"There went my heart! Bella Andre has taken two people, lost and alone, and made them perfect together. She had my heart beating faster with every touching moment." 5 stars Rory Sullivan, a renowned artisan woodworker, has no plans to fall in love anytime soon. Especially not with Zara Mirren, who shares a converted warehouse space with him in Bar Harbor, Maine. While she is a brilliant maker—the eyeglasses frames she designs are practically works of art—everything else about her drives him bonkers. The way she's always whistling cheesy pop songs off-key. The way her half-drunk cups of coffee litter every available countertop. And especially the way he can't take his eyes off her whenever she enters a room...or stop thinking about her after she leaves. Zara loves everything about her career—designing and manufacturing bright, fun glasses frames fulfills both the creative and technical sides of her brain. The only downside to coming to work is bumping into irritating, far-too-handsome-for-his-own-good Rory Sullivan...even if she secretly enjoys the zingers they throw at each other. On the plus side, thinking up new ways to torment Rory on a daily basis has helped Zara stop dwelling on the fact that her ex-boyfriend cheated on her with her stepsister. But when Zara learns that her ex and her stepsister have just become engaged, she's doubly stunned by Rory's suggestion to go as her pretend boyfriend to their engagement party, in a one-night truce where they'll be a team rather than adversaries. Only, when it turns out that the sparks between them disguise a deeper passion—and bigger emotional connection—than either has ever known, will both Rory and Zara end up losing their hearts to the last person they could have imagined? THERE GOES MY HEART is part of Bella Andre's USA Today and New York Times #1 bestselling series about The Sullivans. While it can easily be read as a stand-alone story, you'll likely enjoy reading the other books too. "Another great read from this author! There Goes My Heart has you laughing out loud at times, but other times you are reaching for the tissues." "I absolutely adored this amazing read! There Goes My Heart was sweet, funny and emotional. The sparks and banter fly, and it is impossible not to feel the intense pull of attraction. A delightful read that gives you all the feels." "I can't get enough of this series! One thing I love about Bella's stories is how sweet, sensual and romantic they are. This series has deep family values, and they love so completely it's hard not to wish you were one of them." "There Goes My Heart was sweet and romantic and hot and sexy and I had a blast reading Rory and Zara's journey to love!" From international bestselling author Zara Cox comes the scorching fourth book in The Mortimers: Wealthy & Wicked series. Photographer Jensen Scott is convinced his subject is just a pampered princess with a cold heart...but this ice queen is prepared to indulge his wildest desires! Graciela Mortimer's reputation precedes her: she's rich, entitled and far too beautiful, exactly like the woman who broke my heart. But here on a snowy Alaskan photoshoot in the wilderness, I'm starting to think she's not what I first thought. In fact, she might just be the wake-up call I need. After Graciela sends away her entourage in favor of an intimate one-on-one shoot with yours truly, a vicious blizzard sweeps through our camp and catches us unprepared. We're forced to retreat to our cabin, with only each other for company. Perhaps Graciela could make me trust again...but will she let me in long enough to thaw her heart? 'I like to win at all costs...' But wanting her could cost him everything. With a multi-billion-pound deal on the line, billionaire playboy Gideon Mortimer can't afford another tabloid scandal. Now he's committed to a chastity contract, being on the same yacht as Leonie Branson — temptation personified — is pure, unadulterated torture. But relinquishing control of their thrilling sexual chemistry to tenacious Leonie feels tantalisingly worth the risk — to his reputation and his well-protected heart.

The Hidden World of Fast Fashion and Second-Hand Clothes

‘ An interesting and important account. ’ Daily Telegraph Have you ever stopped and wondered where your jeans came from? Who made them and where? Ever wondered where they end up after you donate them for recycling? Following a pair of jeans, Clothing Poverty takes the reader on a vivid around-the-world tour to reveal how clothes are manufactured and retailed, bringing to light how fast fashion and clothing recycling are interconnected. Andrew Brooks shows how recycled clothes are traded across continents, uncovers how retailers and international charities are embroiled in commodity chains which perpetuate poverty, and exposes the hidden trade networks which transect the globe. Stitching together rich narratives, from Mozambican markets, Nigerian smugglers and Chinese factories to London ’ s vintage clothing scene, TOMS shoes and Vivienne Westwood ’ s ethical fashion lines, Brooks uncovers the many hidden sides of fashion.

