

Evangelism By Fire

A study guide to help prepare for the impartation of a powerful evangelistic anointing.

What is evangelism? Have you ever asked that question? For most people the word conjures up a great deal of pictures or thoughts that run the ambit of fanatics running the streets with tracts in their hands to the nice little Christian who models their faith through a quiet lifestyle. Is either of these correct? Is the answer somewhere in the middle? Is there a correct answer at all? I believe that there is. This book is designed to walk one through the ministry principles and actions of the greatest evangelist of all times, Jesus Christ. He remains the best example of communicating the good news in a purposeful, personal, progressive, practical, and pervasive manner. The steps to an effective witness are in following pillar principles demonstrated by Jesus. The confidence to be involved in evangelism is tied to following the pillar principles of evangelism. The understanding of what to say, how to say it and when to say it are found in the pillar principles of evangelism demonstrated by Jesus and are explained in this book. If you desire a practical tool to learn more about evangelism and teach others the same then this book is for you.

Knowing God truly, experiencing Him deeply. What would it look like to genuinely love God with our head AND our heart? To have a faith marked by right thinking AND right feeling? To know God deeply AND worship him passionately? Too often, Christians act as though these things are at odds with one another. But what if God intends for us to possess a Christianity that is radically committed to biblical truth, in a way that did not diminish the life of the heart, but actually intensified it? Adam Ramsey invites us to

engage both our minds and our emotions in our walk with God as we gaze at him until our hearts sing. He sums it up like this: "My hope in these following pages is to paint a biblical portrait of what God is actually like, so that we can gaze upon him together until our hearts can ' t help but sing. To behold him in such a way that our daily experience is transformed with a deepened awareness of who it is we pray to, who it is that is with us, and who it is that we are loved by. To let God ' s truth set our hearts on fire." If you yearn for God but desire a clearer biblical picture of this God whom you love, or if you have been walking with God for a while now, but your experience of him has become settled or dry, then this book is for you.

Living a Life of Fire is more than simple facts about an evangelist's life, it is filled with adventures from the heart of Africa, real life dramatic stories of people and places that will leave you on the edge of your seat, and powerful demonstrations of the Holy Spirit working in the here and now. Reinhard Bonnke's life is a model for generations of preachers to come, and his story inspires Christians everywhere to believe for God's maximum.

From a popular evangelist and pastor, this comprehensive guidebook shows how to share the Gospel with greater love and authority by identifying seven types of evangelism.

Walking daily in the power of His Word will make a permanent impact on your faith, your emotions, and your destiny. Daily Fire Devotional is a collection of dynamic devotionals from the powerful writings of evangelist Reinhard Bonnke. With its simple, convenient, easy-to-read format, you can take this book anywhere and plunge in at any point, choosing to read specific indexed selections focused on a particular topic or to read it chronologically as your personal daily Bible reading program. Much more than a daily devotional, this book will to give you a passion for lost souls and motivate you to be a soulwinner. For more than forty years, Robert E. Coleman's bestselling The Master Plan of Evangelism has been the standard in evangelism literature. But what is the theology behind evangelism? And why is it important for Christians to understand? The Heart of the Gospel offers a systematic theology of evangelism that will ground and inform our practice of spreading the Good News. Each chapter covers a major biblical doctrine, explains its various evangelical interpretations, treats misconceptions that adversely affect evangelism, and offers practical applications of the doctrine. Based on decades of classroom teaching, this comprehensive work is aimed at ministry readers interested in evangelism and outreach.

Christians need a compelling way to share their faith that combines the timeless practices of Jesus with timely perspectives about our post-everything era. In a post-Christian, post-modern, post-truth society where Jesus followers aren't often well regarded, modern evangelism methods and efforts are eroding and increasingly ineffective.

Christians often talk more than we listen, confront when we should converse, and demand that people believe before they belong. Author and Executive Director of Alpha US Craig Springer believes that reaching non-Christians is possible, but only if we are willing to shift

our perspectives, abandon ineffective methodologies, and consider the unique cultural moment in which we live. In How to Revive Evangelism, he shares the often-overlooked evangelistic approaches of Jesus himself and demonstrates how returning to these fundamentals are the key to reviving evangelism in the 21st century. Incorporating groundbreaking and often startling data, Springer offers Christians seven shifts in how to share their faith--with friends and family members, neighbors and coworkers--that create greater potential for life change and interest in Jesus.

DIV God uses manpower. We need God's power. God works when we work. Millions of people all over the world have been introduced to Jesus through the ministry of Reinhard Bonnke. In Taking Action he describes how we too can be an extension of God's love to the world by partnering with the Holy Spirit. With a firsthand account of the mighty manifestations of God at work today, Bonnke takes a careful look at what Scripture teaches about the anointing and gifts of the Holy Spirit in general and then explains each of the specific gifts listed by the apostle Paul. Jesus lived, worked, and prayed in the power of the Holy Spirit. In the Gospel of John He says, "He who believes in Me, the works that I do he will do also." With this same anointing, we can live this way as well.

The evangelistic focus of the Southern Baptist Convention has diminished, creating unprecedented challenges. In *Fuel the Fire*, Chuck Kelley intends to start a conversation, urging readers to continue carrying out the work of evangelism.

