

## *Forbidden Temptation Lee County Wolves Series Book 4*

**THE INSTANT NEW YORK TIMES, USA TODAY, AND WALL STREET JOURNAL BESTSELLER** From New York Times bestselling author Jay Kristoff comes *Empire of the Vampire*, the first illustrated volume of an astonishing new dark fantasy saga. From holy cup comes holy light; The faithful hand sets world aright. And in the Seven Martyrs' sight, Mere man shall end this endless night. It has been twenty-seven long years since the last sunrise. For nearly three decades, vampires have waged war against humanity; building their eternal empire even as they tear down our own. Now, only a few tiny sparks of light endure in a sea of darkness. Gabriel de León is a silversaint: a member of a holy brotherhood dedicated to defending realm and church from the creatures of the night. But even the Silver Order could not stem the tide once daylight failed us, and now, only Gabriel remains. Imprisoned by the very monsters he vowed to destroy, the last silversaint is forced to tell his story. A story of legendary battles and forbidden love, of faith lost and friendships won, of the Wars of the Blood and the Forever King and the quest for humanity's last remaining hope: The Holy Grail.

Becky Adams is living life one day at a time as best she can in a world gone crazy. Maverick Wilder had walked away from the woman he loved above everything. He had no choice. When their worlds collide, will true love heal a broken heart and a life altered beyond repair.

Highly trained VC Warrior, Dr. Slade Buchanan's, role between lifesaver and lifetaker has been a constant battle, but nothing prepared him for half-breed VC Warrior trainee, Jill Nichols. Slade realizes his struggles from the past were nothing compared to the difficulty of resisting the woman who could never belong to a man like him. Being the only female VC Warrior recruit, Jill Nichols, has an uphill battle. Falling for the sexy doctor, Slade Buchanan, has not made the battle any easier, especially when he constantly reminds her and others there will never be anything between them. Working harder than any male recruit, obstacles are thrown in her path, and with each challenge, it becomes clear that the two things she wants most may never be.

The class is theory of price regulation assumed that the regulator knows the firm's costs, the key piece of information that enables regulators to pressure firms to choose appropriate behaviors. The "regulatory problem" was reduced to a mere pricing problem: the regulator's goal was to align price with marginal cost, subject to the constraint that revenues must cover costs. Elegant and important insights ensued. The most important was that regulation was inevitably a struggle to achieve second-best outcomes. (Ramsey pricing was a splendid example. ) Reality proved harsh to regulatory theory. The firm's costs are by no means known to the regulator. At best, the regulator may know how much is currently spent to provide services, but hardly what costs would be if the firm vigorously pursued efficiency. Even if the current cost curve were known to the regulator, technologies change so swiftly that today's costs are a very poor indicator of tomorrow's, and those are the costs that will determine the

**firm's future decisions. With the burgeoning attention to information considerations and game theory in economics, the regulator's problem of eliciting host information about cost has received considerable attention. In most cases, however, it has been in context that are both static and stylized; such analyses rarely capture many of the essential elements of real world regulatory issues. This volume represents a fresh approach. It reflects Glenn Blackmon's twin strengths, a keen analytic mind and important experience in the regulatory arena.**

From NYTs and USA Today Bestselling Author Kym Grosso...a novel in the IMMORTALS OF NEW ORLEANS Ancient vampire, Viktor Christianson, thrived for thousands of years without love. Enjoying the finer things in life, the international playboy embraced the essence of his immortal existence. But after he rescues a beautiful human from a bloodthirsty predator, he discovers she's awakened the humanity he thought he'd long forgotten. Captivated by her unique energy, Viktor vows to protect her and soon realizes she's the key to his future. When art curator Waverly LaFleur first encounters the lethal stranger, her instinct is to run far, far away. Although she's hidden her psychic visions for years, premonitions morph into reality, and she begins to attract dark entities she could never imagine existed. When the debonair vampire saves her life, she cannot deny temptation, spiraling into the seductive ancient's world. From the spicy-hot streets of Miami to New Orleans, Viktor and Waverly embark on a dangerous adventure. While seeking the truth about the evil that's entered their lives, Viktor unearths the dark truth of his lineage, suspecting his nemesis is alive. He must choose wisely or become everything he's always hated. If they survive, will he come to terms with his humanity and bond with a human or leave her forever, abandoning love? ??Immortals of New Orleans??

