Authentic Examination Papers from Cambridge English Language Assessment Tests

This volume brings together a set of ten IELTS-related research studies - four on Speaking and six on Writing - conducted between 1995 and 2001. The ten studies were funded under the auspices of the British Council/IELTS Australia Joint-funded Research Program which promotes research activity among IELTS test stakeholders around the world. Findings from the studies provided valuable evidence on the validity, reliability, impact and practicality of the IELTS test; they were also instrumental in highlighting aspects needing attention, and so directly informed the revised design and implementation of the IELTS Speaking and Writing Modules introduced in 2001 and 2005. The volume reviews and comments on the specific contribution of each study to the ongoing process of IELTS speaking and writing test development; it also evaluates the range of research methodologies used in the projects and discusses their usefulness for researchers working in the broader field of performance assessment. Kaplan's IELTS Prep Plus 2021-2022 provides in-depth review, test-taking strategies, and exam-like practice for all four tests on the Academic and General Training IELTS exams. Our comprehensive guide includes audio tracks to help you practice your listening skills, videos of

mock interviews so that you can see performance at different score bands, and personalized, data-driven score reports to help you focus your study. The Best Review Eight full-length practice tests: six Academic IELTS and two General Training IELTS so you can prepare for both versions of the test Practice questions with detailed answer explanations In-depth review of the content and abilities tested on each section of the test, along with Kaplan's proven methods and skill-building strategies CD with audio tracks for test-like Listening practice Exclusive interactive online centre with score reports, mock interviews, and audio tracks Content is updated and revised so you have the most up-to-date test information Expert Guidance We know the test: the Kaplan team ensures our practice questions and study materials are true to the exam Our books and practice questions are written by experts who know students—every explanation is written to help you learn We invented test prep—Kaplan (www.kaptest.com) has been helping students for 80 years, and our proven strategies have helped legions of students achieve their dreams Each year, hundreds of thousands of people in over 140 countries worldwide take the IELTS exam in order to demonstrate English-language proficiency. The exam, which tests listening, reading, writing, and speaking skills, is used for entrance into universities, nonacademic business settings, and as a part of immigration

applications for permanent residence or citizenship in several English-speaking countries. The IELTS is an approved English-language test for U.S. and UK naturalization and visa applications.

An IELTS preparation course in two levels, Intermediate for students needing a band 5.0 - 6.0, Advanced for students aiming for Band 6.0 - 7.0.

IELTS Speaking Test Practice - IELTS Speaking Exam Preparation & Language Practice for the Academic Purposes and General Training Modules by IELTS Success Associates contains 16 IELTS practice speaking tests. This book will help you improve your grammar, language skills, vocabulary and fluency for the IELTS speaking test. IELTS Speaking Test Practice is designed for upper-intermediate to advanced learners of English. This study guide is conveniently organised into 8 parts: PART 1: How to improve your speaking test score The study guide begins with an overview of the IELTS speaking test format. It also provides you with tips and techniques to improve your speaking test score. PART 2: Grammar and sentence construction on the speaking exam You will learn what aspects of grammar and what types of sentence construction examiners are looking for in each part of your interview. PART 3: Using conditional sentences on the IELTS speaking tasks There are exercises teaching you how to use conditional

sentences in order to get a higher score. PART 4: Sample speaking exam 1 Complete speaking exam with the following sections for each of the three IELTS speaking tasks: Overview of each of the tasks, explaining the format and pointing out what is expected of you Tips for preparing for each of the tasks, with in-depth explanations Sample responses for each task with exercises and explanations PART 5: Useful conversational phrases In the next section of the study guide, we provide useful conversational phrases for you to practise for your speaking test. PART 6: Vocabulary improvement There is also a special section on how to improve your vocabulary for the IELTS speaking text. You will study lists of words for the topics most commonly tested on the IELTS speaking exam. PART 7: Three more complete IELTS speaking practice exams with model responses The book then has teacher's comments on each task. There are also exercises that ask you to analyse how the vocabulary, grammar and phrases are used in the sample responses. Each of the three speaking practice exams has three tasks each, just like the real IELTS speaking test. There are twelve speaking tasks, and texts for twelve model responses are provided. PART 8: Twelve additional speaking practice tests The twelve additional speaking tests are on these topics: Culture and Cultural Events Education Environment Family and Friends Food and Nutrition Free Time, Hobbies
