

## *What Time Is It Mr Crocodile*

The book that inspired the Academy Award-winning short film, from New York Times bestselling author and beloved visionary William Joyce. Morris Lessmore loved words. He loved stories. He loved books. But every story has its upsets. Everything in Morris Lessmore's life, including his own story, is scattered to the winds. But the power of story will save the day. Stunningly brought to life by William Joyce, one of the preeminent creators in children's literature, *The Fantastic Flying Books of Mr. Morris Lessmore* is a modern masterpiece, showing that in today's world of traditional books, eBooks, and apps, it's story that we truly celebrate—and this story, no matter how you tell it, begs to be read again and again.

Telling time becomes clear and easy for young readers in this bright and lively introduction to measurements of time. From seconds to minutes, hours to days, exploring what time is and discovering why we need to tell time, helps young readers understand more than 'the big hand is on the one and the little hand is on the two'. Megan Halsey's playful illustrations depict imaginative digital and analog clocks that range in design. With the help of a whole lot of clocks, a dash of humor, and a few familiar circumstances, learning to tell time is a lot of fun. It's about time.

One of the most famous science books of our time, the phenomenal national bestseller that "buzzes with energy, anecdote and life. It almost makes you want to become a physicist" (Science Digest). Richard P. Feynman, winner of the Nobel Prize in physics, thrived on outrageous adventures. In this lively work that "can shatter the stereotype of the stuffy scientist" (Detroit Free Press), Feynman recounts his experiences trading ideas on atomic physics with Einstein and cracking the uncrackable safes guarding the most deeply held nuclear secrets—and much more of an eyebrow-raising nature. In his stories, Feynman's life shines through in all its eccentric glory—a combustible mixture of high intelligence, unlimited curiosity, and raging chutzpah. Included for this edition is a new introduction by Bill Gates.

This is the story of four little wolves playing 'What's the time, Mr Wolf?' with their uncle, Mr Wolf. Children will enjoy reading the rhyming text and playing the 'What's the time, Mr Wolf?' game by lifting each flap to see Mr Wolf telling the time. Each spread features a flap and tactile for interactive fun.

THE TIMES Book of the Year

The Strange Case of Dr. Jekyll and Mr. Hyde

What Time Is It, Mr. Crocodile?

Because of Mister Terupt

Mr. Darcy's Stitch in Time

***A photographic memoir of photographer and FotoFest photo festival founder Fred Baldwin's extraordinary life: how he followed his dream, used his imagination, overcame fear, and acted to accomplish anything. This account takes the reader to high adventure worldwide, but also to disaster and failure. This illustrated love affair with freedom shows how a camera became a passport to the world. The son of an American diplomat, who died when Baldwin was five, the book describes a string of disasters associated with six elite boarding schools and one university led to his exile to work in a factory where he joined low-paid black and white workers in his uncle's factory in Savannah, Georgia. Baldwin escaped by joining the Marines and was immediately shipped to North Korea in 1950. Wounded and decorated twice, Baldwin also learned from the brutal, 35 below zero weather at the Chosin Reservoir where his unit was surrounded and outnumbered by the Chinese. After Korea, Baldwin moved to Paris, then returned to a junior college in Georgia, won a scholarship to Harvard and transferred to Columbia. Baldwin taught himself photography by visiting MoMa and every photo gallery in New York. Baldwin wanted to be a photojournalist. "I discovered the Civil Rights Movement by chance as I was walking the streets of Savannah planning a book on the city's architecture. I met change marching toward me in the form of Benjamin Van Clark, a seventeen-year-old student leading his troops chanting into battle. The deep rumblings of the Civil Rights Movement in Georgia and elsewhere somehow had never reached me in Europe. As I wrote, 'the polar bears I was photographing in the Arctic didn't tell me about what was happening with Black folks in the South. They were just too white.'" The stories in this book are often laced with self-deprecating humour, a mechanism that Baldwin had developed early as a survival tool.***

