

Everything Horse: What Kids Really Want To Know About Horses (Kids Faqs)

Covering every horsey topic children could possibly want to explore - from discovering the different horse and pony breeds, to understanding how different cultures live with horses, and finding out exactly how horse-lovers ride these magnificent animals - DK's Horses & Ponies is the first-stop for all equine knowledge. With the help of this photographic guide, any horse-lover can become a genius in identifying the many different horse and pony breeds. They will find out about all the useful ways horses are a part of our lives across different cultures, from transportation to sports to ceremonies, and even their role in police work. This book will answer all those questions that may be burning in the minds of horse-mad kids, including: What's the difference between horses and ponies? Along the way, young readers will learn how to take care of their equine friends.

Ginny has always dreamed of having her very own pony, so when her parents agree to rent her a pony for the summer, Ginny is thrilled! But when Mokey arrives, she is shaggy, dirty, and half-starved – not at all what Ginny had in mind. Can Ginny still have the summer of her dreams? Nellie Sue, who fancies herself a real cowgirl, wants a horse for her birthday, but she discovers that a brand new bicycle--her first--takes almost as much taming as a filly.

Read the adventure and track the facts—it's two great ebooks in one! Join Jack and Annie as they travel to ancient Greece to meet Alexander the Great and his famous horse in Magic Tree House® #49: Stallion by Starlight. Then uncover the facts behind the fiction in Magic Tree House® Fact Tracker: Horse Heroes. It ' s two favorite ebooks in one! Find out why Mary Pope Osborne ' s #1 New York Times bestselling series is such a hit with kids, parents, and teachers around the world.

Magic Tree House Fact & Fiction: Horses

Everything You Need to Know to Survive and Thrive with a Horse-Loving Kid

The Smallest Horse tells the story of Trixie, a miniature horse, who worries that she's not big enough to have an important job on the ranch. She tries her hand at herding cattle, but gets lost in the tall grass. She's sure she is brave enough to be a trail horse, but the creek is too deep for her to cross. She'd like to be a show horse, but she can't quite master the fancy footwork. The big horses try and cheer her up by reminding her of good reasons to be small, but it doesn't help. By the end of the book, Trixie discovers that she does indeed have a very important job to do, and being small helps her do it even better.

Girls love horses! Horsewoman Rebecca Ondov invites tweens (ages 8 to 12) to experience life around horses—caring for them, getting to know their personalities, training them, and loving them. Along the way, girls will discover more about themselves—who they are, how much God loves them, and what He wants them to do. Using their love for horses as a base,

Great Horse Stories for Girls helps girls: build confidence in God's love and provision create stronger friendships know how to handle "the blues" make wise choices develop an active prayer life Daughters will enjoy these true stories of interacting with horses and encounter life-changing truths that will help them grow strong spiritually, emotionally, and mentally. Presents information about horses and describes the different breeds, including Arabians, Appaloosas, and Friesians. "Text and photos give readers information about horse riding and competitions, horse care, horse breeds, and general information"--

Angels Club (Middle Grade Novel - Horses, Kids, Friendship, Bullying and Ethnic Diversity)

The Everything Horse Book

Calling all young equestrians and Cat (in the Hat) fanciers! In this latest installment of the Cat in the Hat's Learning Library, the Cat introduces Sally and Nick—and beginning readers—to all things horsey. At his Super-Tremendous-Stupendous Horse Show, the Cat explains how horses and people have worked together since ancient times; the difference between fillies, foals, yearlings, mares, colts, dams, sires, and stallions; horse anatomy from nose to tail; the work of a farrier, Western vs English riding; and much, much more—including fun facts about 13 of the most popular horse breeds! Fans of the new PBS Kids preschool science show the Cat in the Hat Knows a Lot About That! (which is based on The Cat in the Hat's Learning Library) will whinny with glee over this new addition to the series!

Humans have relied on the strength, speed, and endurance of the horse for more than nine thousand years, utilizing them for work, warfare, entertainment, and companionship.

Throughout history, humans have shown how much they admire and respect these animals through decoration and embellishment. Divided into three sections—Warfare and Hunting, Performance and Competition, and Ceremony and Celebration—this book introduces readers to the many ways humans have used and honored horses. Their decorations highlight how important horses are to various people, from the symbolic paintings that the Plains Indians used to decorate their battle and hunting companions to silks and flowers awarded to thoroughbreds in competition to the colorful, playful costumes adorning the horses that pull painted carts through the streets of Sicily to honor saints. Jeannie Brett's action-packed illustrations highlight the beauty and care that humans have taken when creating decoration for their horses, incorporating cultural significance, celebratory

beauty, and respected ferocity.

The complete beginner's guide to horses and riding for kids 8 to 12 This ultimate guide to horses for kids teaches you all about the basics of equine care?from anatomy to housing to bathing and feeding. My First Horse and Pony Book

Roll of Thunder, Hear My Cry

Everything You Need to Know, From Bridles and Breeds to Jodhpurs and Jumping!