From the acclaimed author of *Best Intentions* and *Waiting to Surface* comes a “ taut and disturbing ” (The New York Times) psychological thriller about a television news anchor whose idyllic life is shattered when her shadowed past comes back to haunt her. Laura Barrett has it all—a supportive husband, a beautiful baby daughter, and a career in television that has made her face familiar to millions. But there ’ s a shadow over Laura ’ s happiness. And when a man approaches her after she leaves work and calls her “ Marta, ” Laura knows that what she ’ s feared for so long has finally arrived. The postcard with the coffin on it confirms that her idyll is over. Marta was a teenager, growing up on the wrong side of the tracks, when she did something terrible one night in a run-down motel, and she ’ s been running from it ever since. For twenty years, Laura has been trying to erase Marta from her memory. Now a man from her past is confronting her, demanding answers. At first, Laura thinks she can control the situation. But suddenly, she ’ s facing every mother ’ s nightmare: her daughter is kidnapped. To get her baby back, Laura ’ s going to have to risk her marriage, her career, and her life, and finally face up to what happened that night so long ago. Gripping and suspenseful, *The Last Good Night* “ ratchets up the tension and fully involves the reader in her heroine ’ s harrowing ordeal ” (Publishers Weekly).

An indecent proposal turns bitter enemies into insatiable lovers in internationally bestselling author Zara Cox's sizzling-hot finale to The Mortimers: Wealthy & Wicked series! Model-turned-marketing-executive Wren Bingham is the most sensual woman I've ever seen—and my sworn enemy. I've wanted the green-eyed beauty since the first time she strode into my boardroom, but I've never tasted her...until an outdoor encounter hot enough to warm the frigid London air leaves me craving more. With her CEO brother in rehab and Wren at the reins of Bingham Industries, I need her cooperation on a deal between our two companies. But she's avoiding me—at least when it comes to work. So I make an indecent proposal! For every six hours she works on the deal, I'll give her a mind-blowing orgasm. She should probably be outraged, but instead she insists on another demonstration. Sleeping with the enemy is a forbidden pleasure, and it's not long before we're crossing every sensual boundary. And a ten-day business trip to sun-drenched Morocco brings us even closer. Neither of us is looking for love, but that doesn't stop our growing feelings. Until Wren is forced to make a choice that could shatter my newly awakened heart... Take control. Feel the rush. NYTBR Paperback Row Selection An investigation into the damage wrought by the colossal clothing industry and the grassroots, high-tech, international movement fighting to reform it What should I wear? It's one of the fundamental questions we ask ourselves every day. More than ever, we are told it should be something new. Today, the clothing industry churns out 80 billion garments a year and employs every sixth person on Earth. Historically, the apparel trade has exploited labor, the environment, and intellectual property—and in the last three decades, with the simultaneous unfurling of fast fashion, globalization, and the tech revolution, those abuses have multiplied exponentially, primarily out of view. We are in dire need of an entirely new human-scale model. Bestselling journalist Dana Thomas has traveled the globe to discover the visionary designers and companies who are propelling the industry toward that more positive future by reclaiming traditional craft and launching cutting-edge sustainable technologies to produce better fashion. In Fashionopolis, Thomas sees renewal in a host of developments, including printing 3-D clothes, clean denim processing, smart manufacturing, hyperlocalism, fabric recycling—even lab-grown materials. From small-town makers and Silicon Valley whizzes to such household names as Stella McCartney, Levi's, and Rent the Runway, Thomas highlights the companies big and small that are leading the crusade. We all have been casual about our clothes. It's time to get dressed with intention. Fashionopolis is the first comprehensive look at how to start.

