Julius Caesar (No Fear Shakespeare)

In the Public Interest

Timeless Shakespeare-designed for the struggling reader and adapted to retain the integrity of the original play. These classic plays retold will grab a student's attention from the first page. Presented in traditional play script format, each title features simplified language, easy-to-read type, and strict adherence to the tone and integrity of the original. Thirty-five reproducible activities per guide reinforce basic reading and comprehension skills while teaching high-order critical thinking. Also included are teaching suggestions, background notes, summaries, and answer keys. The guide is digital; simply print the activities you need for each lesson.

Includes the unabridged text of Shakespeare's classic play plus a complete study guide that features scene-by-scene summaries, explanations and discussions of the plot, question-and-answer sections, author biography, historical background, and more.

Merchant of Venice

A Specimen of a Commentary on Shakspeare

Lepidus

And Other Stories

Julius Caesar

This series features classic Shakespeare retold with graphic color illustrations. Educators using the Dale-Chall vocabulary system adapted each title. Each 64-page, softcover book retains key phrases and quotations from the original play. Research shows that the more students read, the better their vocabulary, their ability to read, and their knowledge of the world. A triumphant Caesar enters Rome after defeating the sons of his old enemy, Pompey. Jealousy and fear over Caesar's reforms reveal a brewing conspiracy to assassinate him. As the plot thickens, Caesar's wife is plagued by terrible nightmares and begs him not to go to the Capitol. But Caesar shrugs off her fears and is accompanied to the Senate by the conspirators thus sealing his fate.

Caesar's loyal friends rally to avenge his death and preserve his legacy.

The Modern Language Review (MLR) is an interdisciplinary journal encompassing the following fields: English (including United States and the Commonwealth), French (including Francophone Africa and Canada), Germanic (including Dutch and Scandinavian), Hispanic (including Latin-American, Portuguese, and Catalan), Italian, Slavonic and East European Studies, and

General Studies (including linguistics, comparative literature, and critical theory).

Prison Shakespeare

A Study of the Properties of Thought as Related to Utterance

If it is not generally known that the foundations of twentieth-century criticism of Shakespeare's imagery were laid over one hundred and fifty years ago, the explanation lies in the limited availability of the single original edition of Walter Whiter's Specimen of a Commentary on Shakspeare published in 1794. In an age in which the study of Shakespeare's characters was of prime interest and importance, Whiter, a classical scholar who took holy orders and ended his life as a country parson, developed a form of textual criticism closely linked to a study of the workings of the human mind: and his book offers a psychological survey of the creative imagination, following the principles laid down in Locke's Essay on Human Understanding and illustrated by examples from Shakespeare's plays. In his realization that Shakespeare provides the finest examples of the poetic imagination Whiter is of his time: but in his particular study of the associative powers of such a mind engaged in the process of creation, he is far in advance of his time and has no immediate disciples in the later nineteenth century. In the twentieth century, however, there was an increasing acknowledgement of Whiter's work and a more frequent appeal for the reissue of his book. Originally published in 1967, the present edition was

started in response to that appeal more than ten years before Mr Alan Over's tragic death in 1964 and incorporates the revisions and additions made by Whiter for his own projected second edition.

This book explores the development of the global phenomenon of Prison Shakespeare, from its emergence in the 1980s to the present day. It provides a succinct history of the phenomenon and its spread before going on to explore one case study the Queensland Shakespeare Ensemble's (Australia) Shakespeare Prison Project in detail. The book then analyses the phenomenon from a number of perspectives, and evaluates a number of

claims made about the outcomes of such programs, particularly as they relate to offender health and behaviour. Unlike previous works on the topic, which are largely individual case studies, this book focuses not only on Prison Shakespeare's impact on the prisoners who directly participate, but also on prison culture and on broader social attitudes towards both prisoners and Shakespeare.

SHAKESPEARE STUDIES SEMESTER-1 CORE-102 BLOCK-2

A comprehensive study guide offering in-depth explanation, essay, and test prep for William Shakespeare's Julius Caesar, one of several plays based on true events from Roman history. As a historical drama of Roman war time, Julius Caesar explores the complicated nature of power and political transitions. Moreover, Shakespeare focuses on the moral struggle between demands of honor, friendship, patriotism, and loyalty. This Bright Notes Study Guide explores the context and history of Shakespeare's classic work, helping students to thoroughly explore the reasons it has stood the literary test of time. Each Bright Notes Study Guide contains - Introductions to the Author and the Work - Character Summaries - Plot Guides - Section and Chapter Overviews - Test Essay and Study Q&As The Bright Notes Study Guide series offers an in-depth tour of more than 275 classic works of literature, exploring

characters, critical commentary, historical background, plots, and themes. This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research.