In the strange, us-versus-them Christian subculture of the 1990s, a person's faith was measured by how many WWJD bracelets she wore and whether he had kissed dating goodbye. Evangelical poster child Addie Zierman wore three bracelets asking what Jesus would do. She also led two Bible studies and listened exclusively to Christian music. She was on fire for God and unaware that the flame was dwindling—until it burned out. Addie chronicles her journey through church culture and first love, and her entrance—unprepared and angry—into marriage. When she drops out of church and very nearly her marriage as well, it is on a sea of tequila and depression. She isn't sure if she'll ever go back. *When We Were on Fire* is a funny, heartbreaking story of untangling oneself from what is expected to arrive at faith that is not bound by tradition or current church fashion. Addie looks for what lasts when nothing else seems worth keeping. It's a story for doubters, cynics, and anyone who has felt alone in church. What will it take to see a fresh wave of God's power crash over the nations? The earth is shaking. The church is suffering from compromise and powerlessness. People are desperate for solutions. The answer will not come from a president; it can only come from a people who know how to bring Heaven to Earth. Could it be that you are the key

Most Christians already know that they should be telling their friends about Jesus. But they have been poorly equipped with methods that are no longer effective in today's post-Christian world. As a result, many people become frustrated, blame themselves, and simply give up. *Evangelism in a Skeptical World* is a textbook on evangelism that is ideal for the church or the classroom to equip Christians with the principles and

skills they need to tell the unbelievable news about Jesus to friends in a skeptical world. Many of the older principles and methods of evangelism in the twentieth century no longer work effectively today. In a post-Christian, post-churched, post-reached world we need new methods to communicate the timeless message of the gospel in culturally relevant ways. Dr. Chan combines the theological and biblical insights of classic evangelistic training with the latest insights from missiology on contextualization, cultural hermeneutics, and storytelling. Every chapter is illustrated with real-world examples drawn from over fifteen years of evangelistic ministry. These are methods that really work - with university students, urban workers, and high school students - getting past the defensive posture that people have toward Christianity so they can seriously consider the claims of Jesus Christ. Field-tested and filled with unique, fresh, and creative insights, this book will equip you to share the gospel in today's world and help as many people as possible hear the good news about Jesus.

In 2001, as Reinhard Bonnke debated whether or not to move his ministry to America, he did something he had never done before: he prayed for a sign to confirm that God truly was calling him to go to America. God was about to answer that prayer. A few days later, a woman brought her husband to the Nigerian church where Bonnke was preaching, in hopes that his partially embalmed body would be raised from the dead after three days in a coffin. Although Bonnke was unaware of this and never even prayed for the man, the woman's husband, lying in the church basement, began to breathe again during the sermon. In front of thousands of witnesses, this man, who still couldn't move because of rigor mortis, was raised back to life. After his message, Bonnke was besieged by a crowd

yelling, "He's breathing! He's breathing!" This incredible miracle, now detailed for the first time, is part of a movement of God, birthed in a small African church and stretching around the world to America. It is the beginning of a work of God that will confirm His word to Bonke: "America shall be saved."

Pastor Jim Cymbala knows from personal experience. Back in the early 1970s his own church, the Brooklyn Tabernacle, was a struggling congregation of twenty. Then they began to pray, God began to move, and street-hardened lives by the hundreds were changed with the love of Christ. Today, they are nearly ten thousand strong. In this twentieth anniversary edition, Cymbala updates the classic stories, including that of his own daughter, Chrissy Cymbala Toledo. He talks about how the church has grown and how God helped the church move from its location on Flatbush Avenue to a larger facility that the growing church couldn't "afford" as God continues to dramatically reshape the life stories of so many people who encounter Christ and the power of the gospel. This message of hope and transformation continues. Also available in Spanish, Fuego vivo, viento fresco.

God's Gift to All Believers Some believe that simply having faith is an entitlement to blessing and prosperity. Others believe that faith in oneself is all that is needed in life. Still others contend that faith is a cosmic force that breeds superhuman, super-spiritual, invincible power. It is none of these. Faith is not something requiring you to believe in what you know is not true, nor is it believing something for which there is no evidence. The Bible—a book all about faith—provides the evidence that makes faith so vital, so important, and so astounding. In *Faith: The Link with God's Power*, international evangelist Reinhard Bonnke draws from his years of personal study and vibrant ministry to reveal that... Faith is like a wiring system that carries power into our lives. Faith itself is not the power, but it links us to the power source. There is no link to God's power without faith. Our belief in what happens tomorrow stems from what we already experienced yesterday. It is not the size of your faith but the size of the God you believe in that

determines the results. Reinhard Bonnke is more qualified than most to shed light on what it means to minister in the power of the Holy Spirit. He and his CfaN team regularly conduct gospel crusades in Africa, where signs and wonders follow the preaching of the gospel. In one six-day crusade, more than 1,600,000 people attended a single service, with 3,450,000 making positive decisions for Christ over the course of the event. Indeed, these are days in which God's people can abound in faith!

Insights into the power and gifts of the Holy Spirit in daily life and ministry.

Deep in the heart of every believer, there is a faint whisper. A call. A prompting. We go about our business and we hear it. We see and interact with lost people each day, and the whisper echoes again: "Share your faith. Tell them about Jesus." But fear, busyness, and lack of tools or motivation silence the whisper.

Another day, another year, another life passes and we haven't told anyone about the best thing that ever happened to us -- the life-changing message of the gospel of Jesus Christ. Modern-day messages of kindness and acceptance deceive us into thinking we never have to open our mouths and actually share the truth with others in love. And yet the whisper is trying to tell you that you have the key to eternity in your possession. Can you hear it? In *Compelled*, Dudley Rutherford shares his earnest desire for each and every believer to be equipped and bold with the good

news of salvation. He encourages you with inspiring stories of men and women, young and old, who have accepted the irresistible call to share Jesus with everyone they meet. And he provides practical methods to overcome your fears and effectively articulate the message of salvation. Allow these pages to strengthen the gentle nudging in your spirit until it's too loud to ignore -- until you are compelled to tell others about the hope you've found.
