***From R. Barri Flowers, award winning criminologist and internationally bestselling author of The Sex Slave Murders 1 and 2, comes a gripping new true crime short, Murder of a Star Quarterback: The Tragic Tale of Steve McNair & Sahel Kazemi. In this riveting tale of a sports legend, infidelity, jealousy, money, and desperation, former NFL star quarterback Steve McNair and his attractive young lover Sahel Kazemi embark on a dangerous affair in Nashville that leaves both dead. Included is a complete bonus true crime short, Murder in Mission Hill: The Disturbing Tale of Carol Stuart & Charles Stuart. The Boston couple's once happy marriage ends up in murder and suicide, with the race card being played in a calculated attempt to get away with cold-blooded murder. An added bonus is excerpts from R. Barri Flowers international bestselling true crime short, Murder at the Pencil Factory, and his true crime book, The Sex Slave Murders.***

***1916: Alafair Tucker had not wanted to come to Arizona, but because of her young daughter Blanche's lung ailment, she and her husband Shaw bundled Blanche onto the train and made the nightmare trip from Oklahoma to Alafair's sister in Tempe, Arizona, hoping the dry desert air would help their daughter. As soon as they arrive, Blanche begins to improve, and Alafair is overjoyed to see her witty, beautiful sister Elizabeth again. For added excitement, a Hollywood motion picture company is shooting their movie right in Tempe. But Alafair and Shaw soon discover that all is not well. Elizabeth's marriage is in tatters; tensions are high between the Anglo and Latino communities following Pancho Villa's murderous raid on Columbus, New Mexico; and Alafair suspects her sister is involved in an illegal operation to smuggle war refugees out of Mexico and into the U.S. And now here there's Bernie Arruda, dead on his back in a ditch. The night before he had been singing Mexican love songs at the party in Elizabeth's backyard. Can Alafair connect all the pieces and discover a murderer before it is too late?***

***Detective Frank Malloy is assigned to a new case - finding a missing woman who had been responding to lonely hearts ads in the paper before she mysteriously disappeared. Malloy knows the kind of drifters that use these ads to entice women. Worse, he knows they are likely to do much more than just kidnap their victims. Still trying to keep their relationship under wraps, Malloy seeks help from midwife Sarah Brandt. But as they delve deeper into a twisted plot that targets the city's single women, it's their partnership that ends up in the greatest danger.***

**'I loved A Village Murder and its setting. It kept surprising me!' Faith Martin, #1 bestselling author The start of a brand new series from the bestselling author of the Exham-on-Sea Murder Mysteries. An English village can be deadly, when your past catches up with you... In the beautiful rural Somerset village of Lower Hembrow, crammed full with English eccentrics, something is amiss... Landscape gardener Imogen Bishop has spent the last thirty years trying to forget one fateful school night but when her estranged husband Greg Bishop is found dead in the grounds of her fathers' Georgian hotel, danger threatens to overwhelm her. Retired police officer Adam Hennessey, hoping for a peaceful life running his traditional Somerset country pub, finds himself drawn into the unfolding drama in the hotel across the road. Imogen, Adam and Harley the stray dog form an unlikely partnership as they try to untangle a knot of secrets, solve a murder mystery, and bring a killer to justice. A brand new cosy mystery series from the bestselling author of Murder at the Lighthouse, perfect for fans of Faith Martin, Betty Rowlands and M.C. Beaton. What readers are saying about A Village Murder: 'Wonderfully portrayed characters, a mystery that keeps you guessing till the end, this is a brilliantly written piece of cozy mystery.' 'I loved this book and think that it marks the beginning of a fun new series!' 'There are plenty of red herring plus twists & turns & a growing number of murders before the culprit is revealed. I happily whiled away a few hours with this engrossing read.' 'I would recommend it to anyone looking for an entertaining read.' 'An enjoyable and entertaining plot making for an engaging, relaxing read providing some much needed escapism.' 'What a wonderful beginning to a series that I just know I am going to follow.'**