***In the Hugo-award winning, epic New York Times Bestseller and basis for the BBC miniseries, two men change England's history when they bring magic back into the world. In the midst of the Napoleonic Wars in 1806, most people believe magic to have long since disappeared from England - until the reclusive Mr. Norrell reveals his powers and becomes an overnight celebrity. Another practicing magician then emerges: the young and daring Jonathan Strange. He becomes Norrell's pupil, and the two join forces in the war against France. But Strange is increasingly drawn to the wild, most perilous forms of magic, and he soon risks sacrificing his partnership with Norrell and everything else he holds dear. Susanna Clarke's brilliant first novel is an utterly compelling epic tale of nineteenth-century England and the two magicians who, first as teacher and pupil and then as rivals, emerge to change its history.***

***Nobody outfoxes Fantastic Mr. Fox! Someone's been stealing from the three meanest farmers around, and they know the identity of the thief—it's Fantastic Mr. Fox! Working alone they could never catch him; but now fat Boggis, squat Bunce, and skinny Bean have joined forces, and they have Mr. Fox and his family surrounded. What they don't know is that they're not dealing with just any fox—Mr. Fox would rather die than surrender. Only the most fantastic plan can save him now.***

***A witty and warm tell-the-time book, created by Kes Gray, author of the bestselling Oi Frog, and Mary McQuillan. Cluck O' Clock is a tell-the-time book with a difference. It recounts a day in the life of a group of chickens - each with individual and distinct personalities - as they fill their lives with food, exercise, visiting - and waiting for the fox. Teaches children to tell the time in a fun, but informative way. '... teachers and librarians will be happy to give this tale a few minutes in story hours about chickens or clocks'. - Kirkus Reviews***

***Dear Mr. You***

***How to Tell Time on Digital and Analog Clocks***

***Mr. Was***

***The Wonderful Flight to the Mushroom Planet***

***Cluck O'Clock***

The Strange Case of Dr. Jekyll and Mr. Hyde is about a London lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr. Henry Jekyll, and the evil Edward Hyde. There are two personalities within Dr. Jekyll, one apparently good and the other evil; completely opposite levels of morality. The novel's impact is such that it has become a part of the language, with the very phrase "Jekyll and Hyde" coming to mean a person who is vastly different in moral character from one situation to the next. 'The Strange Case of Dr. Jekyll and Mr. Hyde' is a thrilling Gothic horror novel. John Utterson, a prosecutor, is on his weekly walk with his relative, who proceeds to tell him of an encounter with a man he had seen some months ago while coming home late at night from Cavendish Place. The tale describes a sinister figure named Edward Hyde who tramples a young girl, disappears into a door on the street, and re-emerges to pay off her relatives with 10 pounds in gold and a cheque signed by respectable gentleman Dr. Henry Jekyll (a client and friend of Utterson's) for 90 pounds. Jekyll had recently and suddenly changed his will to make Hyde the sole beneficiary. This development concerns and disturbs Utterson, who makes an effort to seek out Hyde. Utterson fears that Hyde is blackmailing Jekyll for his money. Upon finally managing to encounter Hyde, Hyde's ugliness, as if deformed, amazes Utterson. Although Utterson cannot say exactly how or why, Hyde provokes an instinctive feeling of revulsion in him. Much to Utterson's surprise, Hyde willingly offers Utterson his address. After one of Jekyll's dinner parties, Utterson stays behind to discuss the matter of Hyde with Jekyll. Utterson notices Jekyll turning pale, yet he assures Utterson that everything involving Hyde is in order and that he is to be left alone.