Hola, Cuties! I'm Jacinda Gonzalez, almost twelve. Although I think I'm pretty nice, not to mention way cool and one of the most knowledgeable people in all things horse, I just can't make any friends in my new school. The only things flying my way are totally rude insults. The horseback riding therapy farm where I volunteer becomes my perfect escape from mean bullies. And when Angel, a scrawny, muddy American Curly, shows up as rescue, no one but me can see her potential and loveliness, so I take her on as a project horse to get her ready for sale. But, the thing is, I don't want them to sell her. She'd be so perfect for therapy. So perfect. Now, if only I could prove it. Anyway, Angel's sugar-candy personality inspires me to be sweet in spite of bad things happening to me. So, of course, I can't resist the urge to make the world a whole lot brighter. Come on in and see how I do it! Middle Grade, Children's book, ages 6-8, 10-12, and up. A clean, cute, touching story for any lover of horses. American Curly Horse. Girls, bullying, friendship, multi-ethnic, handi-capable, diverse kid's book, farm life, horse rescue.

Everything You Want to Know About Horses

The Book Of Everything About Horse Essential Kids'

Every parent hopes to experience the thrill of seeing a child discover an activity she loves, and then watching as that interest unfolds into a lifelong passion. But when a child adores horses above all, these joys are often dampened by anxiety, especially when the parent knows little about riding. The questions can be overwhelming: How does one begin to find a qualified riding instructor? Just how expensive is this hobby? And -- most important -- will my child be safe? Parents searching for answers will find relief in A Parent's Guide to Riding Lessons, by Elise Gaston Chand. A former horse-crazy child born to horse-clueless parents, Chand is today both an accomplished horsewoman and the mother of a horse-crazy daughter. Her vantage point allows her to get to the heart of parents' concerns, then offer the information, instruction, and peace of mind that they desperately need. With its engaging "been there" voice, A Parent's Guide to Riding Lessons combines the instant appeal of an impulse purchase with the practicality and depth of content of a thorough guide. Parents will snap up the book for its clear, reassuring voice, then refer back to it often for its quality answers and information. A Parent's Guide to Riding Lessons gives busy parents an overview of horseback riding and lesson progression. It translates the strange language of horse enthusiasts, explains horse show etiquette, and addresses specific ways that parents can help children stay safe in and out of the barn. Along the way it offers practical advice, tips, and step-by-step guidance through an

array of challenges that parents can expect to face.

Horse is a mammal, found residing in almost all the parts of the world. A beautiful animal, it belongs to the Mammalia class and has the binomial (scientific) name of Equus Caballus. Not only are horses graceful, but also very athletic and highly energetic. They have been used for domestic chores since ages and have formed a very warm bond with human beings. Horses have also been eulogized in religion, mythology, and art and have played a very important role in transportation, agriculture and warfare in the past. In this article, we have provided some fun facts and interesting information on horses. The relationship of the horse to humans has been unique. The horse is a partner and friend. It has plowed fields and brought in the harvest, hauled goods and conveyed passengers, followed game and tracked cattle, and carried combatants into battle and adventurers to unknown lands. It has provided recreation in the form of jousts, tournaments, carousels, and the sport of riding. The influence of the horse is expressed in the English language in such terms as chivalry and cavalier, which connote honour, respect, good manners, and straightforwardness. The horse is the "proudest conquest of Man," according to the French zoologist Georges-Louis Leclerc, comte de Buffon. Its place was at its master's side in the graves of the Scythian kings or in the tombs of the pharaohs. Many early human cultures were centred on possession of the horse. Superstition read meaning into the colours of the horse, and a horse's head suspended near a grave or sanctuary or on the gables of a house conferred supernatural powers on the place. Greek mythology created the Centaur, the most obvious symbol of the oneness of horse and rider. White stallions were the supreme sacrifice to the gods, and the Greek general Xenophon recorded that "gods and heroes are depicted on well-trained horses." A beautiful and well-trained horse was, therefore, a status symbol in ancient Greece. Kings, generals, and statesmen, of necessity, had to be horsemen. The names of famous horses are inseparably linked to those of their famous riders: Bucephalus, the charger of Alexander the Great; Incitatus, once believed to have been made a senator by the Roman emperor Caligula (see Researcher's Note); El Morzillo, Hernán Cortés's favourite horse, to whom the Indians erected a

statue; Roan Barbary, the stallion of Richard II, mentioned by Shakespeare; Copenhagen, the duke of Wellington's horse, which was buried with military honours. The horse has occupied a special place in the realm of art. From Stone Age drawings to the marvel of the Parthenon frieze, from Chinese Tang dynasty tomb sculptures to Leonardo da Vinci's sketches and Andrea del Verrocchio's Colleoni, from the Qur'ān to modern literature, the horse has inspired artists of all ages and in all parts of the world.

Answers many questions about horses, including habitat, diet, life cycle, history, speed, famous horses, and types of horses.
