But do we? Our
collective
understanding of
this surprising plant
has been muddled
by politics and

morality; what we think we know isn't the real story. A war on cannabis has been waged in the United States since the early years of the twentieth century, yet in the past decade, society has undergone a massive shift in perspective that has allowed us to

the questions we
didn't know we
should ask. Dolce
heads to a host of
places, including