Three times DCI Pascoe has wrongly accused dead-pan joker Franny Roote. This time he's determined to leave no gravestone unturned as he tries to prove that the ex-con and aspiring academic is mad, bad, and dangerous to know. Meanwhile, Edgar Wield rides to the rescue of a child in danger, only to find he has a rent-boy with a priceless secret

under his wing. DC Bowler is looking forward to a blissful New Year with the girl of his dreams. Unfortunately, her dreams are filled with a horror too terrible to tell . . . And over all this activity broods the huge form of DS Andy Dalziel. As trouble builds, the Fat Man discovers (as have many deities before him) that omniscience can be more trouble than it's worth and that sometimes all omnipotence means is that you can have any colour you want, as long as it's black.

There was no sign of life. But not for a second did Pascoe admit the possibility of death. Dalziel was indestructible. Dalziel is, and was, and forever shall be, world without end, amen. Chief constables might come and chief constables might go, but Fat Andy went on forever. Caught in the full blast of a huge explosion, Detective Superintendent Andy Dalziel lies on a hospital bed, with only a life support system and his indomitable will between him and the Great Beyond. His colleague, Detective Chief Inspector Peter Pascoe, is determined to bring those responsible to justice. Pascoe suspects a group called The Templars, and the deeper he digs, the more certain he is that The Templars are getting help from within the police force. The plot is complex, the pace fast, the jokes furious, and the climax astounding. And above it all, like a huge dirigible threatening to break from its moorings, hovers the disembodied spirit of Andy Dalziel.

A veteran on leave investigates a murder in his Kentucky backwoods hometown in this Appalachian noir by the acclaimed author of *Country Dark*. Mick Hardin, a combat veteran and Army CID agent, is home on a leave to be with his pregnant wife—but they aren't getting along. His sister, newly risen to sheriff, has just landed her first murder investigation—but local politicians are pushing for someone else to take the case. Maybe they think she can't handle it. Or maybe their concerns run deeper. With his experience and knowledge of the area, Mick is well-suited to help his sister investigate while staying under the radar. Now he's dodging calls from his commanding officer as he delves into the dangerous rivalries lurking beneath the surface of his fiercely private hometown. And he needs to talk to his wife. *The Killing Hills* is a novel of betrayal within and between the clans that populate the hollers—and the way it so often shades into violence. Chris Offutt has delivered a dark, witty, and absolutely compelling novel of murder and honor, with an investigator-hero unlike any in fiction.

Unmarked graves are found on the grounds of an old orphanage in this “riveting” British crime thriller by an Edgar Award finalist (Publishers Weekly, starred review). With profiler Tony Hill behind bars and Carol Jordan no longer with the police, he's finding unexpected outlets for his talents in jail and she's joined forces with a group of lawyers and forensics experts looking into suspected miscarriages of justice. But they're doing it without each other; being in the same room at visiting hour is too painful to contemplate. Meanwhile, construction is suddenly halted on the redevelopment of an orphanage after dozens of skeletons are found buried at the site. Forensic examination reveals they date from between twenty and forty years ago, when the nuns were running their repressive regime. But then a different set of skeletons is

discovered in a far corner—young men from as recent as ten years ago. When newly promoted DI Paula McIntyre discovers that one of the male skeletons is that of a killer who is supposedly alive and behind bars—and the subject of one of Carol’s miscarriage investigations—it brings Tony and Carol irresistibly into each other’s orbit once again in this masterfully plotted novel by “the queen of psychological thrillers” (Irish Independent).

AVAILABLE FOR THE FIRST TIME IN eBook! A man returns to the town where a baffling murder took place 27 years earlier, determined to get to the bottom of the story. Just hours after marrying the beautiful Angela Vicario, everyone agrees, Bayardo San Roman returned his bride in disgrace to her parents. Her distraught family forced her to name her first lover; and her twin brothers announced their intention to murder Santiago Nasar for dishonoring their sister. Yet if everyone knew the murder was going to happen, why did no one intervene to stop it? The more that is learned, the less is understood, and as the story races to its inexplicable conclusion, an entire society--not just a pair of murderers—is put on trial. Gabriel García Márquez was born in Colombia in 1927. He was awarded the Nobel Prize in Literature in 1982. He is the author of many works of fiction and nonfiction, including *One Hundred Years of Solitude*, *Love In The Time Cholera*, *The Autumn Of The Patriarch*, *The General In His Labyrinth*, and *News Of A Kidnapping*. He died in 2014.

