A.J. Liebling's classic *New Yorker* pieces on the "sweet science of bruising" bring vividly to life the boxing world as it once was. It depicts the great events of boxing's American heyday: Sugar Ray Robinson's dramatic comeback, Rocky Marciano's rise to prominence, Joe Louis's unfortunate decline. Liebling never fails to find the human story behind the fight, and he evokes the atmosphere in the arena as distinctly as he does the goings-on in the ring--a combination that prompted *Sports Illustrated* to name *The Sweet Science* the best American sports book of all time.

*Do What You Are* has already helped more than 750,000 people find truly satisfying work. The book leads you step-by-step through

the process of determining and verifying your Personality Type. Then it provides real-life case studies of people who share your Type and introduces you to the key ingredients your work must have for it to be genuinely fulfilling. Using workbook exercises and explaining specific job search strategies, Do What You Are identifies occupations that are popular with your Type and offers a rundown of your work-related strengths and weaknesses. It also shows how you can use your unique strengths to customize your job search, ensuring the best results in the shortest period of time. Whether you are a recent graduate, a first-time job seeker, or a midlife career switcher, this lively guide will enable you to discover the right career for you.

This book gives the reader a straightforward and continuous survey of the history of the French Foreign Legion. By outlining the Legion's vicissitudes, victorious campaigns, epic marches, heroic and sometimes hopeless stands, dirtiest combats and dramatic defeats, but also by briefly placing the Legion back in the historical background of France, and by describing its development, organization, uniforms, equipments and weapons, the author hopes to dispel myths, and try to give a true and accurate picture of what the French Foreign Legion has been from 1831 until today. There are well-researched, detailed line drawings throughout.
