Me and Will
Will and Me. A perfect match. He said he would always be there for me, but it's been a year since he drained his coffee, walked out the front door and vanished. Did he leave me? Or did something terrible happen? I've scared someone finally found out about what happened on the drive home that night. . . . I lie awake at night rereading the internet for rental properties, desperate for an escape. Until I see my husband's gorgeous face smiling back at me from a photograph on the fireplace in someone else's home, and something inside of me snaps. At the house, I find no trace of him and the woman who lives there has no idea who I am. But I'm certain she's hiding something behind the locked door upstairs. I know that if I want answers, I have to say. You might think that what's inside that room is the answer to all my questions and the end of all my pain. But it's only the beginning. . . .
Nail-biting and completely gripping. The Happy Couple will make you question how well you really know the ones you love. Perfect reading for anyone who adored by *The Wife Between Us*, *The Girl on the Train* or *Gone Girl*. Readers are loving *The Happy Couple*.

*"A brilliant, breathless thriller that kept me guessing to the last shocking page – Erin Kelly, Sunday Times bestselling author of *She Said/She Said* A vicious assault. A devastating accusation. Who should she trust, her husband or her best friend? It was supposed to be the perfect reunion: six university friends together again after twenty years. Host Ali finally has the life she always wanted, a career she can be proud of and a wonderful family with her college boyfriend, now husband. But that night her best friend makes an accusation so shocking that nothing will ever be the same again. When Karen staggers in from the garden, bleeding and traumatised, she claims that she has been assaulted – by Ali's husband. . . . a split-second decision: who should she believe? Her terrified husband, or her best friend? With Mike offering a very different version of events, Ali knows one of them is lying – but which? And why? When the ensuing chaos forces her to re-examine the golden era the group shared at university, Ali realises there are darker memories too. Memories that have lain dormant for decades. Memories someone would kill to protect.*

It's their twenty-year school reunion but the Plankett sisters have their own reasons for not wanting to attend . . .
Caroline, now a successful knitwear designer, spends her time flying between her business in England and her lover in Italy. As far as she's concerned, her school days, and what happened to her the year she left, should stay in the past. Eleanor, meanwhile, is unrecognisable from the fun-loving girl she was in school. With a son who is barely speaking to her, and a husband keeping a secret from her, revisiting the past is the last thing on her mind. But when an unexpected letter arrives for Caroline in the weeks before the reunion, memories are stirred. Will the sisters find the courage to return to the town where they grew up and face what they've been running from for all these years?
The Reunion is a moving story about secrets, knives and finding a way to open your heart.

In boyhood, Louis Zamperini was an incorrigible delinquent. As a teenager, he channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics. But when World War II began, the athlete became an airman, embarking on a journey that led to a doomed flight on a May afternoon in 1943. When his Army Air Forces bomber crashed into the Pacific Ocean, against all odds, Zamperini survived, adrift on a foundering life raft. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. A USA TODAY Best Book of 2021 Two former best friends return to their college reunion to find that they're being circled by someone who wants revenge for what they did ten years before—and will stop at nothing to get it—in this “propulsive” (Megan Miranda, bestselling author of *The Girl from Widow Hills*) psychological thriller. A lot has changed in years since Ambrosia Wellington graduated from college, and she's worked hard to create a new life for herself. But then an invitation to her ten-year reunion arrives in the mail, along with an anonymous note that reads, “We need to talk about what we did that night.” It seems that the secrets of Ambrosia's past—and the people she thought she'd left there—aren't as buried as she believed. (Amb can start fixating on what she did or who she did it with: larger-than-life Sloane “Sully” Sullivan, Amb's former best friend, who could make anyone do anything. At the reunion, Amb and Sully receive increasingly menacing messages, and it becomes clear that they're being pursued by someone who wants more than just the truth of what happened that first semester. This person wants revenge for what they did and the damage they caused—the extent of which Amb is only now fully understanding. And it was all because of the game they played to get a boy who belonged to someone else and the girl who paid the price. Alternating between the reunion and Amb's freshman year, *The Girls Are All So Nice* Here is a “chilling and twisty thriller” (Book Riot) about the brutal lengths girls can go to get what they think they're owed, and what happens when the games we play in college become matters of life and death.