The VC Warriors are an elite group of vampire who protect innocents, whether human or those of their own race. Jared

Kincaid, along with other Warriors, are shocked when a fiery red head with a gun and attitude, bring news of young teens being turned into an army of half-breed vampires capable of taking out all VC Warriors. Breaking into the famed VC Warriors compound was definitely not the smartest thing Tessa Pride has ever done, but she will do anything for her brother, Adam. The Warriors held the one person she knew was responsible for her brother being turned into a half-breed and nothing will stop her from getting what she needs to help her brother, not even a Warrior whose eyes could make her melt with one look. Jared and Tessa join forces in a desperate scramble to find who is responsible. With a war between Warriors and half-breeds brewing, suspicions of traitors in their midst put the lives of everyone involved on the line.

Pack Rule #1: Never reveal to a human. I broke that rule the day I met the beautiful doctor. I might be a rodeo champ, but one look at her, and I lost my concentration. The bull tossed and gored me, and now the sweet female is on to me. When I healed within hours, she knew something wasn't right. My alpha told me to watch her. Not a problem. I'll watch her all right. Real close. I'll stick to her like superglue. And those human men who want to date her? They'd better step back. Because the doctor is all mine. Whether she knows it yet or not.

Not only does VC leader, Sloan Murphy, have to keep the peace between the human and vampire race, but he also wrangles VC Warriors in his spare time. It's a job that could drive a saint insane, and Sloan is no saint, but insane he may be. While his Warriors find mates, he swears he will not follow in their footsteps. Becky Spencer, his new secretary who he reluctantly employs, is set to threaten every stoic promise he's made. With an instant attraction that is hard to deny, she fits into his world with confident ease. Even though Becky has sworn off men after her nasty divorce, she can't help the desire the sexy and serious Sloan Murphy stirs in her. It isn't until she sees how devoted he is to his job and the Warriors under his command, that her lusty feelings turn into more. Working in close quarters, they both fight the pull that grows with each passing minute. Who will win, the secretary, the Warrior, or an attraction that just won't go away?

*Drowning in debt, the owner of Stone's Wolf Sanctuary, Gemma Stone, is as exhausted as she is determined. Not only does she have to win over frightened, injured wolves daily, but she's tired of those threatening to close her sanctuary down. It's not until Eric Jackson walked into her life that she sees a light at the end of the lonely tunnel she's been traveling. To the surprise of both, they have more in common than either could have ever imagined.*

*Jade Wilder finds herself standing in the office of Elite Crime Unit because pixies are after her brother. Yes, you heard right. Pixies! Mean, ruthless, evil pixies. Her house has been ransacked, her brother is now missing, and she needs help. As Jade's story unfolds, dark elf and badass, Drake, can't deny the danger she is in or his instant attraction to the beautiful green-eyed human. He appoints himself her protector and soon realizes that walking away from her once the job is done will be next to impossible.*

*In a world where humans are hunted, a woman with a feared name and a score to settle has a hefty price on her head. Meet Karma, the Slayer of Vampires. She has a mission, revenge, and will not let anything or anyone get in her way. Axel "Assassin" Walker's a half-breed, his loyalty lying with the highest bidder. A gun for hire, Assassin has no allegiance to humans or vampires, but his highest pay day is yet to come. All he has to do is kill the one they call the Slayer of Vampires. Karma and Assassin become players in a tangled web of deceit. With the options of fighting each other or joining forces to take out those who've dared make them pawns in their dangerous game, both know the rules are about to change. \*\*\*\*New Cover-Same Story\*\*\*\**

