This helpful resource features practice in structures and vocabulary and abundant listening comprehension practice with dialogues, simulated conversation, and pronunciation models. The Workbook section features Autoprueba self-tests at the end of each chapter that allow you to assess your mastery of the targeted structures and vocabulary. The video activities in the Workbook and the Lab Manual sections are included to help you recall and consider both cultural and lexical information presented in the accompanying DVD. Video activities in the Workbook cover cultural, country-focused footage from the corresponding chapter, while video activities in the Lab Manual cover the linguistic and thematic portions of the DVD. Also available on iLrn™: Heinle Learning Center. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Building on the success of her prior book, *Practice Makes Perfect: Spanish Verb Tenses*, author Dorothy Devney Richmond helps learners attain a strong working vocabulary, no matter if they are absolute beginners or intermediate students of the language. She combines her proven instruction techniques and clear explanations with a plethora of engaging exercises, so students are motivated and hardly notice that they are absorbing so much Spanish. *Practice Makes Perfect: Spanish Vocabulary* also includes basic grammar and structures of the language to complement learners' newly acquired words. "Vocabulary Builders" help students add to their Spanish repertoire by using cognates, roots, suffixes, prefixes, and other "word-building" tools.

Transports students beyond the classroom on an exciting journey through the diverse Spanish-speaking world. The perfect blend of culture, instruction and interaction enables and motivates students to succeed. Units are built around countries and cities. Relevant instruction is based on multi-tiered differentiation in presentation, practice, and assessments.

The Workbook portion of the SAM provides vocabulary, grammar, reading, and writing practice. The Laboratory Manual activities, designed for use with the SAM audio program, focuses on listening comprehension and pronunciation. ¡Qué chévere! is an engaging program that develops students' communication skills by providing ample speaking and writing practice in contextualized situations, working with partners and in groups.

Plazas is based on the premise that true, authentic communication takes place where language and culture meet. In the real world, plazas are about meeting and connecting and are at the very heart of every Spanish-Speaking city. Likewise, Plazas is designed to bring you and your students together to communicate and interact. Invoking the metaphor of the plaza, Plazas intends to be a meeting place, a lugar de encuentro, for the Spanishspeaking world both in and outside of the classroom.

Journey into the language and culture of the Spanish-speaking world, a world of 300 million people that spans 20 countries, three continents, and numerous islands.

This third edition of this text presents the major grammatical contrasts between English and Spanish in a simple and direct manner that is ideal for teachers of either language. This book addresses difficult grammatical topics for the English speaker, such as the question of aspect (preterit/imperfect) and the Spanish indicative/subjunctive; the English modal auxiliary system; and other challenging topics for the Spanish speaker. This reworked and expanded edition presents a complete inventory of all the major inter-lingual contrasts, emphasizing those contrasts that pose difficulties for teachers and students alike. The text features numerous exercises and, new with this edition, an extensive glossary of grammatical terms. The RUMBOS program provides robust support to help students 'fill in the gaps' that might be left from their first year of Spanish study, including review activities, indices of first year grammar and vocabulary, and student annotations. At the same time, RUMBOS carefully leads students to higher levels of communicative competence through the combination of functional and contextualized vocabulary presentations, targeted practice of more advanced and often problematic grammatical structures, and process-oriented reading and writing sections with integrated skill-building strategies. Finally, RUMBOS prepares students for advanced language study by involving them in authentic literary readings and academic writing tasks and by weaving in communicative activities geared to oral presentations. The RUMBOS program also provides plentiful instructor support through its transparent and flexible chapter structure, teacher annotations, and ancillary materials. Instructors using RUMBOS will find crafting creative, stimulating, and fun lesson plans