What's the time, Mr Wolf? It's story time with Debi Gliori! Accompany Mr Wolf as he goes about his daily routine from breakfast to bedtime - and get to know the real Mr Wolf! Little ones will enjoy recognising familiar faces from a plethora of nursery rhymes, including Little Red Riding Hood (masquerading as the post girl), three cheeky little pigs (who make prank calls), a cat who's a dab hand at the fiddle, plus four and twenty blackbirds . . . An enchantingly original story inspired by the well-known playground tag game, this is also perfect for practising telling the time. The stunning artwork reveals something new with every reading and the many fabulous details will keep you turning the pages again and again. Brilliantly read by Amelia Fox. Please note that audio is not supported by all devices, please consult your user manual for confirmation.

Mr. Wolf's disastrous hourly attempts to attack Mouse and Squirrel leave him looking increasingly the worse for wear as they teach young readers how to tell time.

Description of Harrison's chronometer which provided the technical means of solving the centuries old navigational problem of establishing longitude at sea.

What's the Time Mr Wolf

.What's the Time, Mr Wolf? This book features flap, which can be flipped by children for the answer and see what Mr Wolf is up to.

It's superhero time! Join Mr Wolf as he zooms to the rescue and helps out all of his friends across town. Children will love to read about all of Mr Wolf's incredible adventures in this super fan picture eBook, perfect for story time.

In answer to an advertisement David and Chuck build a small spaceship and are off on a mysterious adventure

You are cordially invited to a ball at Netherfield Park. Ladies, please sew and bring a matched pair of handkerchiefs, one for yourself, and one for your "secret" partner.

Elizabeth Bennet knows her talents do not lie with the needle. And what does it matter? She only wishes to see her sister Jane joyfully wed to Mr. Bingley. Mr. Darcy?

That's a pattern best untouched. Except Elizabeth finds her initial beliefs challenged as sewing fever sweeps over Meryton, leading to misunderstandings, betrayals, and unwanted confessions. Will a pair of handkerchiefs lead Elizabeth and Jane to their perfect match? With Mr. Wickham's machinations and Mr. Collins blundering about, any promise of love may soon be tangled beyond repair. Unless Mr. Darcy can sew up a stitch in time... Mr. Darcy's Stitch in Time is a sweet Pride and Prejudice variation of 29,000 words with happy ending for ODC, guaranteed.

Mr Wolf's Week

Dear Mr. Picasso

What's the Time Mr Wolf?

The Absolutely True Diary of a Part-Time Indian  
With Plates of the Same

Mr. Crocodile's plans to catch and eat some pesky monkeys do not work out and he becomes friends with them instead.

My name is Marten Mann. I work for the Devil, or The Prince of Lies, as you people are so fond of calling him. Yes. You read that last line correctly. I am employed by the Powers of Evil as Acquisitor Ad Infinitum. Catchy, huh? To put it in simpler terms, I am a broker of sorts. You know, the guy who finds out what it is that you want the most. I make it readily available to you for a price. I think we all know just how costly that one thing that you think you need so much can be. Which is why I urge all of my clients to choose wisely.

When this adaptation of C. S. Lewis's classic children's story opened at the RSC Stratford in November 1998, it received rave reviews and broke box office records. Four children are evacuated from London during the Blitz. While exploring the Professor's house, they stumble across the gateway to another world, and the adventure begins. The land of Narnia is under the spell of the wicked White Witch, and the four very quickly find themselves caught up in a deadly struggle between good and evil.

Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, The Absolutely True Diary of a Part-Time Indian, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

Fantastic Mr. Fox

The Principles of Mr. Harrison's Time-keeper

Telling Time

The Lion, the Witch and the Wardrobe

Letters to a Future Champion

Seven fifth-graders at Snow Hill School in Connecticut relate how their lives are changed for the better by "rookie teacher" Mr. Terupt.

