

## The Seeker The Search The Sacred Journey To The Greatness Within

Humanity has sought identification of self through the guise of the ego yet not fully understanding its placement. Our ego, the identity of oneself, has been believed to be the desire for outer acceptance validating its own worth. The ego is our shadow self and can be seen as the mirror reflection in ourselves and others. Who are you without your ego? What masks do you require to hide your true, authentic self? What can you say about yourself? Do you know who you are and what you represent? Can you identify with whom you project out into the world? Are you aware that your ego has manipulated who and what you've identified about yourself in conjunction as the illusion? Humanity is undergoing a spiritual evolution where every human being is responsible for their own soul's evolution. Humans must realize that to remain of this world, we must ascend to a higher consciousness and enlightenment, becoming the dictator of our own lives, a knowing. Are you willing to delve into the hidden aspects of yourself by going on a treasure quest that will guide you back to your natural state of truth? Truth is at the heart of the matter, the one, beloved. What lies behind us and what lies before us are small matters compared to what lies within us. -Ralph Waldo Emerson

A KEY TO THE MYSTERIES No other book in history has done more to clarify the Esoteric, mystical, and occult traditions of the world than Manly P. Hall's The Secret Teachings of All Ages. Now, historian Mitch Horowitz provides the first companion work to Hall's opus. The Secret Teachings of All Ages helps twenty-first-century readers enter and experience (or re-experience) Hall's hallowed pages and also clarifies and expands on some of the book's key themes and topics. Mitch explores developments and historical discoveries since hall published his "Great Book" nearly a century ago and adds fresh dimensions to subjects including:
• The antiquity and legacy of Ancient Egypt.
• The mystical origins of the world's major faiths.
• Strange beasts and anomalies in history and today.
• The origins and esotericism of Tarot.
• Secret Societies in Myth and Fact.
• The enduring relevance of astrology.
Authorized by Manly P. Hall's Philosophical Research Society, The Secret Teachings of All Ages is a feast of esoteric exploration on its own and a worthy companion to history's unparalleled encyclopedia arcana. "Mitchis a fantastic tour guide to the fringes of reason, high weirdness, deep esoterica, secret societies, and mystery religions." --BoingBoing "Has the rare gift of making the esoteric accessible to discerning masses." --HuffPost

New York Times and USA Today bestselling author Veronica Rossi's new fantasy adventure in the Rider series -- Seeker . When Daryn claimed she was seeing "visions" during her sophomore year of high school, no one believed the truth. She wasn't losing her mind, she was gaining the Sight—the ability to see the future. If she just paid attention to the visions, they'd provide her with clues and show her how she could help people. Really help them. Daryn embraced her role as a Seeker. The work she did was important. She saved lives. Until Sebastian. Sebastian was her first—and worst—mistake. Since the moment she inadvertently sealed him in a dark dimension with Samrael—the last surviving demon in the Kindred—guilt has plagued her. Daryn knows Sebastian is alive and waiting for help. It's up to her to rescue him. But now that she needs the Sight more than ever to guide her, the visions have stopped. Daryn must rely on her instincts, her intelligence, and on blind faith to lead the riders who are counting on her in search of Sebastian. As they delve into a shadowy realm where nothing is as it seems and where Samrael is steadily amassing power, Daryn faces the ultimate test. Will she have to become evil to destroy evil? The very fate of humankind rests in the answer.

In 1977, Elizabeth Lesser cofounded the Omega Institute, now America's largest adult-education center focusing on wellness and spirituality. Working with many of the eminent thinkers of our times, including Zen masters, rabbis, Christian monks, psychologists, scientists, and an array of noted American figures--from L.A. Lakers coach Phil Jackson to author Maya Angelou--Lesser found that by combining a variety of religious, psychological, and healing traditions, each of us has the unique ability to satisfy our spiritual hunger. In The Seeker's Guid, she synthesizes the lessons learned from an immersion into the world's wisdom traditions and intertwines them with illuminating stories from her daily life. Recounting her own trials and errors and offering meditative exercises, she shows the reader how to create a personal practice, gauge one's progress, and choose effective spiritual teachers and habits. Warm, accessible, and wise, this book provides directions through the four landscapes of the spiritual journey: THE MIND: learning meditation to ease stress and anxiety THE HEART: dealing with grief, loss, and pain; opening the heart and becoming fully alive THE BODY: returning the body to the spiritual fold to heal and overcome the fear of aging and death THE SOUL: experiencing daily life as an adventure of meaning and mystery