Red Paint calls itself "the friendliest text in Maine," a place where everyone knows one another and nothing too disturbing ever happens. Native son Simon Howe is a sturdy family man—a good father and husband—and owner-editor of the town's newspaper. Because there's rarely any real news, he runs stories about Virgin Mary sightings, high school reunions, and petty criminals. One day Simon's predictable and peaceful life is disrupted by the arrival of an anonymous postcard, the first in a series of increasingly menacing messages. He tries to ignore them, but the implied danger becomes more real, threatening to engulf his wife and son as well. The Howe family becomes engaged in a full-scale psychological battle with their unidentified stalker—without even knowing it. Secrets from Simon's past are uncovered, escalating toward a tense and unexpected climax. More than a conventional mystery or thriller, *Reunion* at Red Paint Bay is an exploration of the consequences of guilt, denial, and moral absolutism. A mesmerizing new thriller from the author of *Until You're Mine* Two years after a terrifying spate of teenage suicides, the remote village of Radocote has just begun to heal. Then a young man is killed in a freak motorcycle accident and a suicide note is found among his belongings. When a second boy is found dead shortly thereafter, the nightmare of repeat suicides once again threatens the community. Desperate for a vacation, Detective Inspector Lorraine Fisher has just come to Radocote for a stay with her sister, Jo, but the atmosphere of the country house is unusually tense. Freddie, Jo's son, seems troubled and uncommunicative, and Jo is struggling to reach out to him. Meanwhile, Lorraine becomes determined to discover the truth behind these deaths. Are they suicides, or is there something more sinister at work? Finding answers might help Freddie, but they'll also lead to a shocking truth: whatever it is--or whoever it is--that's killing these young people is far more disturbing than she ever could have imagined, and unraveling the secret is just as dangerous as the secret itself. Wicked, intense, and utterly compulsive. What You Left Behind confirms Samantha Hayes as a top thriller writer.

In this propulsive locked-room thriller debut, a reunion weekend in the French Alps turns deadly when five friends discover that someone has deliberately stranded them at their remote mountaintop resort during a snowstorm. When Milia accepts an off-season invitation to Le Rocher, a cozy ski resort in the French Alps, she's expecting an intimate weekend of catching up with four old friends. It might have been a decade since she saw them last, but she's never forgotten the bond they forged on this very mountain during a winter spent fiercely training for an elite snowboarding competition. Yet no sooner do Milia and the others arrive for the reunion than they realize something is horribly wrong. The resort is deserted. The cable cars that delivered them to the mountaintop have stopped working. Their cell phones--missing. And inside the hotel, detailed instructions await them: an icebreaker game, designed to draw out their secrets. A game meant to remind them of Saskia, the enigmatic sixth member of their group, who vanished the morning of the competition years before and has long been presumed dead. Stranded in the resort, Milia's not sure what's worse: the increasingly sinister things happening around her or the looming snowstorm that's making escape even more impossible. All she knows is that there's no one on the mountain she can trust. Because someone has gathered them there to find out the truth about Saskia...someone who will stop at nothing to get answers. And if Milia's not careful, she could be the next to disappear...

A wedding celebration turns dark and deadly in this deliciously wicked and atmospheric thriller reminiscent of Agatha Christie from the New York Times bestselling author of The Hunting Party. The bride – The plus one – The best man – The wedding planner – The bridesmaid – The body On an island off the coast of Ireland, guests gather to celebrate two people joining their lives together as one. The groom: handsome and charming, a rising television star. The bride: smart and ambitious, a magazine publisher. It's a wedding for a magazine, or for a celebrity; the designer dress, the remote location, the luxury party favors, the boutique whiskey. The cell phone service may be spotty and the waves may be rough, but every detail has been expertly planned and will be expertly executed. But perfection is for plans, and people are all too human. As the champagne is popped and the festivities begin, resentments and petty jealousies begin to mingle with the reminiscences and well wishes. The groomsmen begin the drinking game during their school days. The bridesmaid not-so-accidentally ruins her dress. The bride's oldest (male) friend gives you an uncomfortably caring toast. And then someone turns up dead. Who didn't wish the happy couple well? And perhaps more important, why?

A selection of the best short work by France's greatest living nonfiction writer A *New York Times* Notable Books of 2020 No one writes nonfiction like Emmanuel Carrère. Although he takes cues from such literary heroes as Truman Capote and Janet Malcolm, Carrère has, over the course of his career, reinvented the form in a search for truth in all its guises. Dispensing with the rules of genre, he takes what he needs from every available form or discipline—be it theology, historiography, fiction, reportage, or memoir—and fuses it under the pressure of an inimitable combination of passion, curiosity, intellect, and wit. With an oeuvre unique in world literature for its blend of empathy and playfulness, Carrère stands as one of our most distinctive and important literary voices. *97.196 Words* introduces Carrère's shorter works to an English-language audience. Featuring more than thirty extraordinary essays written over an illustrious twenty-five-year period of Carrère's creative life, this collection shows an exceptional mind at work. Spanning continents, histories, and personal relationships, and treating everything from American heroin addicts to the writing of *In Cold Blood*, from the philosophy of Philip K. Dick to a single haunting sentence in a minor story by H. P. Lovecraft, from Carrère's own botched interview with Catherine Deneuve to the week he spent following the future French president Emmanuel Macron, *97,196 Words* considers the divides between truth, reality, and our shared humanity as it explores remarkable events and eccentric lives, including Carrère's own.