Three classic crime novels chronicle the deadly adventures and sinister exploits of the inimitable Tom Ripley, a psychopath and genius who will do anything to achieve his goals. The "delightfully macabre" (The New York Times) true tale of a brilliant and eccentric surgeon...and his quest to transplant the human soul. In the early days of the Cold War, a spirit of desperate scientific rivalry birthed a different kind of space race: not the race to outer space that we all know, but a race to master the inner space of the human body. While surgeons on either side of the Iron Curtain competed to become the first to transplant organs like the kidney and heart, a young American neurosurgeon had an even more ambitious thought: Why not transplant the brain? Dr. Robert White was a friend to two popes and a founder of the Vatican's Commission on Bioethics. He developed lifesaving neurosurgical techniques still used in hospitals today and was nominated for the Nobel Prize. But like Dr. Jekyll before him, Dr. White had another identity. In his lab, he was waging a battle against the limits of science and against mortality itself—working to perfect a surgery that would allow the soul to live on after the human body had died. This "fascinating" (The Wall Street Journal), "provocative" (The Washington Post) tale follows his decades-long quest into tangled matters of science, Cold War politics, and faith, revealing the complex (and often murky) ethics of experimentation and remarkable innovations that today save patients from certain death. It's a "masterful" (Science) look at our greatest fears and our greatest hopes—and the long, strange journey from science fiction to science fact.

Delve inside and see what a little mouse and a lot of curiosity could lead to.

Thank You, Mr. Falker

My Time with Mr. Pulver

The Fantastic Flying Books of Mr. Morris Lessmore

A Novel

"Surely You're Joking, Mr. Feynman!": Adventures of a Curious Character

**This book "renders the singular arc of a woman's life through letters Mary-Louise Parker composes to the men, real and hypothetical, who have informed the person she is today. Beginning with the grandfather she never knew, the letters range from a missive to the beloved priest from her childhood to remembrances of former lovers to an homage to a firefighter she encountered to a heartfelt communication with the uncle of the infant daughter she adopted"--**

**The Great Recession has shuffled Clay Jannon out of his life as a web-design drone, and serendipity, sheer curiosity and the ability to climb a ladder like a monkey have landed him**

a new gig working the night shift at Mr. Penumbra's 24-Hour Bookstore. But Clay begins to realize that this store is even more curious than its name suggests. There are only a few customers, but they come in repeatedly and never seem to actually buy anything. Instead they "check out" impossibly obscure volumes from strange corners of the store, all according to some elaborate, long-standing arrangement with the gnomish Mr. Penumbra. The store must be a front for something larger, Clay concludes, and soon he has embarked on a complex analysis of the customers' behaviour and roped his friends into helping him figure out just what's going on. But once they take their findings to Mr. Penumbra, they discover the secrets extend far beyond the walls of the bookstore. Evoking both the fairy-tale charm of Haruki Murakami and the enthusiastic novel-of-ideas wizardry of Neal Stephenson or Umberto Eco, Mr. Penumbra's 24-Hour Bookstore is exactly what it sounds like—an establishment you have to enter and will never want to leave. Learn the days of the week with Mr. Wolf as he dresses up and sets off each day on another side-splitting adventure.

Tell the time with Mr Wolf as he goes through the day, but watch out for him at mealtimes !

Thank You, Mr. Nixon

What Time is It, Mr. Wolf?

Proposal for examining Mr. Harrison's Time-keeper at Sea

**A Pride and Prejudice Variation (Jane Austen Fan Fiction, JAFF, Pride and Prejudice Variations, Pride & Prejudice, Mr Darcy, Pemberley)**

The acclaimed, award-winning author of The Resisters takes measure of the fifty years since the opening of China and its unexpected effects on the lives of ordinary people. It is a unique book that only Jen could write—a story collection accruing the power of a novel as it proceeds—a work that Cynthia Ozick has called “an art beyond art. It is life itself.” Beginning with a cheery letter penned by a Chinese girl in heaven to “poor Mr. Nixon” in hell, Gish Jen embarks on a fictional journey through U.S.-China relations, capturing the excitement of a world on the brink of tectonic change. Opal Chen reunites with her Chinese sisters after forty years; newly cosmopolitan Lulu Koo wonders why Americans “like to walk around in the woods with the mosquitoes”; Hong Kong parents go to extreme lengths to reestablish contact with their “number-one daughter” in New York; and Betty Koo, brought up on “no politics, just make money,” finds she must reassess her mother's philosophy. With their profound compassion and equally profound humor, these eleven linked stories trace the intimate ways in which humans make and are made by history, capturing an extraordinary era in an extraordinary way. Delightful, provocative, and powerful, Thank You, Mr. Nixon furnishes yet more proof of Gish Jen's eminent place among American storytellers.