*"YOU BROKE THE RULES, LITTLE HUMAN. I OWN YOU NOW." I am an alpha wolf, one of the youngest in the States. I can pick any she-wolf in the pack for a mate. So why am I sniffing around the sexy human attorney next door? The minute I catch Amber's sweet scent, my wolf wants to claim her. Hanging around is a bad idea, but I don't play by the rules. Amber acts all prim and proper, but she has a secret, too. She may not want her psychic abilities, but they're a gift. I should let her go, but the way she fights me only makes me want her more. When she learns what I am, there's no escape for her. She's in my world, whether she likes it or not. I need her to use her gifts to help recover my missing sister—and I won't take no for an answer. She's mine now. Publisher's Note: Alpha's Danger is a stand-alone book in the Bad Boy Alpha's series. HEA guaranteed, no cheating. This book contains a hot, demanding alpha wolf with a penchant for protecting and dominating his female. If such material offends you, do not buy this book.*

*A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green.*

When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Barbara Kingsolver's acclaimed international bestseller tells the story of an American missionary family in the Congo during a poignant chapter in African history. It spins the tale of the fierce evangelical Baptist, Nathan Price, who takes his wife and four daughters on a missionary journey into the heart of darkness of the Belgian Congo in 1959. They carry with them to Africa all they believe they will need from home, but soon find that all of it - from garden seeds to the King James Bible - is calamitously transformed on African soil. Told from the perspective of the five women, this is a compelling exploration of African history, religion, family, and the many paths to redemption. The Poisonwood Bible was nominated for the Pulitzer Prize in 1999 and was chosen as the best reading group novel ever at the Penguin/Orange Awards. It continues to be read and adored by millions worldwide.

Renowned for his playboy lifestyle and wisecrack remarks, Sid Sinclair knows he is the last pick for the lead investigator of human/half-breed trafficking. Never one to play by the rules, Sid takes his new position seriously, but not without driving the leader of the VC Council and fellow Warrior's crazy. A human with a special gift, Lana Fitzpatrick's life is complicated. When Sid Sinclair charges into her life, her complicated life becomes torturous; his charm and wit draws

her in like no other. Having dealt with alpha men most of her life, she is a match made in heaven for the VC Warrior who thinks he is God's gift to women. As the world of vampires and humans try to coexist, Sid and Lana's lives intertwine. It doesn't take long before the sparks between the two fly and for them to realize they have both finally met their match.

Jax Wheeler has been fighting his own demons for as long as he can remember. One of those demons is from his past, a brother who wants nothing more to see Jax suffer. Working closely with the Cincinnati Branch of the VC Warriors Jax never thought he would find someone who could help him ease his pain, but he was wrong. Having a past of her own, Caroline Fitzpatrick has survived being put into a trance by a madman who wanted to control her sister, a abusive relationship, communicating with the dead, but nothing has prepared her for Jax Wheeler. From the moment she saw him the attraction was immediate, but the attraction was not mutual or was it? The more Jax tries to stay away from Caroline, the more he finds himself at her door, in her life. All he knows is that every minute he spends with the beautiful school teacher, the more danger he puts her in. His brother's vengeance of wanting him to suffer has put Caroline in the line of fire and only Jax can protect her.

Duncan (the Protectors Series) Book #3

Paranormal Activity in the Medieval North

A Biography

Alice Keppel, the married lover of Queen Victoria's eldest son and great-grandmother to Camilla Parker-Bowles, was a key figure in Edwardian society. Hers was the acceptable face of adultery. Discretion was her hallmark. It was her art to be the king's mistress and yet to laud the Royal Family and the institution of marriage. Formidable and manipulative, her attentions to the king brought her wealth, power, and status. Her daughter Violet Trefusis had a long tempestuous affair with the author and aristocrat Vita Sackville-West, during which Vita left her husband and two sons to travel abroad with Violet. It was a liaison that threatened the fabric of Violet's social world, and her passion and recalcitrance in pursuit of it pitted her against her mother and society. From memoirs, diaries, and letters, Diana Souhami portrays this fascinating and intense mother/daughter relationship in *Mrs. Keppel and Her Daughter*. Her story of these women, their lovers, and their lovers' mothers, highlights Edwardian - and contemporary - duplicity and double standards and goes to the heart of questions about sexual freedoms.