The discovery of a dead gangland figure in a quarry brings back dark memories for Detective Chief Inspector Jack Harris and the hilltop community in which he works. As the detective investigates the murder, not only is he forced to deal with hostile villains, frightened townsfolk, and colleagues who doubt his capacity to bring the killer to justice, he also has to confront part of his past that he had hoped would be forgotten. And in doing so, he is forced to reevaluate the loyalties of those closest to him.

Exham-on-Sea Murder Mysteries 1-3 Murder At the Lighthouse Have you ever found a body on the beach? Recently widowed Libby Forest arrives in the small coastal town of Exham-on-Sea, keen to start a new life baking cakes and designing chocolates. Walking on the beach one stormy autumn day, Libby and excitable Springer Spaniel ‘Shipley’ discover a dead body under the lighthouse. Convinced the death was no accident, Libby teams up with Max Ramshore, an attractive local resident, and Bear, a huge sheepdog, to confront indifference from the community and unmask the killer. Murder at the Lighthouse is the first in a series of Exham-on-Sea Murder Mysteries set at the small English seaside town full of quirky characters, sea air and gossip. Murder on

the Levels Libby's chocolates sell like hot cakes... until people begin to die. When a group of cyclists, all customers at the bakery in small town Exham-on-Sea, are poisoned, suspicion falls on the shop itself, and Libby's food. In partnership with attractive, blue-eyed Max Ramshore and his huge sheepdog, Bear, Libby Forest sets out to uncover the poisoner and save the bakery. But who can she trust when even her deceased husband wasn't all he seemed? If you love murder mysteries, clever animals, cake and chocolate, take a trip to leafy Somerset in the second story in the Exham-on-Sea murder mystery series, as Libby digs deeper into the lives of the close-knit seaside community, with Bear at her side Murder on the Tor A ruthless killer. An ancient curse. A secret past. When Libby Forest finds a body early one morning in mist surrounding Glastonbury Tor, she will need all her ingenuity to unscramble the threads of past myths and present secrets to discover the truth. Meanwhile, with the help of the enigmatic Max Ramshore, can Libby uncover the whole truth of her husband's death and find peace in her new life?

"A really fun cozy mystery with lots of laughs, twists, and memorable characters. Harley Hill is my new favourite woman sleuth." Look out London, there's a new investigator in town! *A real-life thriller in the vein of *The Devil in the White City*, Kate Winkler Dawson's debut *Death in the Air* is a gripping, historical narrative of a serial killer, an environmental disaster, and an iconic city struggling to regain its footing. London was still recovering from the devastation of World War II when another disaster hit: for five long days in December 1952, a killer smog held the city firmly in its grip and refused to let go. Day became night, mass transit ground to a halt, criminals roamed the streets, and some 12,000 people died from the poisonous air. But in the chaotic aftermath, another killer was stalking the streets, using the fog as a cloak for his crimes. All across London, women were going missing--poor women, forgotten women. Their disappearances caused little alarm, but each of them had one thing in common: they had the misfortune of meeting a quiet, unassuming man, John Reginald Christie, who invited them back to his decrepit Notting Hill flat during that dark winter. They never left. The eventual arrest of the "Beast of Rillington Place" caused a media frenzy: were there more bodies buried in the walls, under the floorboards, in the back garden of this house of horrors? Was it the fog that had caused Christie to suddenly snap? And what role had he played in the notorious double murder that had happened in that same apartment building not three years before--a murder for which another, possibly innocent, man was sent to the gallows? The Great Smog of 1952 remains the deadliest air pollution disaster in world history, and John Reginald Christie is still one of the most unfathomable serial killers of modern times. Journalist Kate Winkler Dawson braids these strands together into a taut, compulsively readable true crime thriller about a man who changed the fate of the death penalty in the UK, and an environmental catastrophe with implications that still echo today.*