"An exotically filthy, devastatingly beautiful story that will captivate and tease you long after the book is finished." -Audrey Carlan, New York Times bestselling author on Beautiful Liar I'm known as the Black Widow because the desires I hide inside are pure poison. I was a different person once. Faith, a young wife, hoping to become a mother. My life was pleasant. Stable. It was hell. Until Killian Knight opened my eyes to a world of espionage and intrigue. He saw something in me, something I was too afraid to acknowledge. I didn't want to be excited by the danger. Didn't want to crave the wicked passion only he could provide. But I did want, so now I run. And I pay. I never meant to corrupt her, but I'm not sorry. After all, I'm already damned. After four years of searching and longing, I've finally found her. Faith, the one person in the world I breathe for. She lives beneath my skin as surely as I wear proof of our transgressions inked on my body. And like the forbidden fruit that doomed us from the beginning, our end is inevitable. We lived with no regret. We loved without inhibition. We betrayed those closest to us. We killed for that love. Now...we will burn in hell together. Book one of the ultra sexy Knight series from USA Today Best selling Author Kitty French . God, this book is freakin' filthy! Awesome' - Goodreads reviewer. . international bestsellers *Fifty Shades & Bared To You*. Let yourself be swept away by Part One of the Knight series from Kitty French, a romance so hot it'll burn your fingers... CEO of Knight Inc. Lucien Knight is catch-your-breath gorgeous and damaged by his troubled past in Norway. All grown up and relocated to London, he's built his empire of adult clubs from the ground up to become the gorgeous patron saint of the sex industry. No one knows the dark childhood secrets that have given Lucien a backbone of steel and a heart encased in ice. No one until Sophie Black, that is... From the moment girl-next-door Sophie accepts the job as Lucien Knight's PA, she understands how Alice must have felt when she tumbled down the rabbit hole. Lucien takes her safe, vanilla life away and plunges her head first into a huge dish of fantasy flavours. Rich, spicy chocolate covered with dark, oozingly lickable sauce? Check. Tutti-frutti with indecently red, glistening cherries on the top? Yes please. Lucien strips away all of Sophie's inhibitions, and when he instructs her to select three new toys, she soon realises he has more than a game of Monopoly on his mind... He's opened the door to a whole new pleasure packed world without limits, and Sophie is utterly intoxicated. But how far is she willing to go? And what happens when she has to step back into reality again? Lucien & Sophie's is a story of star crossed love and forbidden passion, a sexual odyssey that spans the globe and changes both of their lives forever. Let it change yours, too.

The Book of the Thousand Nights and a Night (Annotated)

Why What We Wear Matters

A Book for a Rainy Day

Marvin Kalb, a former journalist and Harvard professor, traces how the Crimea of Catherine the Great became a global tinder box. The world was stunned when Vladimir Putin invaded and seized Crimea in March 2014. In the weeks that followed, pro-Russian rebels staged uprisings in southeastern Ukraine. The United States and its Western allies immediately imposed strict sanctions on Russia and whenever possible tried to isolate it diplomatically. This sharp deterioration in East-West relations has raised basic questions about Putin's provocative policies and the future of Russia and Ukraine. Marvin Kalb, who wrote commentaries for Edward R. Murrow before becoming CBS News' Moscow bureau chief in the late 1950's, and who also served as a translator and junior press officer at the US Embassy in Moscow, argues that, contrary to conventional wisdom, Putin did not "suddenly" decide to invade Crimea. He had been waiting for the right moment ever since disgruntled Ukrainians rose in revolt against his pro-Russian regime in Kiev's Maidan Square. These demonstrations led Putin to conclude that Ukraine's opposition constituted an existential threat to Russia. Imperial Gamble examines how Putin reached that conclusion by taking a critical look at the recent political history of post-Soviet Russia. It also journeys deep into Russian and Ukrainian history to explain what keeps them together and yet at the same time drives them apart. Kalb believes that the post-cold war world hangs today on the resolution of the Ukraine crisis. So long as it is treated as a problem to be resolved by Russia, on the one side, and the United States and Europe, on the other, it will remain a danger zone with global consequences. The only sensible solution lies in both Russia and

Ukraine recognizing that their futures are irrevocably linked by geography, power, politics, and the history that Kalb brings to life in Imperial Gamble.