The Seeker's Guide to Making Travel Sacred

One of the greatest spiritual teachers of the twentieth century shares his wisdom about building loving relationships in Intimacy: Trusting Oneself and the Other. "Hit-and-run" relationships have become common in our society as it has grown more rootless, less tied to traditional family structures, and more accepting of casual sex. But at the same time, there arises an undercurrent of feeling that something is missing—a quality of intimacy. This quality has very little to do with the physical, though sex is certainly one possible door. Far more important is a willingness to expose our deepest feelings and vulnerabilities, with the trust that the other person will treat them with care. Ultimately, the willingness to take the risk of intimacy has to be grounded in an inner strength that knows that even if the other remains closed, even if that trust is betrayed, we will not suffer any permanent damage. In this gentle and compassionate guide, Osho takes his readers step-by-step through what makes people afraid of intimacy, how to encounter those fears and go beyond them, and what they can do to nourish themselves and their relationships to support more openness and trust. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the "1000 Makers of the 20th Century" and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

From the time before the great pyramids were built, an ancient prophecy foretold that for the sake of humanity, when nature could no longer absorb the abuse of man, a newborn of unknow blood would walk among us. Led by the divinity of elders, he will change the world. Join Gabriel and his close companions on this journey of mystery, danger, and intrigue. As Gabriel must interpret riddles to find the path to the light, he must also learn on the way. As this journey will teach Gabriel about the altered genesis of man and his aggressive nature for self-fulfillment, it will also teach of man's forced dominance of women and the abusive, unequal treatment inflicted upon them from the beginning to this day. Then the last but the most important lesson of all is the nature of this world and the destructive imbalance that has been caused by man. And within the imbalance of man and nature, Gabriel must learn how this balance can be restored. The ecological problems with the planet are at the heart of this imbalance. As Gabriel learns what's needed to start the reversal of all the damages, he learns the secret of why this world is so special and the true meaning of God.

Mystical scholar Andrew Harvey offers fresh interpretations of more than 250 selections from Rumi's major works. The works of Sufi mystic and poet Jalad-ud-Din Rumi have been revered in the East for centuries. Now, Western seekers and lovers of poetry are discovering Rumi in unprecedented numbers. Harvey uses these poems, quotations, and parables from Rumi's major works, the Discourses, the Diwan, the Mathnawi, the Odes, and the Rubiyat, as well as excerpts from his letters to re-create the stages of the spiritual journey into Love. Anyone interested in spirituality will find Light Upon Light a rich source of guidance, encouragement, and profound inspiration.

A bloody murder. An open and shut case? In Oliver Cromwell's London, nothing is as it seems - Captain Damian Seeker must battle to find justice, when an innocent man's life hangs in the balance. 'Challenges CJ Sansom for dominion of historical crime' Sunday Times 'The best historical crime novel of the year' Sunday Express London, 1654. Oliver Cromwell is at the height of his power and has declared himself Lord Protector. Yet he has many enemies, at home and abroad. London is a complex web of spies and merchants, priests and soldiers, exiles and assassins. One of the web's most fearsome spiders is Damian Seeker, agent of the Lord Protector. No one knows where Seeker comes from, who his family is, or even his real name. All that is known of him for certain is that he is utterly loyal to Cromwell, and that nothing can be long hidden from him. In the city, coffee houses are springing up, fashionable places where men may meet to plot and gossip. Suddenly they are ringing with news of a murder. John Winter, hero of Cromwell's all-powerful army, is dead, and the lawyer, Elias Ellingworth, found standing over the bleeding body, clutching a knife. Yet despite the damning evidence, Seeker is not convinced of Ellingworth's guilt. He will stop at nothing to bring the killer to justice: and Seeker knows better than any man where to search.

