our lives is completely different from today, and as a result, our sexual fantasies change to match. This book is about speeding up that process - understanding 'subconscious inadequacy', and overcoming it.

One of Glamour's Best Books of 2020 Popular podcast host and personal finance expert Lindsay Goldwert explores what professional dominatrixes can teach us about confidence, power, and happiness. Imagine, for a moment, a world where the usual power dynamic is turned on its head. Where women not only stop apologizing, but seize—and enjoy—control. This is the quickly mainstreaming world of BDSM (bondage, discipline, sadism, masochism)—and it has a lot to teach women about empowerment, negotiation, open-mindedness, and more. Journalist Lindsay Goldwert, intrigued by this seismic cultural shift, traveled across the United States to meet the stars of the subculture, who spoke frankly with her about their lives and work. In this “lively, funny, thoughtful channeling of wisdom” (Sara Benincasa, author of *Real Artists Have Day Jobs*), these Alpha women show you how you can reset the power dynamic in any situation to get what you want—whether it's from a husband, a boss, or partner. They share strategies for revolutionizing not only your sex life, but your career, your relationships, and most importantly, your inner foundations. With bondage gear popping up on the big screen, the runway, the red carpet, and in celebrity lingerie lines, BDSM is officially moving out of the dungeon and into the sun. Let *Bow Down* help you learn how to use it. “Whether your fantasies lie in the bedroom or the boardroom, Lindsay will give you the courage to go forth and dominate.” (Sarah Cooper, author of *How to Be Successful without Hurting Men's Feelings*).

However, after a chance encounter with the seductive Andre, things soon change. He's charming, he's large, and he's very black. Emily tries her hardest to fight her ever-growing curiosity, she's a good wife, after all, but Andre's only in town for a week opening a new gym franchise. Warning: This novella contains themes of interracial adultery, specifically white wives breeding with black men. Please don't read if these topics cause offense.

In this new novel, the first by a black woman ever to win the coveted Prix Goncourt, Marie NDiaye creates a luminous narrative triptych as harrowing as it is beautiful. This is the story of three women who say no: Norah, a French-born lawyer who finds herself in Senegal, summoned by her estranged, tyrannical father to save another victim of his paternity; Fanta, who leaves a modest but contented life as a teacher in Dakar to follow her white boyfriend back to France, where his delusional depression and sense of failure poison everything; and Khady, a penniless widow put out by her husband's family with nothing but the name of a distant cousin (the aforementioned Fanta) who lives in France, a place Khady can scarcely conceive of but toward which she must now take desperate flight. With lyrical intensity, Marie NDiaye masterfully evokes the relentless denial of dignity, to say nothing of happiness, in these lives caught between Africa and Europe. We see with stunning emotional exactitude how ordinary women discover unimagined reserves of strength, even as their humanity is chipped away. *Three Strong Women* admits us to an immigrant experience rarely if ever examined in fiction, but even more into the depths of the suffering heart.
