**An unforgettable collection of stories from “the most carnally direct and the most lucidly intelligent woman writing in Japan” (Kenzaburo Oe) Toddler-Hunting and Other Stories introduces a startlingly original voice. Winner of Japan’s top literary prizes for fiction (among them the Akutagawa, the Tanizaki, the Noma, and the Yomiuri), Taeko Kono writes with a strange beauty, pinpricked with sadomasochistic and disquieting scenes. In the title story, the protagonist loathes young girls, but compulsively buys expensive clothes for little boys so that she can watch them dress and undress. The impersonal gaze Taeko Kono turns on this behavior transfixes the reader with a fatal question: What are we hunting for? And why? Multiplying perspectives and refracting light from the strangely facing mirrors of fantasy and reality, pain and pleasure, these ten stories present Kono at her very best.**

**An exquisite novel of North Africans in Paris by "one of the most original and necessary voices in world literature" Paris, Summer 2010. refuge with Zahira for the month of Ramadan. Meanwhile, Allal, Zahira's first love back in Morocco, travels to Paris to find Zahira. Through swirling, perpendicular narratives, *A Country for Dying* follows the inner lives of emigrants as they contend with the space between their dreams and their realities, a schism of a postcolonial world where, as Taïa writes, "So many people find themselves in the same situation. It is our destiny: To pay with our bodies for other people's future."

*historical and socio-political scope, Pushcart Prize–winner Madhuri Vijay’s The Far Field follows a complicated flaneuse across the Indian subcontinent as she reckons with her past, her desires, and the tumultuous present. In the wake of her mother’s death, Shalini, a privileged and restless young woman from Bangalore, sets out for a remote Himalayan village in the troubled northern region of Kashmir. Certain that the loss of her mother is somehow connected to the decade-old disappearance of Bashir Ahmed, a charming Kashmiri salesman who frequented her childhood home, she is determined to confront him. But upon her arrival, Shalini is brought face to face with Kashmir’s politics, as well as the tangled history of the local family that takes her in. And when life in the village turns volatile and old hatreds threaten to erupt into violence, Shalini finds herself forced to make a series of choices that could hold dangerous repercussions for the very people she has come to love. With rare acumen and evocative prose, in The Far Field Madhuri Vijay masterfully examines Indian politics, class prejudice, and sexuality through the lens of an outsider, offering a profound meditation on grief, guilt, and the limits of compassion. “A chance to glimpse the lives of distant people captured in prose gorgeous enough to make them indelible—and honest enough to make them real.” —The Washington Post “A singular story of mother and daughter.” —Entertainment Weekly*

“ A must-read for anyone interested in incorporating meditation into their lifestyle. ” – – Sanjay Gupta, MD, chief medical correspondent for CNN Heartfulness is an ideal, a spiritual way of living by and from the heart that is inclusive of all ideologies, beliefs, and religions. In this heart-centered book, a student in conversation with his teacher, Kamlesh D. Patel—affectionately known as Daaji, the fourth and current spiritual guide of the century-old Heartfulness tradition—present a unique method of meditation with the power to facilitate an immediate, tangible spiritual experience, irrespective of a person ’ s faith. Our modern, fast-paced world can be an overwhelming place. Every day, we ’ re bombarded with messages telling us that in order to be happy, fulfilled, and worthy, we must be better, do more, and accumulate as much material wealth as possible. Most of us move through our busy lives with our minds full of these ideas, multitasking as we strive to navigate the responsibilities and expectations we must meet just to make it through the day. But what if there is another way? What if, rather than letting the busyness of life overtake our minds, we learn to be heartfelt instead? Based on Daaji ’ s own combination of approaches and practices for the modern seeker—which draws from the teachings of Sahaj Marg, meaning “ Natural Path ” —Heartfulness is a contemporized version of the ancient Indian practice of Raja Yoga, a tradition that enables the practitioner to realize the higher Self within. While many books describe refined states of being, The Heartfulness Way goes further, providing a pragmatic course to experience those states for oneself, which, per the book ’ s guiding principle, is “ greater than knowledge. ” Heartfulness meditation consists of four elements—relaxation, meditation, cleaning, and prayer—and

