

Ms Marvel Vol 2 Generation Why Ms Marvel Series

The X-Men have long been at odds with one man who has caused them so much torment throughout the years: the genetic terrorist known as Magneto, Master of Magnetism. They have battled him on many occasions as he fought against Charles Xavier's dream of peaceful coexistence between mutants and humans, preferring instead that mutants inherit the Earth. At last, the X-Men's greatest adversary was thought dead, finally ridding the world of his mutant menace. But instead, he was simply hiding, waiting in secret to make a move against the team that has thwarted his plans again and again. But where he was hiding will shatter the lives of everyone at Xavier's Mansion. Can the X-Men prevent his planned genocide of the entire human race?

Ms. Marvel Meets the Marvel Universe

Kamala Khan

The extraordinary story of a young North American's conversion to Islam and her ensuing romance with an Egyptian man, *The Butterfly Mosque* is a stunning articulation of a Westerner embracing the Muslim world After graduating from university, Willow Wilson, a young American — and newly converted Muslim — impulsively accepts a teaching position in Cairo. There, she meets Omar, a passionate young nationalist with a degree in astrophysics. Omar introduces Willow to the bustling city, and through him she discovers a young, moderate nationalist movement, a movement that both wants to divest itself of western influence and regain cultural pride. When the two find themselves unexpectedly in love, despite their deep cultural differences, they decide that they will try to forge a third culture, a new landscape that will embrace some of each of their cultures, and give their fledgling romance some hope of survival. Wilson weaves this engaging personal story with deep insights into faith in a fractured world, and gives westerners rare insight into an important young reform movement. *Butterfly Mosque* is an inspiring account of an unlikely

cross-cultural love, and the moving story of two young people working within the boundaries of contemporary religion and culture to forge a life together against the odds.

One of NPR's 50 Best Science Fiction and Fantasy Books of the Decade: A fifteenth-century palace mapmaker must hide his powers in the time of the Inquisition . . . Award-winning author G. Willow

Wilson's debut novel *Alif the Unseen* was an NPR and Washington Post Best Book of the Year and established her as a vital American Muslim literary voice. Now she delivers *The Bird King*, an epic journey set during the reign of the last sultan in the Iberian peninsula at the height of the Spanish Inquisition. Fatima is a concubine in the royal court of Granada, the last emirate of Muslim Spain. Her dearest friend, Hassan, the palace mapmaker and the one man who doesn't leer at her with desire, has a secret—he can draw maps of places he's never seen and bend the shape of reality. When representatives of the newly formed Spanish monarchy arrive to negotiate the sultan's surrender, Fatima befriends one of the women, not realizing that she will see Hassan's gift as sorcery and a threat to Christian Spanish rule. With their freedoms at stake, what will Fatima risk to save Hassan and escape the palace walls? As the two traverse Spain with the help of a clever jinn to find safety, *The Bird King* asks us to consider what love is and the price of freedom at a time when the West and the Muslim world were not yet separate. "Wilson has a deft hand with myth and with magic, and the kind of smart, honest writing mind that knits together and bridges cultures and people." —Neil Gaiman, author of *Norse Mythology* "A triumph . . . one of the best fantasy writers working today." —BookPage "A treasure-house of a novel, thrilling, tender, funny, and achingly gorgeous. I loved it." —Lev Grossman, author of the *Magicians* trilogy
