This “one-of-a-kind read” offers insightful essays, poignant life advice, and pithy pearls of wisdom from the comedian and star of HBO’s Insecure (Entertainment Weekly). Anyone who has seen Amanda Seales’s acclaimed stand-up special I Be Knowin, her long-running TV series Insecure, or her groundbreaking gameshow Smart Funny & Black, knows that this woman is a force of nature. In both life and career, she has fearlessly and passionately charted her own course. Now she’s bringing her life’s lessons and laughs to the page with her signature blend of academic intellectualism, Black American colloquialisms, and pop culture fanaticism. This volume of essays, axioms, original illustrations, and photos provides Seales’s trademark “self-help from the hip” style of commentary, fueled by ideology formed from her own victories, struggles, research, mistakes, risks, and pay-offs. Unapologetic, fiercely funny, and searingly honest, Small Doses engages, empowers, and enlightens readers on how to find their truths while still finding the funny!

The project that captured a nation’s imagination. The instructions were simple, but the results were extraordinary. “You are invited to anonymously contribute a secret to a group art project. Your secret can be a regret, fear, betrayal, desire, confession, or childhood humiliation. Reveal anything -- as long as it is true and you have never shared it with anyone before. Be brief. Be legible. Be creative.” It all began with an idea Frank Warren had for a community art project. He began handing out postcards to strangers and leaving them in public places -- asking people to write down a secret they had never told anyone and mail it to him, anonymously. The response was overwhelming. The secrets were both provocative and profound, and the cards themselves were works of art -- carefully and creatively constructed by hand.

Additively compelling, the cards reveal our deepest fears, desires, regrets, and obsessions. Frank calls them “graphic haiku,” beautiful, elegant, and small in structure but powerfully emotional. As Frank began posting the cards on his website, PostSecret took on a life of its own, becoming much more than a simple art project. It has grown into a global phenomenon, exposing our individual aspirations, fantasies, and frailties -- our common humanity. Every day dozens of postcards still make their way to Frank, with postmarks from around the world, touching on every aspect of human experience. This extraordinary collection brings together the most powerful, personal, and beautifully intimate secrets Frank Warren has received -- and brilliantly illuminates that human emotions can be unique and universal at the same time.
