

Score St Martin Family Saga 1 Gina Watson Artoysore

The captain was a madwoman with a scattergun. The soldiers were a whore, a surveyor’s assistant, a writer, a crusty old Irishman, two murderous brothers, a criminal, and a county hunter. And the only way out of the mountains was on a frigid river that flowed toward the Missouri--a river running with blood. Texas-born Cole Anthem was outlaw right into the middle of a major Indian uprising and a battle that turned into a slaughter. Now Cole and the other survivors of a raging Cheyenne war are taking the only chance they have: riding a woman's keelboat toward safety. But up and down the Rogue, a glory-mad chief hasn’t given up. His warriors are armed and waiting--to

Covers contemporary authors and works that have enjoyed commercial success in the United States but are typically neglected by more "literary" guides. Provides high school and college students with everything they need to know to understand the authors and works of American popular fiction.

Campbell Lee St. Martin has always played by the rules. He follows his head not his heart, but when that backfires not once, but twice, changes are in store for this Mr. Play It Safe. He's instantly attracted to Jenny's uninhibited sexuality but soon learns that together, they are highly combustible. Jenny thinks Campbell is a bastard and she doesn't mind putting him in his place. What he needs is a hard slap across the face, which Jenny is willing to provide even if it means the loss of her job, but it doesn't. Instead, their chemistry forces them together in a physical relationship that neither of them will ever forget. Is it possible to build on a relationship that started from lust?

The Encyclopedia of Television, second edtion is the first major reference work to provide description, history, analysis, and information on more than 1100 subjects related to television in its international context. For a full list of entries, contributors, and more, visit the Encyclo pedia of Television, 2nd edition website.

Like other fictional characters, female sleuths may live in the past or the future. They may represent current times with some level of reality or shape their settings to suit an agenda. There are audiences for both realism and escapism in the mystery novel. It is interesting, however, to compare the fictional world of the mystery sleuth with the world in which readers live. Of course, mystery readers do not share one simplistic world. They live in urban, suburban, and rural areas, as do the female heroines in the books they read. They may choose a book because it has a familiar background or because it takes them to places they long to visit. Readers may be rich or poor; young or old; conservative or liberal. So are the heroines. What incredible choices there are today in mystery series! This three-volume encyclopedia of women characters in the mystery novel is like a gigantic menu. Like a menu, the descriptions of the items that are provided are subjective. Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3. These are more recently discovered sleuths who were introduced during the period from January 1, 1990 to December 31, 1999. This more than doubles the number of sleuths introduced in the 1980s (298 of whom were covered in Volume 2) and easily exceeded the 347 series (and some outstanding individuals) described in Volume 1, which covered a 130-year period from 1860–1979. It also includes updates on those individuals covered in the first edition; changes in status, short reviews of books published since the first edition through December 31, 2008.

White provides the most comprehensive scholarly compilation of fictional work of legal suspense in existence. Almost 2,000 annotations and biographical synopses of major American, British, and European authors make this a unique reference work and essential acquisition for both the scholar of popular culture and the general reader. In addition, its appendices--such as Series Characters, References, and Craft Notes by novelists and trial lawyers--are certain to make this the definitive source of reference for courtroom drama in English or translation.

With the writing chops of Ian McEwan and the story-craft of Lisa Wingate, Karen Kelly weaves a shattering debut about two intertwined families and the secrets that they buried during the gilded, glory days of Bethlehem, PA. “A haunting debut.” —Georgia Hunter, New York Times bestselling author of We Were the Lucky Ones “Karen Kelly is the real deal.” —Mark Sullivan, New York Times and USA Today bestselling author of Beneath a Scarlet Sky A young woman arrives at the grand ancestral home of her husband’s family, hoping to fortify her cracking marriage. But what she finds is not what she expected: tragedy haunts the hallways, whispering of heartache and a past she never knew existed. Inspired by the true titans of the steel-boom era, Bethlehem is a story of temptation and regret, a story of secrets and the cost of keeping them, a story of forgiveness. It is the story of two complex women—thrown together in the name of family—who, in coming to understand each other, come finally to understand themselves.

The world's food supply needs to rise significantly, yet both arable and water supplies per capita are decreasing. Not only are modern agricultural methods beyond the reach of those suffering the greatest food insecurity but they are also ecologically damaging, relying upon fossil energy and chemical inputs. This volume offers a collection of innovative and diverse approaches to agricultural development. Documented in 12 case studies, these approaches are reliant upon greater knowledge, skill and labour input, rather than larger capital expenditure. They are shown to increase yield substantially, sometimes doubling or tripling output.

This volume presents the concepts and operational means for reorienting agricultural efforts towards these more environmentally friendly and socially desirable approaches in the developed as well as developing world.

For fans of Fifty Shades of Grey, Bared to You, and Release Me comes a new erotic romance series about five brothers from a wealthy & powerful southern family and the women who will stop at nothing to keep them satisfied. *** St. Martin Family Saga follows five brothers as they wreak havoc on the hearts of women in whiskey cove. St. Martin Family Saga *Score #1 *Shameless #2 *Shatter #3 *Suited #4 *Smolder #5 *** He was handsome, sexy, confident, and a complete bastard. So what was she doing in his bed? Hadn't he proved to her again and again that all he was good for was bringing her pain. To be fair, last night she'd felt no pain, only pleasure. *** Caleb sensed the warm naked body in bed next to him. He knew it was Chloe but what he couldn't figure out was why. He'd grown up next door to her, had teased her relentlessly. And she'd hated him for it. Memories from last night of the curves she'd grown into had his mouth going dry. He'd had no words with which to tease, all he could do was moan. *** Had Chloe actually had sex with a man she'd hated for a decade? A full percussion section was banging in Chloe's head as the memories came to her in pieces . . . martinis, dancing, his hands, his hardness. God, he'd been solid male muscle. This can't be happening. Hadn't she made a commitment to herself to settle the score with Caleb if given the chance? Instead, she was right back where she was all those years ago, panting after him in all of his unobtainable glory. To spread awareness for ALS, this book is free. In the book, Chloe is a speech language pathologist. She has a patient with ALS who is also a friend of the family. Follow her in her quest to increase his quality of life through the use of communication boards. Read how Chloe and Cal must work together to complete a video for the family before it's too late. *** WHEN HATE RUNS DEEP, DESIRE RUNS DEEPER *** I loved this book. I couldn't put it down. The sex was hot and part of the story—Between the Sheets book blog, on Score I absolutely love, love, love, the St. Martin men. All are macho, over confident, alpha, bad boy millionaires—Amazon Review, on Shameless The story line was really good I couldn't put the book down. The characters were very well developed—Reviews by Bre, on Score I burned up on re-entry. The ending is a so hot I had to take it slow or risk self combustion—Amazon Review, on Shameless
