**ABOUT BOOK FIVE: Daniel Light and the EXILE OF ARADON** What if the person you came to care for most was the only one who stood between you and what you wanted most? The conquest for the eradication of the Dark has been taken up by the second generation. Daniel's children, and the children of his associates are now embroiled in the great quest to rid the Realms of the Darkness. Daniel's eighteen-year-old daughter, Caelith, is on a quest: to distance herself from the ways of her father. On this quest she meets an outcast, a slightly younger man near her own age, who is magically prevented from going home. Together they form a union and Caelith is slowly turned back to the life, and politics and cause of her father, Daniel Gregoryson: The Prophecy. And also to securing the return of her companion, Evermon, to his homeland. But not before she is called upon to endure the trials that the Dark has in store for her friend and herself. A Kingdom in peril would fall to the youngest of three brothers, as the older Princes are off on quests of their own. The new Queen, the King's second wife, has other plans; promoting the rise of her own, foreign-born son to the Kingship. Unknown to the Queen, the Queen she replaced is being sought for secretly; as is the true identity of the new Queen. There is something not quite right about her. The Princess of Mirador, Daniel's daughter, self-exiled, seeks freedom from her impending royal responsibilities - for she is to be Queen there. Will it be exile for one Prince of Aradon, or will all three face replacement and banishment by an insanely jealous Queen? **ABOUT THE SERIES: THE CHILDREN OF THE ORB** A long time ago on a planet far away there lived The Race of Enchanters, beings of Light. As is ever the situation when Light is present, so, also, is Darkness. These Sorcerors, close kin to the Enchanters, seek to influence and destroy all that had been protected and created by the Light. Other magical beings and creatures inhabit these realms and are torn and divided by this constant battle between Light and Dark; events and prophecies are ignored by the Light, The Dark, and the neutral; allegiances change and shift; power over all being the end result, for some. Then comes word of The Prophecy of Light: a being to come in the median of time to lead the Forces of Light to victory. Thus the stage is set in Colabos for Daniel Light and the Children of the Orb. **STORY NOTES:** The stories of Two Black Birds and The Waters Of Life (Brothers Grimm) loosely provide a basic framework on which to hang this re-imagined tale about The Children Of The Orb, which also alludes to the origin of the stories we know and love on Planet Earth as having possibly come from beyond our own Earthly experience. **FROM LEICESTER BAY BOOKS**

*With a new year come new beginnings. In this case, that new beginning is in General Pujol's love life. The man's petition to marry the eldest daughter of the Gaziel family has arrived on Aura's desk. Ordinarily, such a petition would be summarily refused—a marriage between the central and provincial nobles runs too great a risk of destabilizing the power of the royal family. However, Aura's culpability for the general's bachelorhood means that she cannot dismiss the request so easily. This presents other problems: at least one royal will need to attend, which means Zenjirou will be leaving home once again due to the general's insistence on holding the ceremony in the border march. At the same time, Freya has arrived, and when she hears of the wedding, she asks to attend as Zenjirou's partner. Such an arrangement usually indicates romance between the pair, so her suggestion is effectively a marriage proposal. How will Zenjirou respond?! And what will come of his relationship with Aura?!*

Inspector Wei Chen of Singapore Three's Thirteenth Precinct is “a detective whose beat reaches to the fringes of Heaven and Hell” (Booklist). Along with his demon partner from Hell's vice squad, Zhu Irzh, Chen is the man to turn to for paranormal problems that are literally out of this world. *Snake Agent*: This “entertaining supernatural mystery” introduces an occult detective who is as serious as his beat is strange (Publishers Weekly). With a demon for his beloved wife, Det. Inspector Wei Chen possesses a comfort with the supernatural that most mortals cannot match. But his journey to Hell to find the waylaid ghost of Pearl Tang, the deceased daughter of a wealthy industrialist, will take him further into the abyss than ever before—to a mystifying place where he will need the help of a demonic detective to survive. Getting into Hell is easy. Getting out is another story. “Snake Agent combines disparate elements of Chinese mythology, urban fantasy, science fiction and mystery to create a rich milieu and a highly entertaining story.” —Jacqueline Carey, *New York Times*–bestselling author *The Demon and the City*: In this “wildly imaginative” second novel, demon Zhu Irzh has been assigned to aid the Singapore Three police department as they investigate cases that overlap this world and the world to come (Publishers Weekly). With Detective Inspector Chen on a well-deserved vacation, Zhu Irzh's first murder case involves the savage killing of a rich would-be witch outside of the occult market. Soon he's unearthed a supernatural conspiracy that proves Hell holds no monopoly on evil. Chen just may have to cut his vacation short. “Uniquely imaginative . . . [a] surreal fusion of Chinese mythology, paranormal high jinks, and satisfyingly suspenseful sleuthing.” —Booklist *Precious Dragon*: Chen and Zhu Irzh have been assigned to escort the Heavenly functionary Mi Li Qi on a diplomatic mission to the underworld. Soon after they check in to their hellish hotel, Qi vanishes into the abyss.
