**Cambridge Primary English is a flexible, endorsed course written specifically to support Cambridge International Examinations' curriculum framework (Stages 1-6). The resources are aimed at first language English learners, encouraging them to actively explore, use and apply their core listening, speaking, reading and writing skills through individual, pair and group work. Engaging activities provide opportunities for differentiated learning and promote creativity and critical thinking. Lively international fiction, non-fiction and poetry texts are the basis for teaching reading and writing skills, including comprehension, grammar, punctuation, phonics, spelling and handwriting. Learners also practise their spoken English to build vocabulary and confidence through class and group discussion. Each stage contains three core components (Learner's Book, Activity Book, and Teacher's Resource Book with accompanying CD-ROM) which are fully integrated and offer a complete solution to teaching Cambridge Primary English. Also available are Phonics Workbooks A and B, providing an essential foundation in phonics skills.**

**Discover Jesus is a 12 week Bible study course for non-Christians and new believers. This is the workbook for the course. The material starts out by focusing people on asking why God created us. Everyone is looking for a sense of meaning or purpose in life, but because we are created, we cannot define that purpose for ourselves. We can only discover our purpose from God Himself. And He only shows us His design through Jesus. In the course we look at the different ways that Jesus reveals the Father and who He created us to be. We discover that we were created through Jesus and for Him. We look at how Jesus died and rose again to free us from our selfishness and sin and to restore us into His image. We look at the awesome wonder of living in the image of God, but also at the cost of following Jesus. If we are to be His disciples we must take up our cross and let Him redefine our lives so that we can live in unity and love with Jesus. Our goal is not just to help people to understand the gospel, but to entice people to enter into a romance with Jesus. We are preparing people to love Jesus with all their hearts. Those who make a decision to follow Jesus at the end of the course will be people who are willing to live fully for Jesus; people who are want to give their lives to loving God and others. The Bible study series spans 12 weeks, depending on the group dynamics. At the end of the course, if people want to continue meeting together to study the word of God then we have more studies and resources available. These can be found online at [www.discoverjesus.today](http://www.discoverjesus.today)**

**NEW YORK TIMES BESTSELLER** The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.  
This course for young students is a success story all over the world, winning praise from both teachers and students alike for its innovative approach that really does work. The Teacher's Book is clear and comprehensive and includes an 'A-Z of Methodology' reference section. Videos and tests are also available for all levels of the course. Levels 1-4 contain around 80 hours of class work depending on the various options used. The Starter Level provides around 40-60 hours of class work. Key Features: \* Enjoyable activities that encourage all students to take part, whatever their level. \* Interesting topics linked to the school curriculum. \* A clearly structured, active approach to grammar. \* The popular 'Parcel of English' scheme.

**Surprise! You've just been laid off from the teaching position in which you have so passionately invested your time, talents and heart for years! What now? Hundreds of thousands of American teachers have been laid off in the last four years as a result of the long term recession that continues to challenge the country's economy. In this book, one of those teachers shares what that experience was like for her, how she coped with unexpected unemployment, and what she learned about finding her way as a teacher without a classroom. Full of not only truthful reflection and encouragement for teachers facing similar situations, this book also offers practical tips for how to handle lay-off and unemployment, and how to prepare yourself as an education professional to expand your career outside your classroom. These are uncertain times, but teachers don't need to feel uncertain about their careers. There IS life as an education professional after lay-off!**