Quick-thinking Leviathan pilot Zara Cole must stop a planet-eating monster or lose everyone she loves in the finale of this acclaimed trilogy from New York Times bestselling authors Rachel Caine and Ann Aguirre. Perfect for fans of Illuminae and The Fifth Wave. Space renegade Zara Cole may have finally met her match. Lifekiller—a creature that can devour entire planets—is spreading terror throughout the universe, and it seems nothing can stand in the monstrous godking’s way. Zara’s street smarts may not be enough when their enemy could be anywhere, destroying civilizations and picking his teeth with the bones. With human enemies, alien creatures, and mechanical stalkers on her tail, it’s down to the wire for Zara to save the galaxy—and the people she calls home—before the godking consumes them all.

From author Kia Abdullah, Take It Back is a harrowing and twisting courtroom thriller that keeps you guessing until the last page is turned. One victim. Four accused. Who is telling the truth? Zara Kaleel, one of London's brightest legal minds, shattered the expectations placed on her by her family and forged a brilliant legal career. But her decisions came at a high cost, and now, battling her own demons, she has exchanged her high profile career for a job at a sexual assault center, helping victims who need her the most. Victims like Jodie Wolfe. When Jodie, a sixteen-year-old girl with facial deformities, accuses four boys in her class of an unthinkable crime, the community is torn apart. After all, these four teenage defendants are from hard-working immigrant families and they all have proven alibis. Even Jodie's best friend doesn't believe her. But Zara does—and she is determined to fight for Jodie—to find the truth in the face of public outcry. And as issues of sex, race and social justice collide, the most explosive criminal trial of the year builds to a shocking conclusion.

Sinfully sexy venture capitalist, Noah King - a man with a haunted past and dark cravings - is a short fuse away from being consumed by his needs. When his desires propel him to the Indigo Lounge, there's only one course of action - unleash his innermost hunger or lose his mind.

In a vast and all-embracing study of Africa, from the origins of mankind to the AIDS epidemic, John Iliffe refocuses its history on the peopling of an environmentally hostile continent. Africans have been pioneers struggling against disease and nature, and their social, economic and political institutions have been designed to ensure their survival. In the context of medical progress and other twentieth-century innovations, however, the same institutions have bred the most rapid population growth the world has ever seen. Africans: The History of a Continent is thus a single story binding living Africans to their earliest human ancestors.

“Self-help meets memoir. Party girl meets wise sage. Beauty meets reality. Zara Barrie is the cool older sister you wish you had. The one that lets you borrow her designer dresses and ripped up fishnets, buys you champagne (she loves you too much to let you drink beer), and colors your lips with bright pink lipstick. She'll take you to the coolest parties, and will stick by your side and she guides you through the glitter, pain, danger, laughter, and what it means to be a f*cked up girl in this f*cked up world (both of which are beautiful despite the darkness). Girl, Stop Passing Out in Your Makeup is for the girls that are too much of a beautiful contradiction to be contained. Zara is a gifted writer—one second she'll have you laughing over rich girls agonizing over which Birkin bag to buy, the next second she'll shatter your heart in one sentence

