Over 70% of North Americans are (water) closet readers. The Uncle John's Bathroom Readers series is still the best selling book of its kind anywhere in the world. Millions of people have discovered it over the past 25 years, making it one of the publishing industry's longest-running humor series. It's our 16th year running (so to speak) I mean, we're still going (uhh) strong. A light-hearted, easy-to-read collection of facts, quotes, history, science, word-origins, pop culture, gossip, humor . . . and more! Organized by length-"Short" (a quick read), "Medium" (1-3 pages), "Long" (for those visits when something a little more involved is required), and to satisfy every demand, our popular "Extended Sitting Section" (for a leg-numbing experience.) Running feet on every page provide a "book within a book" of weird facts. Partial Table of Contents included.

Driving a Commercial Motor Vehicle (CMV) requires a higher level of knowledge, experience, skills, and physical abilities than that required to drive a non-commercial vehicle. In order to obtain a Commercial Driver's License (CDL), an applicant must pass both skills and knowledge testing geared to these higher standards. Additionally, CDL holders are held to a higher standard when operating any type of motor vehicle on public roads. Serious traffic violations committed by a CDL holder can affect their ability to maintain their CDL certification. This CDL question book includes General Kn?nowledge and Situation. All of our practice commercial driver's license tests are categorized based on the actual test outline and are immediately scored at the end of the quiz. Once you are finished with the quiz, you will be presented with a score report which includes a complete explanation and rationale for every question answered incorrectly.
