This is a sequel to "Princess White Flame" and is a children's story about a curse placed on Princess White Flame of the Fire Fairies and how it was lifted. Of all the fairy countries in the world none is more wonderful or beautiful than the country where the Fire Fairies live. Into that land no fairies of the earth, or air, or water dare venture. They would be seared, or changed to ash or vapor. In the very heart of the Fire Country stands the palace of King Red Flame, the gleaming flame-coloured palace, the Palace of Burn. Around it lies a wonderful garden, where paths wind away among great fields of fire lilies, and flame roses lift their heads, and the tall shining trees rustle in the wind with a sound like the whispering of the fire on the hearth. Here in this glowing country the good and happy fairies work and play, and serve their king as all good fairies should. But not all fairies in this land are good and happy. Beyond the glow of the roses and the lilies, beyond all sight of the glimmering trees, there lies another part of the country wh fairies live. Here are great Plains of Ash, and huge Caverns of Soot, and stretches of gloom in which the Shadow Witch comes and goes. Here the Imps of Darkness lurk. Dragons crouch, and Wizards dwell. Perhaps sometimes when you have looked into the Fireplace you have seen those dismal plains and darksome valleys. They lie away from the heart of the Fire, at the side of the Hearth, and between the flames and the heaps of ashes. Book one of the New York Times-bestselling All Souls trilogy—"a wonderfully imaginative grown-up fantasy with all the magic of Harry Potter and Twilight" (People). Look for the hit TV series "A Discovery of Witches," streaming on AMC Plus, Sundance Now and Shudder. Season 2 premieres January 9, 2021! Deborah Harkness's sparkling debut, *A Discovery of Witches*, has brought her into the spotlight and galvanized fans around the world. In this tale of passion and obsession, Diana Bishop, a young scholar and a descendant of witches, discovers a long-lost and enchanted alchemical manuscript, *Ashmole 782*, deep in Oxford's Bodleian Library. Its reappearance summons a fantastical underworld, which she navigates with her leading man, vampire geneticist Matthew Clairmont. Harkness has created a universe to rival those of Anne Rice, Diana Gabaldon, and Elizabeth Kostova, and she adds a scholar's depth to this riveting tale of magic and suspense. The story continues in book two, *Shadow of Night*, and concludes with *The Book of Life*.

THIS is the book that started it all! The basis for the smash hit Tony Award-winning Broadway musical, Gregory Maguire's breathtaking New York Times bestseller *Wicked* views the land of Oz, its inhabitants, its Wizard, and the Emerald City, through a darker and greener (not rosier) lens. Brilliantly inventive, *Wicked* offers us a radical new evaluation of one of the most feared and hated characters in all of literature: the much maligned Wicked Witch of the West who, as Maguire tells us, wasn't nearly as Wicked as we imagined. **PASSION HAS NEVER BEEN MORE DANGEROUS. Whit and Wisty Allgood, a witch and wizard with extraordinary abilities, have defeated the ruthless dictator who long overshadowed their world. But for the first time in their lives, the powerful brother and sister find themselves at odds as Wisty is drawn to a mysterious and magical stranger named Heath. Wisty has never felt as free as she does with Heath, especially when the two of them share and test their magic together. But when a merciless Wizard King from the mountains suddenly threatens war, Wisty must make an excruciating choice. Will she unite with Whit to fight the mounting dangers that could return their world to a tyrant's domain? Or will she trust the beautiful boy who has captured her heart? **ONE KISS COULD DESTROY THE WORLD.** James Patterson's epic saga continues as the witch and wizard who have inspired countless imaginations must rally together before the world they fought to save collapses.**

A sister and brother, along with thousands of young people, have been kidnapped and either thrown in prison or turned up missing after accusations of witchcraft were made against them, and the ruling regime will do anything in order to suppress life and liberty, music and books.
