Guide to Working and Healing with Divinities and Deities. Archangels and Ascended Masters is a thoroughly researched book in a lively encyclopedia format, listing 77 divinities from Greek, Roman, Egyptian, Asian, Babylonian, Tibetan, Buddhist, Celtic, Theosophical, New Age, Catholic, Cabalistic, Jewish, and Christian roots. Doreen Virtue carefully studied and wrote about the history of each of the deities, what role they serve today, how they can help us with specific life problems, and how to call upon each one. Doreen spent time in communication with each divinity to ensure that the being was reachable, and to discover the essence of his or her personality and current dealings with the world - and within these pages, she includes a channeled message or impression from each of the ascended masters and archangels. Many of her channelings were conducted at power points throughout the world, such as Stonehenge in England; the Irish coast; Kona, Hawaii; and the New Zealand rain forest. A comprehensive chart lists a number of life situations such as Addictions, Finding a Soulmate, Emergency Money, Healing Physical Illness, and various personal and family concerns.

Beneath each topic is a list of whom to call upon when dealing with that particular challenge. Doreen also includes prayers to help you call upon multiple divinities for specific issues such as "Increased clairvoyance" and "resolving conflict."

Bestselling author, Doreen Virtue, brings you this enlightening book on connecting with your inner calling; recognition of your higher purpose; and spiritual power for healing. Doreen describes her innate spiritual gifts, such as psychic communication and spiritual healing abilities. She tells us how we all have these innate gifts, and provides The Lightworker's Way as a guidebook on how to bring these abilities to fruition. The Lightworker's Way will help you to set your spirit free, teaching you how to have miracles in your life as an everyday experience. ***Dr. Doreen Virtue's life changed dramatically when angels miraculously warned her and then intervened during a carjacking. After her angelic encounter, Doreen began asking the angels for additional guidance. They answered her requests with very clear and loving words. She writes of how the angelic guidance affected her work as a psychotherapist: "I began helping my counselling clients to hear their own angels. Very quickly, I discovered that the healing power of the angels exceeds any form of 'man-made' therapy I had ever witnessed. The angels have wonderful gifts from God to impart to us." In Angel Therapy, Doreen delivers The Angelic Realm's messages of comfort and guidance that can help you with troubling emotions such as depression, boredom, confusion, and anger; and issues associated with careers, relationships, parenting, and much more.***

***This new edition of Animal Behavior maintains the organizational structure of previous editions, but has been completely rewritten with coverage of much recent work in animal behaviour, resulting in a thoroughly up-to-date text. Notable is the inclusion, for the first time, of discussion questions embedded in the text itself, rather than appended to the end of each chapter. This format is designed to encourage students to reflect on the material they have just digested while also making it easier for instructors to promote a problem-solving approach to the subject. Like previous editions, the book shows how evolutionary biologists analyze all aspects of behaviour. It is distinguished by its balanced treatment of both the underlying mechanisms and evolutionary causes of behaviour, and stresses the utility of evolutionary theory in unifying the different behavioural disciplines. The writing style is clear and engaging: beginning students have no difficulty following the material, despite the strong conceptual orientation of the text.***

***Indeed, instructors consistently report a high level of enthusiasm for the book on the part of their students.***

Pay Dirt Road is the mesmerizing debut from the 2019 Tony Hillerman Prize recipient Samantha Jayne Allen. Annie McIntyre has a love/hate relationship with Garnett, Texas. Recently graduated from college and home waitressing, lacking not in ambition but certainly in direction, Annie is lured into the family business—a private investigation firm—by her supposed-to-be-retired grandfather, Leroy, despite the rest of the clan's misgivings. When a waitress at the café goes missing, Annie and Leroy begin an investigation that leads them down rural routes and haunted byways, to noxious-smelling oil fields and to the glowing neon of local honky-tonks. As Annie works to uncover the truth she finds herself identifying with the victim in increasing, unsettling ways, and realizes she must confront her own past—failed romances, a disturbing experience she'd rather forget, and the trick mirror of nostalgia itself—if she wants to survive this homecoming.*
