A Guide to Ditching All the Rules

The recipe for a Devil's Brew is greed, intimidation, sexual deviancy, crime, gambling, murder and unchecked political power. This Novel delivers this and more! Counterfeit Governor begins in the mid-1960's with two young men surviving the death and destruction of Vietnam. Upon returning home they start their parallel political careers, one in Chicago, the other in Springfield. One will become the Governor of Illinois, the other the Speaker of the Illinois House of Representatives. On the streets of Chicago a tough guy is forging his own destiny using intimidation and murder. He works his way to the top of organized crime in Chicago then changes direction using his influence to gain a foothold into Illinois politics. Riding the coat tails of these men are two women who will do anything to gain their own power and prestige. In the end, only two will claim the seats of power in Illinois.

Two lost souls meet by chance in an explosive tale of romance and suspense. Presley Ingram has often wondered about her birth parents. Yet her 23andMe test kit remains unopened in her bedside table drawer. When she finds an address on a torn envelope in her adoption file upon her adoptive mother's death, she makes an impulsive decision to travel to the mountains of Virginia in search of answers. In the charming town of Hope Springs, she discovers her dream job as event planner at the prestigious Inn at Hope Springs Farms and the potential for romance with a ruggedly handsome bartender. Presley has an uncanny knack for reading people. While she suspects Everett has a genuine heart, she's convinced he's hiding something from his previous life. Everett Baldwin is on the run from his past. He's hiding out under an assumed name and working as a bartender while his dreams of becoming a country music star slip away. When opportunity knocks, Everett is forced to face his demons in order to move on with his life. Secrets are revealed and chaos ensues. Will Everett be able to salvage his relationship with the woman of his dreams?

*"As pragmatic as it is compassionate, this intimate, humorous, and ultimately relaxing invitation to re-wild yourself, stripping away all that is not your true nature, will leave you inspired and curious to discover the wild woman within" (Lissa Rankin, MD, New York Times bestselling author of Mind Over Medicine). For the high-achieving modern woman today, having a successful career, a fulfilling romantic relationship, and a satisfying personal life can feel like opposing goals. It has even become difficult to take the time to enjoy the simple pleasures in lives. We are stuck in "go-mode," damaging our romantic relationships, pleasure, and creativity. But what if there were a way to experience the simplest pleasures of our lives on a deeper level, freeing the body and psyche from these destructive patterns? Beyond our current stereotypes about femininity lies the ancient wisdom of the Wild Woman archetype, a model of building a feminine "body intelligence." By embodying this archetype and using tantra--not just in the bedroom, but also to build intimate connections to our senses and physical movements--we can break harmful psychological patterns. In The Wild Woman's Way, Michaela Boehm shares practical rituals and exercises drawn from years of experience as a celebrity relationship and life counselor and an expert in tantric yoga. She reveals the power of different types of touch, while also training you in forms of meditation and stretching that increase activity and sensual pleasure.*

Experiences From the Light shares more than 50 fascinating stories of extraordinary, true-life adventures of light, including spiritual awakenings, near-death experiences, unexplainable synchronicities, and stories of love and heart. It sometimes seems that the world in which we live is falling apart. We are experiencing more turmoil than ever before and desperately seeking a light in our lives.

Experiences From the Light will teach you to have faith in your life situations, warm your overwhelmed heart, remind you to look for the signs that the universe provides, and awaken you to new and bright possibilities. The stories in Experiences From the Light will astound and hearten you: An ill woman's story of how she came close to death, and the extraordinary aftermath visitations by mystical angels, monks, and Biblical figures. How one woman found herself out of her body and walking up a staircase to a door of great light as her grandmother crossed to the other side. How a man's distressing illness was instantly healed after he crossed into the light. Years of pain and suffering vanished in an instant, and the symptoms have not returned since.

Earth seems to be struggling, reeling from the impacts of industrial civilization. Is a bright future possible? Can both people and planet thrive?The journey from where we currently are to where we would like to be is far shorter than most people imagine because the most important part of that journey is inside us. It starts by leaving behind the stories that disconnect us from our essential nature as well as from our deep belonging to this planet and universe. From the far reaches of the cosmos to the bacteria that inhabit your gut, science is uncovering the evidence that rewrites our human story and the story of our planet and universe.We are part of Earth's evolving life, part of the fabric of nature, and we hold within us the ability to connect to a radical creativity - a creativity that is guided by our hearts even as it makes full use of our rational minds. You hold a transformational power, one that can help to shift our culture and our planet through the perils of a changing climate. This book will show you the path to becoming a partner in the creation of our ongoing, co-evolutionary adventure with Earth.

...life is mocked by death, and we are the fools." --Justin Chance. Is this the despairing conviction of an eighteen-year-old boy haunted by personal demons pursuing him as he runs from a tragic past? Or were these words uttered in ignorance of the real demons seen by supersleuth Benjamin Wade as the Baby-Boomer parents of Michael Weston and Michael's betrothed Erin Jennings. When the friendship of Michael and Justin metamorphoses into romantic love before the fireplace on a snowy Christmas Eve, their lives suddenly change forever. Michael, a successful software entrepreneur at the young age of twenty, must now choose between Love and Love and can only watch helplessly as his world begins to collapse around him. A story of two boys who are coming of age in a Baby Boomer-dominated society and who find themselves suddenly faced with all the great questions humanity has perpended for millennia--questions about love and fate and who we are as participants in the social order, indeed as members of the human species--it is an indictment of the Boomer generation and the world that generation has created. As Michael and Justin struggle to understand the great personal and societal forces bearing down heavily upon them and to do what they each believe in their young minds is the right thing under impossible circumstances, their superior intelligence can find little guidance in the accepted wisdom of their country. A cast of colorful characters animates a story of deep emotion engaging the reader, a story whose suspense rivets as it builds toward the dramatic climax.

Each decade of her life represents a mile of her journey. Follow her along the path of her life, meeting friends and loved ones who helped make her long life a happy one. Born in 1912, Winnie’s family faces the challenges of loss and disappointment. But there is an abundance of strength found within the circle of their family. The goodness of life gives balance to the hard times as the five Sheffield children individually seek out, and find, their place in the world. When Oliver Diamond enters her life, Winnie’s interests lies elsewhere. But circumstances eventually draw them together in what quickly becomes a moving love story. Ollie’s easygoing, fun-loving nature makes him one of the most loved characters in the book. His shenanigans and the raw-edged honesty of fellow character Hester Driver will keep you laughing. Midwife Maggie Windsor, who delivers the Sheffield children, becomes an extension of the family when she is asked by Winnie’s mother to live with them. With a compelling story of her own, Maggie’s metamorphosis is a touching tribute to the power of being loved and accepted. You’ll feel as if you know each of them as they journey through their lives, leaving their footprints behind in the rich soil of Blue Ridge, Georgia. (2017, Paperback, 368 pages)**
