

The Story Of Babar The Little Elephant

A one-volume edition of the first three stories about Babar, king of the elephants, and his family and friends. Babar meets the old lady, defeats the rhinoceroses, is made king of the elephants and marries Celeste, has many adventures on his exciting travels and returns to rule wisely.

Features two stories starring Babar the elephant, including "Babar the King," in which King Babar and Queen Celeste plan a model city and live happily with their friends and subjects in the country of elephants.

In the second Babar story, Babar and Celeste set off in a balloon, beginning an exciting series of adventures. Escaping from savage cannibals, only to be trapped by a circus owner, Babar knows nothing of his home country's escalating war against the rhinos. But with some help from the Old Lady, Babar returns in time to save the day. This is vintage de Brunhoff--a must for Babar fans and a story sure to charm and engage young readers.

An orphaned baby elephant goes to live in the city with a kindly old lady who gives him everything he wants, but eventually he returns to the forest where he is crowned king of the elephants.

Babar and the Wully-Wully

A Wall Street Journal writer's conversation-changing look at how reading aloud makes adults and children smarter, happier, healthier, more successful and more closely attached, even as technology pulls in the other direction. A miraculous alchemy occurs when one person reads to another, transforming the simple stuff of a book, a voice, and a bit of time into complex and powerful fuel for the heart, brain, and imagination. Grounded in the latest neuroscience and behavioral research, and drawing widely from literature, *The Enchanted Hour* explains the dazzling cognitive and social-emotional benefits that await children, whatever their class, nationality or family background. But it's not just about bedtime stories for little kids: Reading aloud consoles, uplifts and invigorates at every age, deepening the intellectual lives and emotional well-being of teenagers and adults, too. Meghan Cox Gurdon argues that this ancient practice is a fast-working antidote to the fractured attention spans, atomized families and unfulfilling ephemera of the tech era, helping to replenish what our devices are leaching away. For everyone, reading aloud engages the mind in complex narratives; for children, it's an irreplaceable gift that builds

including cafes, street markets, and brasseries; he also offers the best sightseeing tips, especially observing the Eiffel Tower from every angle, walking along the banks of the Seine, visiting the Louvre and Orangerie museums, and exploring the Luxembourg Gardens. There s even a postcard-perfect opening scene that features the Babar family visiting the Notre Dame Cathedral on a previous vacation. Babar also gives local advice. He tells Isabelle how apartment buildings work, why an elephant may be surprised by the size of an elevator, how to take the metro, how to find a restaurant to call your own, and to walk walk as much as possible to see everything that Paris has to offer. In the end, Isabelle is encouraged to enjoy her travels, but she is also lovingly reminded to always come home to Celesteville and her family. Like other classic children s books featuring international adventures, including "Madeline in London" and "Eloise in Paris," readers will be eager to take the trip to Paris with Babar. "