*What is it about the top tech product companies such as Amazon, Apple, Google, Netflix and Tesla that enables their record of consistent innovation? Most people think it's because these companies are somehow able to find and attract a level of talent that makes this innovation possible. But the real advantage these companies have is not so much who they hire, but rather how they enable their people to work together to solve hard problems and create extraordinary products. As legendary Silicon Valley coach--and coach to the founders of several of today's leading tech companies--Bill Campbell said, "Leadership is about recognizing that there's a greatness in everyone, and your job is to create an environment where that greatness can emerge." The goal of EMPOWERED is to provide you, as a leader of product management, product design, or engineering, with everything you'll need to create just such an environment. As partners at The Silicon Valley Product Group, Marty Cagan and Chris Jones have long worked to reveal the best practices of the most consistently innovative companies in the world. A natural companion to the bestseller INSPIRED, EMPOWERED tackles head-on the reason why most companies fail to truly leverage the potential of their people to innovate: product leadership. The book covers: what it means to be an empowered product team, and how this is different from the "feature teams" used by most companies to build technology products recruiting and coaching the members of product teams, first to competence, and then to reach their potential creating an inspiring product vision along with an insights-driven product strategy translating that strategy into action by empowering teams with specific objectives--problems to solve--rather than features to build redefining the relationship of the product teams to the rest of the company detailing the changes necessary to effectively and successfully transform your organization to truly empowered product teams EMPOWERED puts decades of lessons learned from the best leaders of the top technology companies in your hand as a guide. It shows you how to become the leader your team and company needs to not only survive but thrive.*

*We are witnessing an unprecedented technological revolution. Every sphere of life from communications, work, economy, leisure, our homes, and health care is being digitised. These far-reaching changes demand careful consideration and discernment by churches participating in God's redemptive work around the world. Digitalization of society is radically changing both the methods and conditions of missions. For the first time, this book explores the implications of digitality for Missio Dei in thought and practice. Bringing together theologians, missiologists, computer scientists and practitioners, the book considers a diverse range of topics from evangelism to pastoral care, cyber pilgrimages to biases in algorithms, public theology to homiletics and inculturation to contextualization. Chapters include: Worship, Community and Missio Dei in a Digital Age - Maggie Dawn Finding Jesus Online: Digital Evangelism and the Future of Christian Mission - Steve Hollinghurst 'Digital Inculturation' - Katherine G. Schmidt Mission: An adventure of the (digital) imagination - Jonny Baker Interactive technologies, Missio Dei and grassroots activism - Erkki Sutinen Strategic and Pastoral Reflections on Digital Media and Contemporary Spirituality - John Drane Public Faith, Shame, and China's Social Credit System - Alexander Chow*

*When a new family moves in next door, Joe's mum explains that they are asylum seekers. Joe hears that they are silence seekers, especially as Mum adds that they need peace and quiet. When he sees a young boy from the family sitting disconsolately on the steps, Joe decides to help him find a quiet place in the noisy and chaotic city. A simple, moving story which is the perfect way to gently open discussion around the refugee crisis.*

*The world around us is changing. While everything familiar and dependable seem to fall apart, we tend to question our beliefs about life. What is life? Who am I? How do I face the uncertainties of life? Will I be able to overcome the problems that look impossible to me? A 'Seeker' is a person who wants to find the answers to these questions and sets out to find them. A seeker wants to know the truth for himself/ herself and will not settle until they find it. The Seeker - 1 was written to meet the need each has person has to reach the truth. It is a tool to help you move forward. This book will strengthen your desire to reach the truth and inspire you to continue this journey till you get there. The author had to grapple with being rejected at birth for being a girl, suffering due to loneliness and lack of confidence, feeling suicidal and having to start life over again after everything fell apart. In her journey she came across many precious nuggets of truth in the Bible that she shares in this book. She hopes that these writings will help a lost or confused seeker find his/ her way home and reach a place of peace in their lives.*