This book, offered here in its first open-access edition, addresses a wide range of writing activities and genres, from summarizing and responding to sources to writing the research paper and writing about literature. This edition of the book has been adapted from the fifth edition, published in 1995 by Houghton Mifflin. Copyrighted materials—primarily examples within the text—have been removed from this edition.

What do medieval Icelanders mean when they say *ǫtroll*? What did they see when they saw a troll? What did the troll signify to them? And why did they see them? The principal subject of this book is the Norse idea of the troll, which the author uses to engage with the larger topic of paranormal experiences in the medieval North. The texts under study are from 13th-, 14th-, and 15th-century Iceland. The focus of the book is on the ways in which paranormal experiences are related and defined in these texts and how those definitions have framed

and continue to frame scholarly interpretations of the paranormal. The book is partitioned into numerous brief chapters, each with its own theme. In each case the author is not least concerned with how the paranormal functions within medieval society and in the minds of the individuals who encounter and experience it and go on to narrate these experiences through intermediaries. The author connects the paranormal encounter closely with fears and these fears are intertwined with various aspects of the human experience including gender, family ties, and death. The Troll Inside You hovers over the boundaries of scholarship and literature. Its aim is to prick and provoke but above all to challenge its audience to reconsider some of their preconceived ideas about the medieval past.

Human Rights and the Image of God is a critical analysis of the relationship between Christian theology and human rights. Written in a lucid and accessible style, this is an excellent resource for students and academics interested in theology, human rights and the historical background to contemporary ethical debates. The development of the idea of human rights in western society and politics is closely followed, as are the conflicts and debates associated with the idea of human rights. The author surveys the ways in which this development has been closely related to the development of a just war theory.

*focus has turned to finding the woman he loved and let go. Pam Braxton is outgoing and loves her job working with children, but when she realizes her live in boyfriend, Kenny Lawrence, has been using her and her job for his illegal activities, she becomes withdrawn, and her world is turned upside down. Deciding to take matters into her own hands, she stays, trying to learn more of his betrayal so she could see him punished. That decision sucks her deeper into a relationship that has turned dangerous and abusive. Overhearing a plot that would put everyone she cares about at risk, she finds the courage to try to stop the monster who has threatened her friends and the man she truly loves. Now Pam is on the run, alone and with a secret that could change the already unbalanced world of vampires and humans. As Duncan searches for Pam, the threat of losing his leadership role has the other Warriors worried, but their loyalty for Duncan is strong and they stand behind him. Duncan's search is relentless; he knows he is not the only one looking for Pam. Even with his responsibilities slipping, he puts it all on the line to find the only woman he has ever loved. In a race against time, Duncan fights to find Pam before her past catches up to her. The Warrior's path is clear: Find the woman he loves before the past finds her first.*

*Damon DeMasters is a vampire warrior who has taken an oath to not only protect his own kind, but humans as well. Crimson Rush is the new drug and it's their duty to find who is behind the selling of vampire blood and stop it. As a social worker, Nicole Callahan fights for the right of every child placed in her care. There's a war now as vampires have stepped out into the spotlight taking their place in society and the children are at the heart of it all. Damon and his fellow warriors have been ordered by the Vampire Council to train Nicole and her colleagues against the dangers they now face in their new world. Even as sparks fly and tensions mount, Nicole and Damon depend on each other to protect the children of both races.*