about losing one's innocence. Zara is the nuanced girl she writes for—light, irreverent, snarky, bitchy, funny; and aching, perceptive, deep, flawed, wise, poised, honest—all at once. Perhaps the only thing that can match Zara's unparalleled wit and big sister advice is her candid humor and undeniable talent for the written word. Zara is one of the most prolific and entertaining honest voices on the internet—and her talent is only multiplied in book form. Girl, Stop Passing Out in Your Makeup is for the bad girls, honey.”—Dayna Troisi, Executive Editor, GO Magazine “Reading Zara's writing will make you feel like you're at your cool-as-hell big sister's sleepover party. You will be transfixed by her unflinching honesty and words of wisdom, and she'll successfully convince you to not only ditch the shame you feel about the raw and messy parts of yourself, but to dare to see them as beautiful.”—Alexia LaFata, Editor, New York Magazine “If Cat Marnell and F. Scott Fitzgerald had a literary baby it would be Zara Barrie. She's got Marnell's casual, dark, downright hilarious tone of an irreverent party girl. But then she also has Fitzgerald's talent for making words literally feel like they sparkle on the page. I've always been a fan of Zara's writing but Girl, Stop Passing Out in Your Makeup takes it to the next level. With shimmery words that make her dark stories sparkle, she seamlessly manages to inspire even the most coked-out girl at the party to get her shit together.”—Candice Jalili, Senior Sex & Dating Writer, Elite Daily

The second book in The Mortimers: Wealthy & Wicked series by international bestselling author Zara Cox becomes scandalously sexy when Neve Nolan vows to get even with the ruthless Damian Mortimer in the boardroom...by getting on top in the bedroom! The irresistible Damian Mortimer nearly destroyed me. First, he gave me mind-blowing pleasure in the bedroom—then he tricked me out of a business deal. Now we're both mentors on a TV show for budding entrepreneurs, and I'm not going to let him fool me again. My plan for revenge is simple: sex. The only problem is that Damian is even more devastatingly handsome than I remember. The idea of pleasurable payback excites me, but his body and what he does to me excite me far more. And being close to him has shown me how sensitive and passionate he is. Yes, he hurt me—but he's been on the receiving end of his fair share of pain. I don't know what's in store for me and Damian Mortimer...but I know I'll enjoy finding out! Sexy. Passionate. Bold. Discover Harlequin Dare, a new line of

fun, edgy and sexually explicit romances for the fearless female.

An old flame rekindled . . . Zara Cinders always knew Ham Reece was the one, but he wasn't interested in settling down. When she found someone who was, Ham walked out of her life. Three years later, Zara's lost her business, her marriage, and she's barely getting by in a tiny apartment on the wrong side of the tracks. As soon as Ham hears about Zara's plight, he's on her doorstep offering her a lifeline. Now, it will take every ounce of will power she possesses to resist all that he offers. Ham was always a traveling man, never one to settle down in one town, with one woman, for more time than absolutely necessary. But Ham's faced his own demons, and he's learned a lot. About himself, and about the life he knows he's meant to live. So when he hears that Zara's having a rough time, he wants to be the one to help. In fact, he wants to do more than that for Zara. A lot more. But first, he must prove to Zara that he's a changed man.

Savvy criminal turned skilled Leviathan pilot Zara Cole finds new friends and clashes with bitter enemies in the second book of this action-packed series from New York Times bestselling authors Rachel Caine and Ann Aguirre that 's perfect for fans of The 100 and The Fifth Wave. Zara Cole was a thief back on Earth, but she 's been recently upgraded to intergalactic fugitive. On the run after a bloody battle in a covert war that she never expected to be fighting, Zara, her co-pilot Beatriz, and their Leviathan ship Nadim barely escaped the carnage with their lives. Now Zara and her crew of Honors need a safe haven, far from the creatures who want to annihilate them. But they 'll have to settle for the Sliver: a wild, dangerous warren of alien criminals. The secrets of the Sliver may have the power to turn the tide of the war they left behind—but in the wrong direction. Soon Zara will have to make a choice: run from the ultimate evil—or stand and fight.

The Book of the Thousand Nights and a Night (1885), subtitled A Plain and Literal Translation of the Arabian Nights Entertainments, is a celebrated English language translation of One Thousand and One Nights (the "Arabian Nights") - a collection of Middle Eastern and South Asian stories and folk tales compiled in Arabic during the Islamic Golden Age (8th – 13th centuries) - by the British explorer and Arabist Richard Francis Burton (1821-1890).