"Ross Gay's eye lands upon wonder at every turn, bolstering my belief in the countless small miracles that surround us."—Tracy K. Smith, Pulitzer Prize winner and U.S. Poet Laureate
The winner of the NBCC Award for Poetry offers up a spirited collection of short lyric essays, written daily over a tumultuous year, reminding us of the purpose and pleasure of praising, extolling, and celebrating ordinary wonders. Ross Gay's *The Book of Delights* *is a genre-defying book of essays—some as short as a paragraph; some as long as five pages—that record the small joys that occurred in one year, from birthday to birthday, and that we often overlook in our busy lives. His is a meditation on delight that takes a clear-eyed view of the complexities, even the terrors, in his life, including living in America as a black man; the ecological and psychic violence of our consumer culture; the loss of those he loves. Among Gay's funny, poetic, philosophical delights: the way Botan Rice Candy wrappers melt in your mouth, the volunteer crossing guard with a pronounced tremor whom he imagines as a kind of boat-woman escorting pedestrians across the River Styx, a friend's unabashed use of air quotes, pickup basketball games, the silent nod of acknowledgment between black people. And more than any other subject, Gay celebrates the beauty of the natural world—his garden, the flowers in the sidewalk, the birds, the bees, the mushrooms, the trees. This is not a book of how-to or inspiration, though it could be read that way. Fans of Roxane Gay, Maggie Nelson, and Kiese Laymon will revel in Gay's voice, and his insights. The Book of Delights is about our connection to the world, to each other, and the rewards that come from a life closely observed. Gay's pieces serve as a powerful and necessary reminder that we can, and should, stake out a space in our lives for delight.*

"[A] mordant debut novel...examines what it means to covet the lives of others, no matter the cost."—*The New York Times*
Tense, twisty, and packed with shocks. —Riley Sager, *New York Times* bestselling author of *Survive The Night*
*Six friends. One unsolved murder. Ten years after graduation, Jessica Miller has planned her triumphant return to her southern, elite Duquette University, down to the envious whispers that are sure to follow in her wake. Everyone is going to see the girl she wants them to see—confident, beautiful, indifferent. Not the girl she was when she left campus, back when Heather Shelby's murder fractured everything, including the tight bond linking the six friends she'd been closest to since freshman year. But not everyone is ready to move on. Not everyone let Duquette ten years ago, and not everyone can let Heather's murder go unsolved. Someone is determined to trap the real killer, to make the guilty pay. It will take a long time to keep hidden. Told in racing dual timelines, with a dark campus setting and a darker look at friendship, love, obsession, and ambition, *In My Dreams I Hold a Knife* is an addictive, propulsive read you won't be able to put down. Beautiful writing, juicy secrets, complex female characters, and dreambeat suspense—what more could you want from a debut thriller?—Andrea Barz, author of *Reese's Book Club*

You can always trust your closest friends. Can't you? This trip was a chance to reconnect away from our busy lives. The five of us used to be so close—going right back to our college days, when we shared a rickety house and all our favorite clothes, as well as every high and low of our lives—but that was then. Now, the thought of three days in a small cabin far from anywhere, surrounded only by water and trees, with my four oldest friends makes my stomach sink and my hands sweat. Because if they knew what I'd done—the betrayals I've committed—they'd never forgive me. And neither would you. The straight-A student, the sports star with a bright future ahead of her, the sheltered girl who blossomed away from her family and the hippie child who was going to save the world. Their lives have turned out so differently to how we pictured all those years ago. I try not to think about why. But then danger strikes, and too late I realize I'm not the only one keeping secrets. And I wonder: who will my furthest lie keep the truth hidden? Gripping, addictive and totally unputdownable, Her Best Friend's Lie will have you reading late into the night. Perfect for fans of The Girl on the Train, The Woman in the Window and Big Little Lies. In exiled Iranian author Javad Djavahery's captivating English debut, a youthful betrayal during a summer on the Caspian sea has far-reaching consequences for a group of friends as their lives are irrevocably altered by the Revolution. For our unnamed confessor, the summer months spent on the Caspian Sea during the 1970s are a magically transformative experience. There, he is not the [poor relative from the North.] but a welcome guest at his wealthy cousin Nilou's home and the gatekeeper of her affections. He revels in the power of orchestrating the attentions of her many admirers, granting and denying access to her would-be lovers. But in a moment of jealousy and youthful bravado, he betrays and humiliates an unlikely suitor, setting into motion a series of events that will have drastic repercussions for all of them as the country is forever transformed by the Iranian Revolution a few short years later. Over the next twenty years, the lingering effects of that betrayal set the friends on radically different paths in the wake of political, religious, and cultural upheaval. Their surprising final reunion reveals the consequences of revenge and self-preservation as they each must decide whether and how to forget the past. Urgent and gorgeously written, My Part of Her captures the innocence of youth, the folly of love, and the capriciousness of fate as these friends find themselves on opposing sides of the seismic rifts of history.
