Darkly comic and clearly tragic, these seventeen short stories of strange fiction will take you to the twisted landscapes of shadowed imagination. Dead animals purposely thrown in a neighbor's yard; a shiftless hitchhiker stalked by the "Ice Cube Killer;" two scientists who discover a new color and an even greater mystery; a writer doomed to tell stories that no one will ever read. Sometimes haunting, sometimes hopeful, these unique

tales run the human soul through the ever-changing faces of death and futility. And who knows what else? Set in the fictional town of Castle Rock, Maine A #1 New York Times bestseller about a man who wakes up from a five-year coma able to see people's futures and the terrible fate awaiting mankind—a “compulsive page-turner” (The Atlanta Journal-Constitution). Johnny Smith awakens from a five-year coma after his car accident and discovers that he can see people's futures and pasts when he touches them. Many consider his talent a gift; Johnny feels cursed. His fiancée married another man during his coma and people clamor for him to solve their problems. When Johnny has a disturbing vision after he

shakes the hand of an ambitious and amoral politician, he must decide if he should take drastic action to change the future. With “powerful tension that holds the reader to the story like a pin to a magnet” (The Houston Post), The Dead Zone is a “faultlessly paced...continuously engrossing” (Los Angeles Times) novel of second sight.

death chase in this next thriller in the bestselling mystery series by Edgar Award nominee Paul Doiron, *Dead by Dawn*. Mike Bowditch is fighting for his life. After being ambushed on a dark winter road, his Jeep crashes into a frozen river. Trapped beneath the ice in the middle of nowhere, having lost his gun and any way to signal for help, Mike fights his way to the surface. But surviving the crash is only the first challenge. Whoever set the trap that ran him off the road is still out there, and they 're coming for him. Hours earlier, Mike was called to investigate the suspicious drowning of a wealthy professor. Despite the death being ruled an accident, his elegant, eccentric daughter-in-law insists the man was murdered. She suspects his companion that day, a reclusive survivalist and conspiracy theorist who

accompanied the professor on his fateful duck-hunting trip—but what exactly was the nature of their relationship? And was her own sharp-tongued daughter, who inherited the dead man ' s fortune, as close to her grandfather as she claims? The accusations lead Mike to a sinister local family who claim to have information on the crime. But when his Jeep flies into the river and unknown armed assailants on snowmobiles chase him through the wilderness, the investigation turns into a fight for survival. As Mike faces a nightlong battle to stay alive, he must dissect the hours leading up to the ambush and solve two riddles: which one of these people desperately want him dead, and what has he done to incur their wrath?
