Thematically introduces students to the major philosophic thinkers. Fundamentals of Philosophy offers a broad scope of classic and contemporary selections from the world's major thinkers via a narrative format that presents difficult issues and readings in a simplified manner for students. Its readings are grouped around nine major themes/chapters, and are organized as a debate on one central issue. This approach helps students understand the argumentative style of philosophy, and learn how philosophic issues and solutions they encounter can be applied to their everyday life. Based on Beat Bugs, the Netflix TV show inspired by songs made famous by the Beatles. When Crick invents a catapult, Jay gleefully volunteers to be launched across the garden. But Jay’s exciting flight lands him in a jam jar he can’t escape! Can the Beat Bugs help Jay out of this sticky situation before it’s too late? Based on the brand-new Netflix original show, Beat Bugs, and inspired by the hit song “Help,” made famous by the Beatles, this 8x8 storybook is filled with action, adventure, and great friends.

The magic of Paint by Sticker Kids continues, combining the fun of coloring and stickers with the creativity of paint by number. The series just keeps growing, with another much-loved nature-themed topic: Bugs! Paint by Sticker Kids: Beautiful Bugs includes everything kids need to create 10 full-color illustrations of their favorite creepy-crawlies: a firefly, a praying mantis, a ladybug, butterflies, ants, a painted grasshopper, a dragonfly, beetles, a bumblebee, and a weevil. Simply find the numbered sticker, peel it, and place it in the right space. Add the next, and the next—and watch a dazzling image come to life with color and spirit in the modern “low-poly” style (using geometric polygon shapes). The card-stock pages are perforated so artwork can be easily removed for framing or the fridge. Creating sticker art is as fun and meditative as coloring, and it’s a refreshing shake-up from the usual crayons and markers. Plus, the peel-and-place system allows kids to practice recognizing and learning numbers in an interactive, stress-free way. And it’s a great rainy day or travel activity (no cleanup!) that delivers hands-on fun for less than \$10.