Making Your Life a Spiritual Adventure

From Spiritual Ambition to the Heart of Awareness

The Digital Seeker

Trusting Oneself and the Other

The Seeker, the Search, the Sacred

The Wisdom Seeker

Traveling the Path to Enlightenment

What is life when seeking ends? Just what is, nothing more or less-- an ordinary person doing ordinary things, not wishing to be more or less, content to simply be herSelf. --Dorothy Hunt, Only This Do you ever feel as if your spiritual search is getting you nowhere? That despite sincere intention and effort, you're reaping frustration instead of fruit? In Ending the Search, Dorothy Hunt unravels a dilemma that has vexed countless people on a spiritual path. "You may have tried all manner of practices, meditation, guru shopping, chanting, prayer, and still you have not attained your heart's desire," she writes. "This book is about the ego's spiritual ambition, its search for its idea of 'enlightenment,' its struggles and its eventual fate as seeker becomes the sought." Ending the Search explores the deep spiritual impulse to awaken and the ways a future-focused mind "co-opts" or veils what is timelessly free, loving, and ever present. Dorothy invites us to follow our longing for truth, love, or enlightenment back to their source--the Heart that is beckoning us beyond separation. While describing and honoring different practices and paths taken in one's search for Truth, she emphasizes the practice of self-inquiry as taught by Ramana Maharshi. We are invited to search not for an idea of something "out there," but for the true identity of the seeker, the unnamable Mystery that is compassionately aware, existing right now in each of us. The book also looks at the processes of embodiment and surrender, the need for "ruthless honesty" without self-judgment, and in its concluding section, shares a vision of life lived authentically. "The spiritual search is a call to remember who or what you essentially are," explains Dorothy Hunt. "What ends the search is actually present from the very beginning, beckoning you to come Home. In truth, you are what you seek, yet you must make the discovery for yourself." This is your invitation, with Ending the Search. Highlights:
• The nature of spiritual ambition
• When practice becomes problematic
• How the thinking mind separates us from the moment
• Silence and stillness, our greatest teachers
• Ego and the trance of separation
• The human heart as a doorway to the infinite
• The freedom of Presence
• The price of Realization
• Gurus, spiritual teachers, and charlatans
• Undoing core egoic beliefs
• Resting the mind in the Heart of Awareness

"The PERFECT guide to help us slow down and find the beauty and wonder right in front of us."--Brené Brown Spark your sense of wonder and lift your spirits with this collection of fun, creative activities and ideas to help cultivate daily joy, illustrated with full-color photographs, artful watercolors, and inspiring stories. Do you remember the first time you saw the night sky blanketed in stars? Or that feeling of magic when you found your first sand dollar on the beach? Maybe it's when you rode a bicycle for the first time and it felt like flying. Wonder taps us into the joy of being alive, opening our eyes to how much beauty there is in the world and how life can surprise us in the most delightful of ways. Wonder Seeker reminds us that no one is too busy (or too old) to experience daily gratitude and delight. Filled with 52 fun, easy, and incredibly creative prompts and activities, this guide to joy helps us to step out of our ordinary lives, even for just a moment or two each day, to witness the magic all around us. Andrea provides simple practices that bridge creativity and mindfulness and allow the imagination to play. These activities can be done anywhere and can be enjoyed solo, or with friends, family, and even strangers. The fun activities and suggestions in Wonder Seeker include: Taking a curiosity walk Writing a banana love note Going on a wonder date Writing a paint chip poem Hosting a bubble flash mob Making a wish tree Choosing a superhero name And much, much more! As Andrea makes clear, you don't need to be an artist or consider yourself "creative." All you need is an open heart and a clear intention to find wonder and awe. It will renew your creative spirit, remind you of the marvels around you, and make your soul sing. Reclaim your inner happiness--let Wonder Seeker show you how.

In his book In Search of the Beginning pastor and author Dean Davis provides seekers with an in-depth introduction to cosmology: the study of the origin, structure, purpose, and final goal of the universe. For a number of reasons, this book is unique. Putting first things first, it begins by exploring the proper method for arriving at solid cosmological truth. Secondly, it examines the main modern options in cosmology, looking closely at naturalistic, pantheistic, and theistic views. Finally, it surveys and defends the traditional biblical cosmology, paying special attention to biblical teaching on cosmic geo-centrism and recent creation. In Search of the Beginning is not like any other book on cosmology you have ever read: informed, readable, spiritually minded, and at times even poetic. But above else, it is a book that actually goes somewhere: back to the beginning, and to the One who began it all.

