**#1 NATIONAL BESTSELLER** • Two starcrossed magicians engage in a deadly game of cunning in the spellbinding novel that captured the world's imagination. • "Part love story, part fable ... defies both genres and expectations." —The Boston Globe The circus arrives without warning. No announcements precede it. It is simply there, when yesterday it was not. Within the black-and-white striped canvas tents is an utterly unique experience full of breathtaking amazements. It is called Le Cirque des Rêves, and it is only open at night. But behind the scenes, a fierce competition is underway: a duel between two young magicians, Celia and Marco, who have been trained since childhood expressly for this purpose by their mercurial instructors. Unbeknownst to them both, this is a game in which only one can be left standing. Despite the high stakes, Celia and Marco soon tumble headfirst into love, setting off a domino effect of dangerous consequences, and leaving the lives of everyone, from the performers to the patrons, hanging in the balance.

Are you interested in spending some time on your handwriting? Then French ruled paper, or Seyes ruled paper, could be something to help you out. French ruled or **Seyes** paper is the standard lined paper used by students in France, as commonly used as college ruled paper in the USA. Not only useful for French cursive, it is an excellent tool for anyone to learn cursive writing, to improve their handwriting or practice calligraphy using the lines to help get a consistent size. It features an 8mm x 8mm grid, with lighter or thinner horizontal lines spaced 2mm apart inside the main grid. These thin lines help you keep the size and height of your letters consistent. There are also room at the top and bottom of the pages for notes or teacher's comments and a margin on the left marked with a vertical main line. It is a very interesting paper on its own but here are reasons why you should choose our French-ruled notebook: **VERSATILE USE** - Popular for regular writing and note taking, French-ruled has a lot more of uses. Some people use this paper to record lab results, do bookkeeping, create matrices, as well as creating grading rubrics. It can also be used for creating crossword or sudoku puzzles, or maybe even for practicing Chinese or Korean writing. Others use it simply because they love paper with narrow lines. **USEFUL & CONVENIENT** - You can't beat a book like this. It doesn't need batteries, doesn't take you time to log in and you can

take it with you even when commuting. A NOTEBOOK BUILT TO LAST- The sturdy cover is made of tough paperback with strong, secure professional trade binding so the pages won't fall out after a few months of use. WELL-CRAFTED INTERIOR- A good writing paper does not bleed. We used only thick, white paper to avoid ink bleed-through. Each page is printed with black, thick lines and three thin lines in between each. PERFECT SIZE- With its 8.5" x 11" dimensions, almost the same width as A4 but shorter in height, you can squeeze it into a bag with ease. It's the perfect size- easy to carry! COOL COVERS!- To top it all, we have an array of cover designs for you to choose from. Get inspired by our collection of truly creative book covers. We stand for quality and aim to provide the best writing experience with our notebooks. Get this notebook, not only for practicing penmanship and writing in general but also for basic graphing, logging, data keeping and many more. Think outside the lines and give it a try to see why so many people love it!

**From the New York Times bestselling author of *The Night Circus*, a timeless love story set in a secret underground world—a place of pirates, painters, lovers, liars, and ships that sail upon a starless sea. Zachary Ezra Rawlins is a graduate student in Vermont when he discovers a mysterious book hidden in the stacks. As he turns the pages, entranced by tales of lovelorn prisoners, key collectors, and nameless acolytes, he reads something strange: a story from his own childhood. Bewildered by this inexplicable book and desperate to make sense of how his own life came to be recorded, Zachary uncovers a series of clues—a bee, a key, and a sword—that lead him to a masquerade party in New York, to a secret club, and through a doorway to an ancient library hidden far below the surface of the earth. What Zachary finds in this curious place is more than just a buried home for books and their guardians—it is a place of lost cities and seas, lovers who pass notes under doors and across time, and of stories whispered by the dead. Zachary learns of those who have sacrificed much to protect this realm, relinquishing their sight and**

*their tongues to preserve this archive, and also of those who are intent on its destruction. Together with Mirabel, a fierce, pink-haired protector of the place, and Dorian, a handsome, barefoot man with shifting alliances, Zachary travels the twisting tunnels, darkened stairwells, crowded ballrooms, and sweetly soaked shores of this magical world, discovering his purpose—in both the mysterious book and in his own life.*
