**In Bending to Beauty, Dian Zirilli-Mares uses powerful words and metaphors to craft poems that express universal truths. This is why, as the poet examines the loves and losses of life - she writes of our lives as well. We see clearly that we share dreams, joys, fears. Readers of a certain age will relish poems of childhood memories, as Ms. Zirilli-Mares captures a precious time and place, now long-gone. They will identify with her wry poems of shock and disbelief in growing older. But no matter the focus, the poet "pares close to the bone," exploring, yet never shrinking from, the truth. The reward, as revealed in the title poem, is a "bending to beauty" that makes one stronger. Poem after poem, Bending to Beauty probes the complicated, painful, and wondrous that is life - and holds it up for all to recognize.**

*Michael Dante played the title role in Winterhawk (1975), a Western about a legendary Blackfoot Chief's character and his principles. In this novella sequel, he pens an ageless saga about ruthless railroad executives trying to assassinate him in order to build their railroad directly through his territory, taking the Blackfoot land without provocation. Winterhawk and his tribe remain strong as long as they can, to protect the land of their people, the land they call home, before the invasion of progress imposes itself on America. This inspiring story of a brave man, who stands up to and fight against those who have their own agenda for his land, evokes the nostalgic atmosphere of Western series that Dante frequently appeared in during American television's Golden Era, such as Death Valley Days, The Big Valley, Daniel Boone, Custer, The Texan, Bonanza, Maverick, and Cheyenne.*

*Destiny's Call brings to life scenes, stories and characters from the Book of Genesis. In captivating fictional short stories, Destiny's Call gives a glimpse of the struggles of the Patriarchs and Matriarchs, the birth and conflicts of the Tribes of Israel, and a deeper exploration of some of the colorful characters depicted in the Bible. Destiny's Call relies heavily on biblical and archeological sources. The book includes questions for discussion, detailed hand-drawn maps of the ancient world, recreated genealogical records and timeline, an index of biblical references, and a glossary of biblical terms. Ben-Tzion Spitz is the author of the Torah Shorts blog (at ben-tzion.com), where he has published dozens of biblical fiction stories and biblical analysis based on ancient, medieval and contemporary sources. Spitz has been exploring and researching biblical stories and archeological findings for over two decades. He is also the creator and lecturer of the Biblical Fiction series in Jerusalem, Israel.*