Are you a seeker, wondering if there's a God, or struggling to find purpose in your life? Are you a Christian, glad to be one but distressingly uncertain about what you really believe and why you believe it? If so, this book is for you. Yes, it's big, incorporating equal parts of Philosophy, Apologetics, and Systematic Theology. But it's also warm and readable, full of charts, diagrams, story, adventure, and the joy of discovery. Over a decade in the writing, "The Test" is a heartfelt invitation to seekers everywhere (especially the young), that they should embark--with a sympathetic companion at their side--upon the ultimate journey to the ultimate destination: the meaning of life.

A New York Public Library Book

In Search of the Beginning

One Woman's Search for the Heart of God

The Art of Pilgrimage

The Authorized Companion to Manly P. Hall's Esoteric Landmark

A prizewinning historical thriller set in Cromwell's London

**Discover how not to fall into the devil's traps and how to fall in love with Jesus all over again! In The Wisdom Seeker: Tweets of Wisdom you can learn how to stop struggling and start learning to enjoy being a Christian! By reading this book you will learn how to put the word into action in your life, starting with love and going from there. This book will help you remove all the clutter from your life, be free from your past, and walk in your glorious future.**

**“One of the freshest voices in mental health and wellness.” —Marcy Shimoff, New York Times bestselling author of Chicken Soup for the Woman’s Soul Do you feel like you’re not where you’re supposed to be, off track or simply exhausted from trying so hard to make things work? Your “true self” has an easier plan--and is just aching to show you the way. The relentless pressure to succeed, measure up, and reach for ever higher goals can leave us feeling like we’re just not good enough—or that something’s missing. At the end of the day, after giving it our all, the last thing we want to feel is hopeless, anxious, and disconnected. International speaker and empowerment coach Shannon Kaiser understands why so many of us, despite our best intentions, cling to these patterns. Better yet, Kaiser knows how to get us out of the vicious, draining cycle. Committed to finding meaning, connection, and joy in our day-to-day lives, she’s traveled the world in search of the universal truths and spiritual wisdom we desperately need today. Joy Seeker is her transformational approach to life, drawn from her own life-changing experiences. It is a path to discovering our true self—the hero within. The Joy Seeker plan:
• Get unstuck and discover what matters most
• Regain hope and faith in yourself, others, and the world
• Discover the “poetry within”—that special thing that makes you so unique
• Gain the courage to actualize yourself and your deepest desires
• Live with more purpose, passion, and freedom The path of the Joy Seeker is an intimate, active pursuit filled with opportunities for journaling as well as “Joy Jaunts”—exercises designed to help us break out of our comfort zone. It’s time to become your best self. It’s time to live worry-free in your wildest dreams. It’s time to be your own Joy Seeker. “Who couldn’t use some more joy in their life? Shannon is an expert in all things happiness, and this guidebook shows us what’s possible when we remove fear and choose love.” —Emma Loewe, Editor at mindbodygreen and co-author of The Spirit Almanac: A Modern Guide to Ancient Self-Care**

**Charlotte Vance is a young woman who knows what she wants. But when the man she planned to marry joins the Shakers--a religious group that does not marry--she is left dumbfounded. And when her father brings home a new wife who is young enough to be Charlotte's sister, it is more than she can bear. With the country--and her own household--on the brink of civil war, this pampered gentlewoman hatches a plan to avoid her new stepmother and win back her man by joining the Shaker community at Harmony Hill. Little does she know that this decision will lead her down a road toward unforeseen peace--and a very unexpected love. Ann H. Gabhart brings alive the strikingly different worlds of the Southern gentry, the simple Shakers, and the ravages of war to weave a touching story of love, freedom, and forgiveness that sticks with readers long after they have turned the last page.**

**An expert in securing grant money provides a clear, step-by-step course in grant writing that readers can "attend" from the comfort of their home or office—and proceed with at their own pace. \* Provides historical and current information regarding the general availability of government and private grant funds; two chapters are dedicated to disclosing sources for specific types of grants \* One appendix contains a glossary covering the specific terminology used in the field \* A complete index is included to enable the reader to find any topic quickly \* Reveals an exclusive "inside" look at what agencies want and supplies a list of do's and don't to maximize success**

