wasabi - sinus clearing and somewhat unsettling, but also incredibly, breathtakingly powerful. So I went into 'Tender Mercies' excitedly knowing that Kitty Thomas writes at the extreme-end of the erotica scale. She intrudes upon reader's comfort zones and

-Dee18 "I've first read "Comfort food" by Kitty Thomas and was so exquisitely shocked that I went forward into the BDSM romance genre. So far, I've read around 26

genre books by different authors and can honestly say that Kitty Thomas is one of the best. Her stories feel real in a psychological kind of way, the events recounted could be really traumatizing but they are set in environments that keep the reader "safe". The

heroines suffer and endure beyond reason but somehow they make it through stronger and empowered in their own realizations."

-Lenanena "I recommend it to adults, particularly those interested in aspects of BDSM." -Carocaró

"Tender Mercies is the type of

the writing reaches a deeper psychological level than other dark books I've read." -R Nicole "Kitty Thomas is such a wonderful writer; her take on dark erotica is wonderful and refreshing. It's harsh, and raw - please use caution if you are not used to dark erotica."

quickly the author can push through the build-up of characters, backstory, plot, and emotions just to get to the (seemingly) "good stuff". With that said, I want to read more of Ms. Thomas's work because it did everything but that. I was hooked within the first few