Management is a fragmented and interdisciplinary area of study, with a lot of academic branches. Willman argues this tree is narrower at its roots, and these roots lie primarily in social science. Key to the purpose of the book is to present management theory as applied social science. Developed out of a core management course at Master's level, this book introduces the field to students who may have little prior knowledge of management. Willman interprets 'management' broadly to embrace the sub-disciplines of strategy, finance, accounting, marketing, organisational behaviour and operations management. The text aims to show how they arose and how they relate, thus engaging the reader in a little history. The book is integrative, in that it seeks to find common concerns in disparate literatures. It is also critical in that it seeks to comparatively evaluate contributions to the management field both in terms of theoretical contribution and practical impact. It is intended to be accessible to a range of readers, presenting technical materials in an informal way. Finally, it is introductory in that it assumes no previous knowledge of the academic management field.

New Critical Essays

Here are the books that help teach Shakespeare plays without the teacher constantly needing to explain and define Elizabethan terms, slang, and other ways of expression that are different from our own. Each play is presented with Shakespeare's original lines on each left-hand page, and a modern, easy-to-understand "translation" on the facing right-hand page. All dramas are complete, with every original Shakespearian line, and a full-length modern rendition of the text. These invaluable teaching-study guides also include: Helpful background information that puts each play in its historical perspective. Discussion questions that teachers can use to spark student class participation, and which students can use as springboards for their own themes and term papers. Fact quizzes, sample examinations, and other features that improve student comprehension of what each play is about.

35 reproducible exercises in each guide reinforce basic reading and comprehension skills as they teach higher order critical thinking skills and literary appreciation. Teaching suggestions, background notes, act-by-act summaries, and answer keys included.

Studies in Language and Literature

This book explores traditional approaches to the play, which includes an examination of the play in light of current history, in the context of Renaissance England, and in relation to Shakespeare's other Roman plays as well as structural examination of plot, language, character, and source material. Julius Caesar: Critical Essays also examines the current debates concerning the play in Marxist, psychoanalytic, deconstructive, queer, and gender contexts.

Marcus Aemilius Lepidus was a significant force in Roman political, religious and military affairs during the late Republic. However, in most accounts he is dismissed quickly, made sport of, or bitterly attacked. Through a careful examination of Lepidus's career, Richard Weigel has shown why many of the sources are hostile and how these have created an inaccurate assessment of Lepidus's role in history. Weigel shows that Lepidus was a competent administrator and that he was consistent in serving the Republic's needs as he understood them.

The Revelation of St. John an Open Book

The St. Louis Medical Review

14 Volume Set

Allied health education has long lacked a common literature, as the activities of all these diverse disciplines have been reported only in the specialty journals of each. This review provides a locus for articles of a broad and general nature which the entire spectrum of allied health educators and students will find of vital interest. Some of the topics included in this first review include dental education, clinical laboratory work, radiologic technology, the physician's assistant, occupational therapy, and preventive health care. Additional reviews to be published on a regular basis will be devoted to other health disciplines and general health topics. Essays by Ruth M. French, Joseph Hamburg, John W. Hein, Dennis Robert Howard,

Marceline E. Jaques, Jerry A. Johnson, David E. Lewis, Samuel P. Martin, Darrel J. Mase, Edmund Pellegrino, J. Warren Perry, A. Bradley Soule, and George Szasz Joseph Hamburg, general editor; J. Warren Perry & Darrel J. Mase, associate editors

How John Wrote the Book of Revelation is the first of its kind, and introduces genetic literary reconstruction to Biblical studies. It enables the reader to produce prior drafts of Hebrew and Christian Scriptures, thereby allowing the reader to apply the literary science of genetic criticism to a book in the Bible. How John Wrote the Book of Revelation takes the most

book to understand in the Christian Scriptures and reveals the sequence in which it was written, from the very first line to the final parallel. This provides the reader, for the first time, with the experience of observing how a Biblical book was written, and does this from an intimate perspective, as though they were looking over John's shoulders as he crafted it. How

Wrote the Book of Revelation is the first book that teaches the reader how to read Revelation the way it was written. After centuries of blind guess work trying to divine meaning, and weak interpretations of symbols, this book finally presents a clear, precise, and consistent method. It is a guidebook to identify all the rich symbols and their meanings within Revela

Inside the pages of this book is the all-encompassing theory of construction for the book of Revelation. It includes three prior drafts of the book of Revelation, along with hundreds of charts and illustrations. How John Wrote the Book of Revelation is like no other book that has been written before, and sets a new paradigm for all Biblical works.
