When the Larue sisters - Lucy- 14, Lana - 13, and Lillian - 8, move from their Florida beach town to the steel city, Pittsburgh, they are anything but thrilled. Soon after

moving, the girls are met with rumors that their house is haunted, but when Lana leads an investigation to discover the source of the creepy sounds in their shared attic bedroom, they discover no ghost. Instead, the three girls are

sucked inside a portal that leads to another world - Zo. There they meet Tabupu - head cosmetologist and keeper of the scrolls, who claims to know not only the reason they are in Zo but also the only way to get out. Tabupu reveals that

two social castes are involved in a feud affecting the ecosystem of the planet. The Claypoles have been bullying the Edens so harshly that many Edens have chosen to bury themselves in the Down Deep in an optional sleep from which they can

Get Free Zo

never return to wakefulness on their own. Because each Zoan soul has unique purpose in the survival of the planet, Zo itself is beginning to wither. The Larue girls are the only ones who can wake up the sleeping Edens and return peace to

Zo. To complicate matters, the portal that brought the Larue sisters to Zo is broken, and the only repairman on the planet is an Eden named Niko... who just happens to be buried in the Down Deep.

Without Niko, the girls are stuck in

love. From the outside looking in, Zo has it all. As the head of drug operations for the Ramirez Cartel of Atlanta, his position is respected and coveted. And with his best friend turned lover Alana by his side, he has the woman many men

Get Free Zo

would die to have. So what could possibly go wrong? Everything... Especially with Cameron Reid in the picture. Cameron holds a grudge against Zo and everyone connected to the cartel. After the organization forces him to leave, he

viciously plots to strike back. If he can't be a part of the business - a business his family spent years building- he wants to destroy it. He's spent time plotting and planning his revenge. When Cameron puts his plan into motion,

it can have devastating effects on Zo and Alana's future. With the repercussions of Zo's decision making and Cameron's vendetta working against them, the drama and conflict are endless. In the conclusion of this two-part series,

have you heard of ZO? The
world is large, that why history

books are made for the information, with no doubt you will get to know all about ZO and learn more from what you might have learned of ZO. Here is short introduction on ZO. The term Zo or Jo was mentioned as

SHO."However, because of the Zo people' frequent contacts with many different people at their borders the available literature is often confused about which people should be designated as ZO or other

names. When the British took possession of Bengal and had their contact with Zo people, the Bengalis told them that the Zo were Kuki, a Bengali word which means something like savage or wild hill people. But

Get Free Zo

when the British came in close contact with the Lusei, they realized that they did not call themselves Kuki. Initially the British used the term "Loosye". However, the British later adopted "LUSHAI" as the official