The greatest run-scorer in the history of cricket, Sachin Tendulkar retired in 2013 after an astonishing 24 years at the top. The most celebrated Indian cricketer of all time, he received the Bharat Ratna Award - India's highest civilian honour - on the day of his retirement. Now Sachin Tendulkar tells his own remarkable story - from his first Test cap at the age of 16 to his 100th international century and the emotional final farewell that brought his country to a standstill. When a boisterous Mumbai youngster's excess energies were channelled into cricket, the result was record-breaking schoolboy batting exploits that launched the career of a cricketing phenomenon. Before long Sachin Tendulkar was the cornerstone of India's batting line-up, his every move watched by a cricket-mad nation's devoted followers. Never has a cricketer been burdened with so many expectations; never has a cricketer performed at such a high level for so long and with such style - scoring more runs and making more centuries than any other player, in both Tests and one-day games. And perhaps only one cricketer could have brought together a shocked nation by defiantly scoring a Test century shortly after terrorist attacks rocked Mumbai. His many achievements with India include

Yet he has also known his fair share of frustration and failure - from injuries and early World Cup exits to stinging criticism from the press, especially during his unhappy tenure as captain. Despite his celebrity status, Sachin Tendulkar has always remained a very private man, devoted to his family and his country. Now, for the first time, he provides a fascinating insight into his personal life and gives a frank and revealing account of a sporting life like no other.

*Si l'épidémie du sida provoque la consternation en Afrique, elle pose un problème supplémentaire en Inde : dans un pays où la sexualité s'enveloppe d'un discours profondément moraliste, les actions de prévention et d'information oscillent entre une éthique de conviction et une éthique de responsabilité, sans parvenir à élaborer un compromis viable. Ce livre a moins pour ambition de développer une théorie explicative sur la diffusion de l'épidémie, même si des pistes sont forcément suggérées, que de dégager les dynamiques sociales et culturelles susceptibles de générer des situations de vulnérabilité au regard de la transmission sexuelle du VIH. Partant de faits ethnographiques diversifiés, rigoureusement détaillés et allant souvent à l'encontre des idées reçues, on se propose de mettre en lumière les relations entre parenté, stratégies d'alliance, mobilité spatiale et rencontres sexuelles. Il apparaît dès lors que la famille indienne - trop facilement reconnue pour sa cohésion, sa solidarité et maintenant valorisée comme rempart idéologique face à l'épidémie - concourt à l'isolement des individus qui n'adhèrent pas au consensus établi et à l'exclusion de ceux dont le comportement est récusé par l'univers sociofamilial. On ne peut également faire l'impasse sur la tendance grandissante des nouvelles générations à négocier, à refuser les unions imposées ni oublier le pourcentage significatif de personnes sans perspective d'alliance ou promues à se marier dans des conditions si astreignantes (mariage forcé, bigamie, projet matrimonial dès l'adolescence) que les messages de prévention imposant l'abstinence durant le*

*célibat, et la fidélité après, relèvent de la plus totale ineptie. Dans ces conditions, la prévention au sens large ne peut se satisfaire des formules incantatoires et des simples consignes comportementales en vigueur mais doit procéder à un réaménagement des pressions et des contraintes sociales concourant à une acceptabilité très relative des stratégies de lutte contre le sida. D'où la finalité de la présente étude qui ambitionne de repérer les domaines prioritaires (labilité des discours institutionnels, discrimination, minimisation de la dimension socioculturelle et économique de l'épidémie) et les situations de vie (endettement, dot, mariages contraints, déliquescence des liens familiaux, émancipation, marginalité, réseaux mafieux) à prendre en compte afin de définir les axes d'une prévention adaptée aux particularités de la société tamoule.*