*The next thrilling Ham-Hill Murder Mystery from bestselling cosy crime author Frances Evesham. A winning horse. A fierce rivalry. A sudden death. Belinda Sandford thrills to the cheers of the crowd as her beautiful grey racehorse, 'Butterfly Charm', thunders past the finishing post first at Wincanton Racecourse. She feels like the luckiest girl in the world. But joy soon turns to despair as a stewards' enquiry overturns the result and awards the race to her long-time rival, Alexandra Deacon. When Alex is found dead in suspicious circumstances, a host of accusing eyes turn to Belinda and her distraught mother begs Adam Hennessy, her neighbour, retired police officer and publican, to help clear her daughter's name. As Adam, and local hotelier Imogen Bishop, dig deep into the murky and powerful undercurrents of the horse racing world, they lay bare the lives and loves of local jockeys, grooms, trainers and owners. They soon uncover a web of secrets hidden within the spectacular Somerset countryside as they strive to find the killer in time to prevent more murders. When the body of a young woman is in fact found, rumours quickly spread that a serial killer is at work in the small Pennine community of Levton Bridge. When the clues do indeed begin to point to a connection with other missing women, the pressure from on high to find answers increases ten-fold. Fighting the media circus's constant attempts to thwart the investigation, detective Jack Harris must also battle the confusion and doubts among his own team in order to find the killer. With plot twists galore and an array of credible suspects, this traditional village mystery series will appeal to fans of M.C. Beaton and Midsomer Murders. When Alex Duggins comes across a terrifying scene at the site of a new housing development, once again she is drawn into a case of brutal murder. A new year arrives and winter holds Britain's Cotswold Hills in its icy grip once more. But it's the construction of a new housing development that's causing the residents of Folly-on-Weir most concern. As she passes the site late one afternoon, pub owner Alex Duggins is confronted by the terrifying scene of a construction trailer on fire and a man desperately trying to break the door down. Her efforts to help - and the subsequent findings of the police forensic pathologist - draw Alex and her friend Tony Harrison into a major murder investigation whose tentacles will reach right to the heart of the tight-knit Folly community - and into Alex's own past ... Will appeal to fans of M.C. Beaton and Midsomer Murders.

Having just finished his apprenticeship, apothecary John Rawlings is celebrating in Vaux Hall Gardens when he trips over the body of a young girl. Hauled before the magistrate as the prime suspect, Rawlings clears his own name and so impresses the magistrate John Fielding that he is asked instead to investigate the crime. From gaming hell to fashion house, Rawlings follows a trail of lust and intrigue which unearths a dangerous past of threatening secrets. A skillfully plotted tale of misdeeds and murder--introducing Inspector Hector Salgado, a detective with a complicated

past, a love of cinema . . . and a tendency to violence. Under a hot Barcelona sun, a killer is feeling the heat. When the death of a vulnerable young witness in a case of human trafficking and voodoo causes the normally calm Police Inspector Hector Salgado to beat someone up, he is moved off the project and sent instead to investigate a teenager's fall to his death in one of Barcelona's uptown areas. As Salgado begins to uncover the inconvenient truths behind the city's most powerful families, two seemingly unsolvable cases are set to implode under the hot Barcelona sun.

