After arriving in North America in the late 1960s, the sport was embraced by enthusiasts and developed into an American phenomenon. By the early 1980s riders from the USA were dominating the sport's natural-terrain circuits, and the uniquely-American spinoff discipline of Supercross was packing NFL stadiums nationwide. In 2005, the Motorcycle Hall of Fame Museum created an exhibit, Motocross America, which celebrates the history of American motocross.