*“Dictionary, n: A malevolent literary device for cramping the growth of a language and making it hard and inelastic. This dictionary, however, is a most useful work.” Bierce’s groundbreaking Devil’s Dictionary had a complex publication history. Started in the mid-1800s as an irregular column in Californian newspapers under various titles, he gradually refined the new-at-the-time idea of an irreverent set of glossary-like definitions. The final name, as we see it titled in this work, did not appear until an 1881 column published in the periodical The San Francisco Illustrated Wasp. There were no publications of the complete glossary in the 1800s. Not until 1906 did a portion of Bierce’s collection get published by Doubleday, under the name The Cynic’s Word Book—the publisher not wanting to use the word “Devil” in the title, to the great disappointment of the author. The 1906 word book only went from A to L, however, and the remainder was never released under the compromised title. In 1911 the Devil’s Dictionary as we know it was published in complete form as part of Bierce’s collected works (volume 7 of 12), including the remainder of the definitions from M to Z. It has been republished a number of times, including more recent efforts where older definitions from his columns that never made it into the original book were included. Due to the complex nature of copyright, some of those found definitions have unclear public domain status and were not included. This edition of the book includes, however, a set of definitions attributed to his one-and-only “Demon’s Dictionary” column, including Bierce’s classic definition of A: “the first letter in every properly constructed alphabet.” Bierce enjoyed “quoting” his pseudonyms in his work. Most of the poetry, dramatic scenes and stories in this book attributed to others were self-authored and do not exist outside of this work. This includes the prolific Father Gassalasca Jape, whom he thanks in the preface—“jape” of course having the definition: “a practical joke.” This book is a product of its time and must be approached as such. Many of the definitions*

***hold up well today, but some might be considered less palatable by modern readers. Regardless, the book's humorous style is a valuable snapshot of American culture from past centuries. This book is part of the Standard Ebooks project, which produces free public domain ebooks.***

*The first step into the thrilling middlegrade fantasy world of The Shamer Chronicles Dina has unwillingly inherited her mother's gift: the ability to elicit shamed confessions simply by looking into someone's eyes. To Dina, however, these powers are not a gift but a curse. Surrounded by fear and hostility, she longs for simple friendship. But when her mother is called to Dunark Castle to uncover the truth about a bloody triple murder, Dina must come to terms with her power - or let her mother fall prey to the vicious and revolting dragons of Dunark.*

*Most think that newest VC Warrior, Ronan McDonald, is just a laid-back cowboy. What they don't see is the inner turmoil that only his small ranch and horses can tame. At least that is until a witch with a beauty none could deny walks into his life. Running has been Kira Grail's life for as long as she can remember. It isn't until she meets a VC Warrior that she realizes she's grown weary, but the forces chasing her will never bend. Ronan doesn't believe in magic or curses.*

*What he does believe is that only he can keep Kira safe. Together, they fight to bring the once powerful warlock, Orjyll, to his knees, releasing the women of the Dragonfly Coven. During their perilous journey, Kira vows to keep her distance, but the vampire cowboy has other plans.*

*Taking on new recruits has always been tricky business for Dell Farris, head protector of the Lee County Wolves. Add in the knowledge that his mate is one of them makes things even more complicated. He knows she has demons to fight, but he's determined to take charge of that battle. Nothing and no one will ever hurt her again. Roslyn "Ross" Starr has secrets that she plans to take to the grave. But fearing putting innocents in danger, she makes a decision that could end everything. In a split second, Ross's life changes, and all because of a handsome shifter who makes her want to try for the life she deserves. As Dell unlocks the secrets of Roslyn's past it is clear to all but him that she is a forbidden temptation.*

*Charger O'Neil knows nothing but chaos. As a Dark Guardian dealing with the underworld, mayhem is to be expected. Not only is it part of the job but also his life. With his team falling apart, Charger has an important decision to make. Stay or get out while he still can. Staying means he'll bring down the one person he's ever cared about but walking away means he could lose her forever. At a crossroads, Charger faces options he never saw coming. All his life, he's ridden the line between good and evil. Now, after so many years of the battle, one single decision could change his course, pushing him to the one side he never thought he'd be on.*