One woman found dead. Another kidnapped. Two cases. Two books. One overworked Scottish detective. When the body of an attractive young woman is found in woodland on Edinburgh's iconic Calton Hill, DI Jack Knox quickly establishes that she had worked as a prostitute. For this reason, getting people who knew her to come forward will prove difficult. Knox will have to cut through their lies, establish a motive and collar the killer. This is the detective's dilemma in LABYRINTH, the prequel to a new series of mysteries set in Scotland's capital. In THE INNOCENT AND THE DEAD, the second book in the series, DI Jack Knox is called in to investigate a high-profile case. A local distiller's daughter has gone missing, and when he receives a ransom note, his fears that it is a kidnapping are confirmed. Knox decides to take a serious risk to capture the abductors, but the stakes could not be higher. The father is wealthy and well-connected. If Knox's gamble goes wrong, he'll have hell to pay. DI Jack Knox is a likeable detective. He likes the odd dram, hankers after his family who are based in Australia, and has a relationship with a colleague he tries to keep under wraps. This book will appeal to anyone who likes police procedurals in a real setting. It is the first in a series of several. THE INNOCENT AND THE DEAD is FREE with Kindle Unlimited. Look out for the other two books in the series, MURDER AT FLOOD TIDE, and DEAD OF NIGHT.

William M. Adler gives us the first full-scale biography of Joe Hill, and presents never before published documentary evidence that comes as close as one can to definitively exonerating him. Joe Hill's gripping tale is set against a brief but electrifying moment in American history, between the century's turn and World War I, when the call for industrial unionism struck a deep chord among disenfranchised workers; when class warfare raged and capitalism was on the run. Hill was the union's preeminent songwriter, and in death, he became organized labor's most venerated martyr, celebrated by Woody Guthrie and Bob Dylan, and immortalized in the ballad "I Dreamed I Saw Joe Hill Last Night." *The Man Who Never Died* does justice to Joe Hill's extraordinary life and its controversial end. Drawing on extensive new evidence, Adler deconstructs the case against his subject and argues convincingly for the guilt of another man. Reading like a murder mystery, and set against the background of the raw, turn-of-the-century West, this essential American story will make news and expose the roots of critical contemporary issues.

You can't escape your darkest thoughts... Emily Swanson came face to face with a psychopath - and survived. But the ordeal has left its scars. Determined to move on with her life, she visits a weekend retreat called Meadow Pines. With its forest setting and strict ban on technology, it 's the perfect escape. Until one of the guests is found hanging from a tree. The evidence points to suicide. But when help fails to arrive and the guests start turning on each other, it's clear that Meadow Pines is not the safe haven it claims to be. Miles from the nearest town and with darkness falling fast, Emily must race to uncover the horrifying truth... because there is a murderer at the retreat who is about to kill again. Revised edition: Previously published as 'Cruel Minds'.

"Superb... Flanders's convincing and smart synthesis of the evolution of an official police force, fictional detectives, and real-life cause c é l è bres will appeal to devotees of true crime and detective fiction alike." -Publishers Weekly, starred review In this fascinating exploration of murder in nineteenth century England, Judith Flanders examines some of the most gripping cases that captivated the Victorians and gave rise to the first detective fiction Murder in the nineteenth century was rare. But murder as sensation and entertainment became ubiquitous, with cold-blooded killings transformed into novels, broadsides, ballads, opera, and melodrama-even into puppet shows and performing dog-acts. Detective fiction and the new police force developed in parallel, each imitating the other-the founders of Scotland Yard gave rise to Dickens's Inspector Bucket, the first fictional police detective, who in turn influenced Sherlock Holmes and, ultimately, even P.D. James and Patricia Cornwell. In this meticulously researched and engrossing book, Judith Flanders retells the gruesome stories of many different types of murder in Great Britain, both famous and obscure: from Greenacre, who transported his dismembered fiancé e around town by omnibus, to Burke and Hare's bodysnatching business in Edinburgh; from the crimes (and myths) of Sweeney Todd and Jack the Ripper, to the tragedy of the murdered Marr family in London's East End. Through these stories of murder-from the brutal to the pathetic-Flanders builds a rich and multi-faceted portrait of Victorian society in Great Britain. With an irresistible cast of swindlers, forgers, and poisoners, the mad, the bad and the utterly dangerous, *The Invention of Murder* is both a mesmerizing tale of crime and punishment, and history at its most readable.

Prosecuting attorney Bell Elkins and her estranged teenage daughter, Carla, try to protect their town and each other in the aftermath of a shocking triple murder committed by an unknown shooter whose identity is gradually realized by Carla.
