If God, Why Evil?

Could there be actual

The Imam, the Divine Guide, is the central point around which the Shi'ite religion turns.

The power of Shi'ism comes from the actions of the Imam. This title is reserved exclusively for the successors of the prophets in their

Get Free Disciples Awana Ym

mission. The author shows that from the beginning of Shi'ite Islam until the tenth century, the Imam was primarily a master of knowledge with supernatural powers, not a jurist theologian. The Imam is the threshold through which God and the creatures communicate. He is thus a cosmic necessity, the

Get Free Disciples Awana Ym

key and the center of the universal economy of the sacred. The author presents Shi'ism as a religion founded on double dimensions where the role of the leader remains constantly central: perpetual initiation into divine secrets and continued confrontation with anti-initiation forces. Without

Get Free Disciples Awana Ym

esotericism, exotericism loses its meaning. Early Imamism is an esoteric doctrine. Historically, then, at the beginning of esotericism in Islam, we find an initiatory, mystical, and occultist doctrine. This is the first book to systematically explore the immense literature attributed to the Imams themselves in order to recover the

Get Free Disciples Awana Ym

authentic original vision. It restores an essential source of esotericism in the world of Islam.

Readers will gain even more appreciation for their Bible when they see how God directed its development, from the original authors through today's translations.

Of all the teachings of

easily the most

that in recent years

the church has been quietly tucking it away. Rarely mentioned anymore in the pulpit, it has faded through disuse among evangelicals and been attacked by liberal theologians. Hell is no longer only the target of those outside the church. Today, a disturbing number of professing

Get Free Disciples Awana Ym

Christians question it as well. Perhaps more than at any other time in history, hell is under fire. The implications of the historic view of hell make the popular alternatives, annihilationism and universalism, seem extremely appealing. But the bottom line is still God ' s Word.

Get Free Disciples Awana Ym

What does the Old Testament reveal about hell? What does Paul the apostle have to say, or the book of Revelation? Most important, what does Jesus, the ultimate expression of God ' s love, teach us about God ' s wrath? Upholding the authority of Scripture, the different authors

topic from various
angles. R. Albert

Morgan draws on the