## THE EGO HAS LANDED

### A Seeker's Guide

What if we truly belong to each other? What if we are all walking around shining like the sun? Mystic, monk, and activist Thomas Merton asked those questions in the twentieth century. Writer Sophronia Scott is asking them today. In *The Seeker and the Monk*, Scott mines the extensive private journals of one of the most influential contemplative thinkers of the past for guidance on how to live in these fraught times. As a black woman who is not Catholic, Scott both learns from and pushes back against Merton, holding spirited, and intimate conversations on race, ambition, faith, activism, nature, prayer, friendship, and love. She asks: What is the connection between contemplation and action? Is there ever such a thing as a wrong answer to a spiritual question? How do we care about the brutality in the world while not becoming overwhelmed by it? By engaging in this lively discourse, readers will gain a steady sense of how to dwell more deeply within--and even to love--this despairing and radiant world.

A woman in the audience once handed Elvis a crown saying, “You’re the King.” “No, honey,” Elvis replied. “There is only one king — Jesus Christ. I’m just a singer.” Gary Tillery presents a coherent view of Elvis’s thoughts through such anecdotes and other recorded facts. We learn, for instance, that Elvis read thousands of books on religion; that his crisis over making bimbo movies like *Girl Happy* led him to writers such as Gurdjieff, Krishnamurti, and Helena Blavatsky; and that, while driving in Arizona, an epiphany he had inspired him to learn Hindu practice. Elvis came to believe that the Christ shines in everyone and that God wanted him to use his light to uplift people. And so he did. Elvis’s excesses were as legendary as his generosity, yet, despite his lethal reliance on drugs, he remained ever spiritually curious. When he died, he was reading *A Scientific Search for the Face of Jesus*. This intimate, objective portrait inspires new admiration for the flawed but exceptional man who said, “All I want is to know and experience God. I’m a searcher, that’s what I’m all about.”

Since the start of modern computing, the studies of living organisms have inspired the progress in developing computers and intelligent machines. In particular, the methods of search and foraging are the benchmark problems for robotics and multi-agent systems. The highly developed theory of search and screening involves optimal search plans that are obtained by standard optimization techniques while the foraging theory addresses search plans that mimic the behavior of living foragers. Search and Foraging: Individual Motion and Swarm Dynamics examines how to program artificial search agents so that they demonstrate the same behavior as predicted by the foraging theory for living organisms. For cybernetics, this approach yields techniques that enable the best online search planning in varying environments. For biology, it allows reasonable insights regarding the internal activity of living organisms performing foraging tasks. The book discusses foraging theory as well as search and screening theory in the same mathematical and algorithmic framework. It presents an overview of the main ideas and methods of foraging and search theories, making the concepts of one theory accessible to specialists of the other. The book covers Brownian walks and Lévy flight models of individual foraging and corresponding diffusion models and algorithms of search and foraging in random environments both by single and multiple agents. It also describes the active Brownian motion models for swarm dynamics with corresponding Fokker–Planck equations. Numerical examples and laboratory verifications illustrate the application of both theories.

Having been rejected by the Nomana--the revered warrior-monk order they long to join--sixteen-year-olds Seeker and Morning Star, along with a curious pirate named Wildman, attempt to prove that they are worthy of joining the community, after all.

A Woman's Search for Inner Truth

The Seeker's Guide to The Secret Teachings of All Ages

Joy Seeker

"The Seeker"

Journey of a Broken Seeker

The New American Spirituality

Everyday Conversations with Thomas Merton

*From the bestselling author of The Essential Laws of Fearless Living and The Courage to Be Free. The Seeker, the Search, the Sacred is about the universal and timeless spiritual principles that lead us to a personal discovery of divine guidance and higher insight. This is a landmark work by self realization teacher and bestselling author Guy Finley, who offers it as compelling evidence that within every human being dwells a nameless Sacred Being that teaches us to live in the light of our own true selves. In The Seeker, the Search, the Sacred, Finley presents passages from all the major religious traditions and philosophies to demonstrate how they all work in concert to describe different aspects of a single compassionate, loving, and divine intelligence. Finley includes hundreds of quotes and inspiring thoughts from writers, teachers, and philosophers from around the world, making The Seeker, the Search, the Sacred an essential guide for positive living and creating an authentic life.*