***Book 1***

SECTION I In 1972, Donald Davison and Gilbert Hannan wrote in the introduction to the volume *Semantics of Natural Language*: "The success of linguistics in treating natural languages as formal syntactic systems has aroused the interest of a number of linguists in a parallel or related development of semantics. For the most part quite independently, many philosophers and logicians have recently been applying formal semantic methods to structures increasingly like natural languages. While differences in training, method and vocabulary tend to veil the fact, philosophers and linguists are converging, it seems, on a common set of

interrelated problems. " Davidson and Harman called for an interdisciplinary dialogue of linguists, philosophers and logicians on the semantics of natural language, and during the last ten years such an enterprise has proved extremely fruitful. Thanks to the cooperative effort in these several fields, the last decade has brought about striking progress in our understanding of the semantics of natural language. This work on semantics has typically paid little attention to psychological aspects of meaning. Thus, psychologists or computer scientists working on artificial intelligence were not invited to join the forces in the influential introduction of Semantics of Natural Language. No doubt it was felt that while psychological aspects of language are important in their own right, they are not relevant to our immediate semantic concerns. In the last few years, several linguists and logicians have come to question the fundamental anti-psychological assumptions underlying their theorizing.

Two Treatises of Government by John Locke. Suggested reading for Randolph High School Summer Reading.

An erotic paranormal romance... Dimitri LeBlanc, sexy and charismatic beta of Acadian Wolves, survives a brutal attack after his wolf succumbs to a dark force, threatening his very existence. Waking up, tied to a bed, his amusement transforms into lust as a beautiful stranger heals his beast. Intrigued by his mysterious savior, the tables quickly turn, when in the heat of a dark desert night, he rescues her from a barbaric Alpha. Dimitri is inexplicably drawn to the alluring woman, and the discovery that she's his mate rouses his hunger to claim her as his own. Gillian Michel, a New York City photographer, conceals a secret hybrid past and mystical abilities. An entire lifetime, she's deliberately avoided wolves, but a seductive encounter with an irresistible beta leaves her craving his touch, his lips on hers. Passion ignites her desire, leaving her yearning to submit to the powerful wolf who tests her limits. Deep in the heart of New Orleans, Dimitri and Gillian seek a cure to the parasite maligning his mighty beast. Still on the run from a malevolent force, they lure their enemy into the bayou. Will Gillian sacrifice her gifts to save the man she loves, destroying her own immortality? And will Dimitri eradicate the evil that has invaded his soul while protecting his mate from an adversary who threatens to kill them both?

"On the run since the murder of her parents, time has come for Leda Kingsman to take her rightful place as pack leader. First she needs to fight for what was stolen from her and her little brother, Sam. A shifter without a pack, Taz Whelan worked his way into the Lee County Wolves as a tracker. Always the loner, Taz never found anyone he wanted to spend more than five minutes with. That's until stubborn Leda entered his world. As Leda leaves the Lee County Wolves under false pretenses, Taz lets her go, a decision that haunts him. When he discovers the true reason and what she has been keeping from them all, nothing will stand in his way as he searches for her before the forbidden secrets she holds takes her from him forever."--Provided by publisher.

The Shamer's Daughter

***This revised, updated edition provides a comprehensive and rigorous description of the application of Hamilton's principle to continuous media. To introduce terminology and initial concepts, it begins with what is called the first problem of the calculus of variations. For both historical and pedagogical reasons, it first discusses the application of the principle to systems of particles, including conservative and non-conservative systems and systems with constraints. The foundations of mechanics of continua are introduced***

*in the context of inner product spaces. With this basis, the application of Hamilton's principle to the classical theories of fluid and solid mechanics are covered. Then recent developments are described, including materials with microstructure, mixtures, and continua with singular surfaces.*

*From the moment Marcus Foster saw Roxy Patel, he knew she was his mate. Remaining patient because of her troubled past, he was determined to build her trust. She was his and nothing would change that, not even time. Leaving her past behind, Roxy refused to remain a broken shell of a woman. Determined to start afresh, moving to a new town was just what she needed. With the help of her new friends, and a wolf shifter wanting to make her his own, all Roxy needed was the chance to thrive again.*

*Julie Daniels has committed her life to teaching the blind. Cowboy, Clay Marshall, turns to her for help. As their worlds collide Clay and Julie find that they have to rely on blind faith.*

*Steve, the self-proclaimed Invisible Warrior, has not had a typical life. Trained by the VC Warriors, he still has to prove his worth, but with humor and sheer will, he refuses to give up. In one afternoon, his life changes, as do the lives of three others. Steve Richardson has a serious choice to make between two women and someone who holds his heart like no other.*
