Woe Is I: The Grammarphobe's Guide to Better English in Plain English
English Language Arts, Grade 11 Module 2

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If

so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

A user-friendly reference guide plus workbook containing the most important rules of English grammar, punctuation, capitalization, and writing numbers that people need every day. Isabel Archer, from Albany, New York, is invited by her maternal aunt, Lydia Touchett, to visit Lydia's rich husband, Daniel, at his estate near London, following the death of Isabel's father. There, Isabel meets her uncle, her friendly invalid cousin Ralph Touchett, and the Touchetts' robust neighbor, Lord Warburton. Isabel later declines Warburton's sudden proposal of marriage. She also rejects the hand of Caspar Goodwood, the charismatic son and heir of a wealthy Boston mill owner. Although Isabel is drawn to Caspar, her commitment to her independence

precludes such a marriage, which she feels would demand the sacrifice of her freedom. The elder Touchett grows ill and, at the request of his son, Ralph, leaves much of his estate to Isabel upon his death. With her large legacy, Isabel travels the Continent and meets an American expatriate, Gilbert Osmond, in Florence. Although Isabel had previously rejected both Warburton and Goodwood, she accepts Osmond's proposal of marriage, unaware that it has been actively promoted by the accomplished but untrustworthy Madame Merle, another American expatriate, whom Isabel had met at the Touchetts' estate. Isabel and Osmond settle in Rome, but their marriage rapidly sours, owing to Osmond's overwhelming egotism and lack of genuine affection for his wife. Isabel grows fond of Pansy, Osmond's presumed daughter by his first marriage, and wants to grant her wish to marry Edward Rosier, a young art collector. The snobbish Osmond would prefer that Pansy accept the proposal of Warburton, who had previously proposed to Isabel. Isabel suspects, however, that Warburton may just be feigning interest in Pansy to get close to Isabel again, and the conflict creates even more strain within the unhappy marriage. Isabel then learns that Ralph is dying at his estate in England and prepares to go to him for his final hours, but Osmond selfishly opposes this plan. Meanwhile, Isabel learns from her sister-in-law that Pansy is actually the daughter of Madame Merle, who had had an adulterous relationship with Osmond for several years. Isabel pays a final

visit to Pansy, who desperately begs her to return someday, which Isabel reluctantly promises to do. She then leaves, without telling her spiteful husband, to comfort the dying Ralph in England, where she remains until his death. Goodwood encounters her at Ralph's estate and begs her to leave Osmond and come away with him. He passionately embraces and kisses her, but Isabel flees. Goodwood seeks her out the next day but is told she has set off again for Rome. The ending is ambiguous, and the reader is left to imagine whether Isabel returned to Osmond to suffer out her marriage in noble tragedy (perhaps for Pansy's sake), or if she is going to rescue Pansy and leave Osmond.

NEW YORK TIMES BESTSELLER • A sharp, funny grammar guide they'll actually want to read, from Random House's longtime copy chief and one of Twitter's leading language gurus NAMED ONE OF THE BEST BOOKS OF THE YEAR BY O: The Oprah Magazine • Paste • Shelf Awareness "Essential (and delightful!)"—People We all write, all the time: books, blogs, emails. Lots and lots of emails. And we all want to write better. Benjamin Dreyer is here to help. As Random House's copy chief, Dreyer has upheld the standards of the legendary publisher for more than two decades. He is beloved by authors and editors alike—not to mention his followers on social media—for deconstructing the English language with playful erudition. Now he distills everything he has learned from the myriad books he has copyedited and overseen into a useful guide not just for writers but for everyone who wants to put their

best prose foot forward. As authoritative as it is amusing, Dreyer's English offers lessons on punctuation, from the underloved semicolon to the enigmatic en dash; the rules and nonrules of grammar, including why it's OK to begin a sentence with "And" or "But" and to confidently split an infinitive; and why it's best to avoid the doldrums of the Wan Intensifiers and Throat Clearers, including "very," "rather," "of course," and the dreaded "actually." Dreyer will let you know whether "alright" is all right (sometimes) and even help you brush up on your spelling—though, as he notes, "The problem with mnemonic devices is that I can never remember them." And yes: "Only godless savages eschew the series comma." Chockful of advice, insider wisdom, and fun facts, this book will prove to be invaluable to everyone who wants to shore up their writing skills, mandatory for people who spend their time editing and shaping other people's prose, and—perhaps best of all—an utter treat for anyone who simply revels in language. Praise for Dreyer's English "Playful, smart, self-conscious, and personal . . .

Paths to College and Career Jossey-Bass and PCG Education are proud to bring the Paths to College and Career English Language Arts (ELA) curriculum and professional development resources for grades 6–12 to educators across the country. Originally developed for EngageNY and written with a focus on the shifts in instructional practice and student experiences the standards require, Paths to College and Career includes daily lesson plans, guiding questions, recommended texts, scaffolding strategies and other classroom resources. Paths to College and Career is a concrete and practical ELA instructional program that engages students with compelling and complex texts. At each grade level, Paths to College and Career delivers a yearlong curriculum that develops all students' ability to read closely and engage in text-based discussions, build evidence-based claims and arguments, conduct research and write from sources, and expand their academic vocabulary. Paths to College and Career's instructional resources address the needs of all learners, including students with disabilities, English language learners, and gifted and talented students. This enhanced curriculum provides teachers with freshly designed Teacher Guides that make the curriculum more accessible and flexible, a Teacher Resource Book for each module that includes all of the materials educators need to manage instruction, and Student Journals that give students learning tools for each module and a single place

to organize and document their learning. As the creators of the Paths ELA curriculum for grades 6–12, PCG Education provides a professional learning program that ensures the success of the curriculum. The program includes: Nationally recognized professional development from an organization that has been immersed in the new standards since their inception. Blended learning experiences for teachers and leaders that enrich and extend the learning. A train-the-trainer program that builds capacity and provides resources and individual support for embedded leaders and coaches. Paths offers schools and districts a unique approach to ensuring college and career readiness for all students, providing state-of-the-art curriculum and state-of-the-art implementation.