*Join award-winning author Phil Cousineau for a sacred journey around the globe. First published in 1998 and updated with a new preface by the author, The Art of Pilgrimage is a sacred travel guide in book form that is full of inspiration for the spiritual traveler. Award-winning writer and filmmaker and host of the acclaimed Global Spirits series seen on PBS and Link TV, Phil Cousineau weaves stories, myths, parables, and quotes from famous travelers with practical suggestions and accounts of modern-day pilgrims to show that there is something sacred waiting to be discovered in virtually every journey. Connecting these voices is a series of meditations that suggest different ways to practice what pilgrims and poets have done for centuries, to see with the "eyes of the heart." With over 70 illustrations, this book is for the traveler who longs for something more than diversion and escape. The Art of Pilgrimage shows that every journey can be sacred, soulful, and transformative if it is undertaken with a desire for spiritual risk and renewal. Whether traveling to Mecca or Memphis, Stonehenge or Cooperstown, one's journey becomes meaningful when the traveler's heart and imagination are open to experiencing the sacred.*

*One of our most iconic childhood games receives a creepy twist as it becomes the gateway to a nightmare world.*

*Researching Thoreau’s life, a grad student finds danger, dark secrets, and something haunting Walden Pond in this supernatural thriller. When graduate student Aine Cahill uncovers a journal proving that her aunt Bonnie was an intimate companion of Thoreau’s during his supposedly solitary sojourn at Walden Pond, she knows that she has found the perfect subject for her dissertation. She decides to travel to Walden Pond herself to hunker down and work on her writing, but it quickly becomes clear that all is not as it seems in Thoreau’s woodland retreat. The further Aine delves into Bonnie’s diary the more she finds herself wondering about her family’s sinister legacy and even her own sanity—is there really a young girl lurking in the woods? As tragedy strikes a nearby town and suspicion falls on Aine, she scrambles to find the truth behind Thoreau’s paradise.*

The Seeker King

"For every book lover who fantasized about getting locked in the library overnight, The Story Collector is a dream come true!" —New York Times–bestselling author Alan Gratz In the tradition of E. L. Konisburg, this middle-grade mystery adventure is inspired by the real life of Viviani Joffre Fedeler, born and raised in the New York Public Library. The Story Collector by Kristin O'Donnell Tubb is a middle-grade historical fiction inspired by the real life of Viviani Fedeler. Eleven-year-old Viviani Fedeler has spent her whole life in the New York Public Library. She knows every room by heart, except the ones her father keeps locked. When Viviani becomes convinced that the library is haunted, new girl Merit Mubarak makes fun of her. So Viviani decides to play a harmless little prank, roping her older brothers and best friend Eva to help out. But what begins as a joke quickly gets out of hand, and soon Viviani and her friends have to solve two big mysteries: Is the Library truly haunted? And what happened to the expensive new stamp collection? It's up to Viviani, Eva, and Merit (reluctantly) to find out.

"A beautifully rendered epic journey . . . . The novel works on many levels and excels at them all." —New York Journal of Books In this captivating and surprising novel of spiritual discovery—a No. 1 bestseller in India—a young American travels to India and finds himself tested physically, emotionally, and spiritually. Max Pzoras is the poster child for the American Dream. The child of Greek immigrants who grew up in a dangerous New York housing project, he triumphed over his upbringing and became a successful Wall Street analyst. Yet on the frigid December night he’s involved in a violent street scuffle, Max begins to confront questions about suffering and mortality that have dogged him since his mother’s death. His search takes him to the farthest reaches of India, where he encounters a mysterious night market, almost freezes to death on a hike up the Himalayas, and finds himself in an ashram in a drought-stricken village in South India. As Max seeks answers to questions that have bedeviled him—can yogis walk on water and live for 200 years without aging? Can a flesh-and-blood man ever achieve nirvana?—he struggles to overcome his skepticism and the pull of family tugging him home. In an ultimate bid for answers, he embarks on a dangerous solitary meditation in a freezing Himalayan cave, where his physical and spiritual endurance is put to its most extreme test. By turns a gripping adventure story and a journey of tremendous inner transformation, The Yoga of Max’s Discontent is a contemporary take on man’s classic quest for transcendence.