Vietnam Beyond By: Gerald E. Augustine “Vietnam Beyond” is not only a photographic accounting of a soldier's time while serving in a front-line unit in the infantry; it is a study of human nature. When rank has its' privileges, not only in the military, but in civilian life as well, you will learn how a person with “power’ will use this power to his advantage over someone at his most vulnerable time in their life. You will read how officers and sergeants use their rank to their benefit. You will also learn how attorneys and even a senator used the legal system to their advantage when having control over someone when he is most vulnerable. “Vietnam Beyond” is also a study of the criminal act of the spraying of herbicides by our government not only on the jungles of Vietnam, but on the civilians and our servicemen as well. The result tells of the after effects on the author and his family to this day. And most of all, “Vietnam Beyond” tells how a combat soldier endured traumatizing events that he brought home with him. Those events drive him to be the best that he can be at whatever he encounters and to continuously defeat those demons.

An intimate, intense and beautifully realised novel of possession, power and the liberating loss of innocence, this will delight fans of MISTER PIP and THE POISONWOOD BIBLE. Oceania, 1879. For two years the Peacocks, a determined family of settlers, have struggled to make a remote volcanic island their home. At last, a ship appears. The six Pacific Islanders on board have travelled over eight hundred miles in search of new horizons. Hopes are high, until a vulnerable boy vanishes. In their search for the lost child, settlers and newcomers together uncover far more than they were looking for. The island's secrets force young Lizzie Peacock to question her deepest convictions, and slowly this tiny, fragile community begins to fracture . . . 'Intelligent, beautifully written' The Times 'Historical fiction fans, meet your new favourite author' Stella Magazine 'Beautifully written, immaculately researched and powerfully imagined' Lancashire Evening Post

WHAT WOULD YOU SAY IF YOU MET DAVID COPPERFIELD? Two 21st century teenagers have that opportunity in MR. DICKENS AND THE TIME TRAVELERS Vicki and Ollie, brainy teenagers from Dubuque Iowa defy logic and also gravity when they somehow or other manage to travel back in time to Victorian England and meet their favorite author, Charles Dickens and some of his favorite characters. A gracious host, he takes the twin siblings under his wing and gives them a never-to-be-forgotten tour of London, including a visit

to the first worlds fair, the Crystal Palace Exhibition of 1851, displaying the scientific and industrial marvels of the age; an audience with their majesties, Queen Victoria and Prince Albert, a public reading by Mr. Dickens in which he impersonates some of his favorite characters. But will Vickie and Ollie ever get back to the 21st century? Or are they destined to live out heir lives more than a century before they were born? Turn the page to find out.

Jack Lund figures a good day is when his dad's too drunk to beat up his mom. For Jack, Bogg's End is the end. The end of the turbulent, see-saw years of watching his father go on the wagon and fall right back off gain. Once it took two years, but the inevitable inevitably happened. Now it's just Jack and his mom starting over in the strange old house his grandfather left them. But the ride's not over yet. Jack's father returns, full of apologies and promises, and for a little while, things are looking up. Then in one terrifying, sickening moment, everything comes crashing back down again. So Jack runs. He runs through a strange hidden door that takes him back in time to before his parents were born. Before he was born. Maybe with a second chance he can stop the inevitable. At least he's got to try. What Jack doesn't understand, though, is that he can't change his future until he faces his past.