Hi, I'm Keshav, and my life is screwed. I hate my job and my girlfriend left me. Ah, the beautiful Zara. Zara is from Kashmir. She is a Muslim. And did I tell you my family is a bit, well, traditional? Anyway, leave that. Zara and I broke up four years ago. She moved on in life. I didn't. I drank every night to forget her. I called, messaged, and stalked her on social media. She just ignored me. However, that night, on the eve of her birthday, Zara messaged me. She called me over, like old times, to her hostel room 105. I shouldn't have gone, but I did... and my life changed forever. This is not a love story. It is an unlove story. From the author of Five Point Someone and 2 States, comes a fast-paced, funny and unputdownable thriller about obsessive love and finding purpose in life against the backdrop of contemporary India.

Welcome back to The Indigo lounge, the scandalously sexy sky-high playground where anything can happen. Dark and sinfully sexy Noah King thought he'd left his past behind in New York. He should have known better. The past isn't done with him yet. Leia Michaels thought she was finally free. Free of the shadows of her past. Free to contemplate a future with Noah. She should have known better. The past isn't done with her either.

Two intrepid girls hunt for a legendary treasure on the deadly high seas in this YA remix of the classic adventure novel Treasure Island. 1826. The sun is setting on the golden age of piracy, and the legendary Dragon Fleet, the scourge of the South China Sea, is no more. Its ruthless leader, a woman known only as the Head of the Dragon, is now only a story, like the ones Xiang has grown up with all her life. She desperately wants to prove her worth, especially to her mother, a shrewd businesswoman who never seems to have enough time for Xiang. Her father is also only a story, dead at sea before Xiang was born. Her single memento of him is a pendant she always wears, a simple but plain piece of gold jewelry. But the pendant's true nature is revealed when a mysterious girl named Anh steals it, only to return it to Xiang in exchange for her help in decoding the tiny map scroll hidden inside. The revelation that Xiang's father sailed with the Dragon Fleet and tucked away this secret changes everything. Rumor has it that the legendary Head of the Dragon had one last treasure—the plunder of a thousand ports—that for decades has only been a myth, a fool's journey. Xiang is convinced this map could lead to the fabled treasure. Captivated with the thrill of adventure, she joins Anh and her motley crew off in pursuit of the island. But the girls soon find that the sea—and especially those who sail it—are far more dangerous than the legends led them to believe.

In a family of cold-hearted black sheep, I, Axel Rutherford, am the blackest. My father has hated me since the day I was born. The feeling was mutual. In the shady underworld that was my legacy, Cleo McCarthy became my light. She was beautiful, passionate, and my whole world. So naturally my father had to destroy us. First he sent me away. Next he claimed Cleo as his own. But now I've returned, and nothing will stop me from taking back everything that is rightfully mine. He was the love of my life - when my life was still my own. We were young enough to believe we would last forever, Axel and I. But neither of us realized how cruel life - and our families - could be. Now I'm trapped in a gilded cage: desired by Axel, who must never know the full truth, and controlled by his father, who would sooner see me dead than free. And I wouldn't even care, except that it's no longer only my life at stake.

THE FIRST PSY/CHANGELING NOVEL from the New York Times bestselling author of Shards of Hope, Shield of Winter, and Heart of Obsidian... The book that Christine Feehan called "a must-read for all of my fans." In a world that denies emotions, where the ruling Psy punish any sign of desire, Sascha Duncan must conceal the feelings that brand her as flawed. To reveal them would be to sentence herself to the horror of "rehabilitation"—the complete psychic erasure of everything she ever was...Both human and animal, Lucas Hunter is a Changeling hungry for the very sensations the Psy disdain. After centuries of uneasy coexistence, these two races are now on the verge of war over the brutal murders of several Changeling women. Lucas is determined to find the Psy killer who butchered his packmate, and Sascha is his ticket into their closely guarded society. But he soon discovers that this ice-cold Psy is very capable of passion—and that the animal in him is fascinated by her. Caught between their conflicting worlds, Lucas and Sascha must remain bound to their identities—or sacrifice everything for a taste of darkest temptation...