Collects works of art and literature designed to capture the American spirit, focusing on spiritual growth through works by L. Frank Baum, Alice Walker, Walt Whitman, Ronald Steel, and Doris Colmes.

Search algorithms aim to find solutions or objects with specified properties and constraints in a large solution search space or among a collection of objects. A solution can be a set of value assignments to variables that will satisfy the constraints or a structure of a given discrete structure. In addition, there are search algorithms, mostly probabilistic, that are designed for the prospective quantum computer. This book demonstrates the wide applicability of search algorithms for the purpose of developing useful and practical solutions to problems that arise in a variety of problem domains. Although it is targeted to a wide group of readers: researchers, graduate students, and practitioners, it does not offer an exhaustive coverage of search algorithms and applications. The chapters are organized into three parts: Population-based and quantum search algorithms, Search algorithms for image and video processing, and Search algorithms for engineering applications.

Journey to the Greatness Within

Individual Motion and Swarm Dynamics

The Yoga of Max's Discontent

Tweets of Wisdom

Search and Foraging

The Seeker and the Finding

Intimacy

The internet was supposed to connect us to endless possibilities. So why do we keep ending up browsing the same old sites and best-seller lists? When sellers don’t offer potential customers a compelling digital experience, consumers miss out on great products—and businesses miss a vital opportunity to grow. Raj K. De Datta, the founder of a company that powers digital-commerce experiences for many of the world’s biggest brands, offers an actionable playbook for companies looking to deliver better digital experiences. His key insight is that exceptional digital experiences are much more than marketplaces. They don’t just serve customers’ transactional needs but rather address the deeper problems for which they seek solutions. They are built on a digital-experience platform that provides agile, personalized, scalable performance. And they are created by product-centric digital teams, not traditional organizations. The Digital Seeker distills key lessons from the compelling stories of innovative businesses: not just tech companies but companies spanning a wide range of industries, including amusement parks, fashion, sports, health care, distribution, and the public sector. De Datta defines and explains the power of the seeker-centric philosophy—translating it into a core operational playbook for digital teams to achieve transformative results. Importantly, this book also offers crucial insights into the impact of the COVID-19 pandemic on our digital lives and the long-term effects it will have on digital experiences of the future.

“Katniss and Tris would approve.”—TeenVogue.com The night Quin Kincaid takes her Oath, she will become what she has trained to be her entire life. She will become a Seeker. This is her legacy, and it is an honor. As a Seeker, Quin will fight beside her two closest companions, Shinobu and John, to protect the weak and the wronged. Together they will stand for light in a shadowy world. And she'll be with the boy she loves--who's also her best friend. But the night Quin takes her Oath, everything changes. Being a Seeker is not what she thought. Her family is not what she thought. Even the boy she loves is not who she thought. And now it's too late to walk away. "This book will not disappoint."-USAToday.com "Fans of Veronica Roth's Divergent, Marie Lu's Legend, and Suzanne Collins's The Hunger Games series: your next obsession has arrived."-School Library Journal "In this powerful beginning to a complex family saga...Dayton excels at creating memorable characters."-Publishers Weekly “[A] genre-blending sci-fi, fantasy...[with] action-packed scenes.”—Booklist "Secrets, danger, and romance meet in this unforgettable epic fantasy." —Kami Garcia, #1 New York Times bestselling coauthor of Beautiful Creatures & author of Unbreakable "A tightly-woven, action-packed story of survival and adventure, Seeker is perfect for fans of Game of Thrones." —Tahereh Mafi, author of the New York Times bestselling Shatter Me series

Draws on illuminating stories from her own experience, critiques of American spiritual history, and meditative exercises from an array of religious, psychological, and healing traditions to help readers develop their own individual spiritual practices to suit the needs of body, mind, and spirit. 35,000 first printing.
